**Sholokhov: a Critical Appreciation** Yakimenko L,1973      *Sholokhov* Лев Григорьевич Якименко,1973

**Sholokhov** Lev Yakimenko,2004-12-01 Lev Yakimenko is a popular Soviet literary critic and the author of well known books about Nobel Prize winner Mikhail Sholokhov In the present book Lev Yakimenko gives a profound and comprehensive analysis of all Sholokhov s work from his early Tales from the Don to his last as yet unfinished novel They Fought for Their Fatherland He focuses his main attention on the author s two major novels And Quiet Flows the Don and Virgin Soil Upturned which are very well known to readers abroad The principal questions of the aesthetics of socialist realism such as creative method tradition and innovation the theory of genres short story novel epic novel the meaning of the writer s aesthetic and social ideal are thoroughly examined Lev Yakimenko also gives a detailed account of Sholokhov s career dwelling on little known pages from his life story and admirably achieves what he has set out to do to show this great writer in all his uniqueness and originality      **Sholokhov A Critical Appreciation** Yarimenko,1994-06      **Творчество М. А. Шолохова. Sholokhov. A critical appreciation. (Translated from the Russian by Bryan Bean.).** Lev Grigor'evich YAKIMENKO,Bryan BEAN,Mikhail Aleksandrovich Sholokhov,1973

**Mikhail Sholokhov and His Art** Herman Ermolaev,2017-03-14 Treating Sholokhov s art and life against the Soviet political background the author considers the episodes in his life that influenced his writing and then shows how one sided commitment to party ideology led to his creative deterioration Originally published in 1982 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      The Russian Revolutionary Novel Richard Freeborn,1985-02-28 Professor Freeborn s book is an attempt to identify and define the evolution of a particular kind of novel in Russian and Soviet literature the revolutionary novel This genre is a uniquely Russian phenomenon and one that is of central importance in Russian literature The study begins with a consideration of Turgenev s masterpiece Fathers and Children and traces the evolution of the revolutionary novel through to its most important development a century later in Pasternak s Doctor Zhivago and the emergence of a dissident literature in the Soviet Union Professor Freeborn examines the particular phases of the genre s development and in particular the development after 1917 the early fiction which explored the relationship between revolution and instinct such as Pil nyak s The Naked Year the first attempts at mythmaking in Leonov s The Badgers and Furmanov s Chapayev the next phase in which novelists turned to the investigation of ideas exemplified most notably by Zamyatin s We the resumption of the classical approach in such works as Olesha s Envy which explore the interaction between the individual and society and finally the appearance of the revolutionary epic in Gorky s The

Life of Klim Samgin Sholokhov's *Quiet Flows the Don* and Alexey Tolstoy's *The Road to Calvary* Professor Freeborn also examines the way this kind of novel has undergone change in response to revolutionary change and he shows how an important feature of this process has been the implicit assumption that the revolutionary novel is distinguished by its right to pass an objective independent judgement on revolution and the revolutionary image of man This is a comprehensive and challenging study of a uniquely Russian tradition of writing which draws on a great range of novels many of them little known in the West As with other titles in this series all quotations have been translated

**Encyclopedia of the World Novel, 1900 to the Present** Michael David Sollars, Arbolina Llamas Jennings, 2015-04-22 Praise for the print edition a useful and engaging reference to the vast world of the novel in world literature

**Columbia Dictionary of Modern European Literature** Jean Albert Bédé, William Benbow Edgerton, 1980 With more than 1800 critical entries on the writers and literatures of 33 languages this work presents the entire range of modern European writing from the symbolist and modernist works rooted in the last decades of the nineteenth century through the avant garde and existentialist movement to Barthes Blanchot Breton and continental thought pertinent today

### **Sholokhov A Critical Appreciation Introduction**

In today's digital age, the availability of Sholokhov A Critical Appreciation books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sholokhov A Critical Appreciation books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sholokhov A Critical Appreciation books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sholokhov A Critical Appreciation versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sholokhov A Critical Appreciation books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sholokhov A Critical Appreciation books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature

enthusiasts. Another popular platform for Sholokhov A Critical Appreciation books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sholokhov A Critical Appreciation books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sholokhov A Critical Appreciation books and manuals for download and embark on your journey of knowledge?
