Shoot to Kill Charles W. Sasser, 1994 Contains interviews with police officers from Florida Oklahoma Pennsylvania Colorado Virginia Texas Wisconsin California Louisiana Maryland and Massachusetts **Shooting to Kill?** Peter Squires, Peter Kennison, 2010-08-24 Shooting to Kill Policing Firearms and Armed Response explores the dilemma of armed response policing in the UK and policing in a gun culture Offers the first critical exploration of the ACPO code of guidance on Police Use of Firearms and other tactical manuals Includes interviews with senior police firearms managers and critical case studies of police firearms incidents Features the first in depth academic analysis of the Stockwell shooting incident and the Kratos policy Provides a review of key developments in armed response policing around the world Describes the crucial phases in armed response policy development in Britain and explores the consequences of arming the police *Just Policing, Not War* Gerald Schlabach, 2007 2008 Catholic Press Association Honorable Mention For decades the Catholic Church and historical peace churches such as the Mennonites have come together in ecumenical discussions about war and peace The dividing point has always been between pacifism the view held by Mennonites and other peace churches and the just war theory that dominates Catholic thinking on the issue Given the transformation of global relations over this period increased interdependency and communication as well as the fall of the Soviet Union emerging nationalism movements and the slow development of international courts the time is right to rethink the Christian response to war Gerald Schlabach has proposed just policing theory as a way to narrow the gap between just war and pacifist traditions If the world can address problems of violence through a police model instead of a conventional military model there may be a role for Christians from all traditions In this volume Schlabach presents his theory and has invited a number of scholars representing Catholic Mennonite and other traditions to respond to the theory and address a number of key questions What do we mean by policing Can policing solve conflicts beyond one's own borders How does just policing theory address terrorism Is international policing possible and what would it look like Is just policing a Christian solution that meets the criteria of both traditions This important volume offers a fresh and meaningful discussion to help Christians of all traditions navigate the difficult questions of how to live in these times of violence and war **Section 1983 Litigation** Schwartz, 1997-01-01 In this invaluable three volume set you'll get an analysis of every aspect of the statute from the plaintiffs and defendants side of the courtroom from direction on potential to considerations about choice of forum This reference also gives you citations to state and district court decisions and circuit by circuit breakdowns of leading decisions Plus you'll explore constitutional rights enforceable under Section 1983 every facet of municipal liability and qualified immunity bifurcating claims against officers and municipalities and more Martin A Schwartz an expert of Section 1983 actions goes a step further and provides positions on open issues Also available as part of the Section 1983 Litigation Complete Six Volume Set *The Case for Youth Police Initiative* Nina Rose Fischer, 2020-06-01 This book investigates the Youth Police Initiative YPI intervention with a

comprehensive look at its effects in Boston as well as Brownsville Brooklyn a neighborhood that has both rich community networks as well as the highest crime rate in New York City Based on a phenomenological approach The Case for Youth Police Initiative Interdependent Fates and the Power of Peace offers first person narratives of youth police and community members in Brownsville as the YPI program was put into action Police shootings and other negative exchanges between community members and the police have brought heightened awareness to the volatile relations between communities and police The North American Family Institute began the YPI in Baltimore in 2003 with the ambition of keeping vulnerable youth away from arrests gangs guns violence and death The program has been replicated in several communities in the United States and beyond The focus of YPI training is to address the dual challenge of teaching youth the skills to resolve daily conflicts with authority while also teaching police officers to have meaningful dialogue with young people The voices of the stakeholders reveal changes in attitudes and actions from before during and after YPI s implementation A comprehensive illustration of the intervention s arc provides the reader with an in depth textured perspective of what it takes to prevent pernicious eruptions of tension between police and the community they are charged to serve and protect YPI s success in addressing tensions between youth and police in Boston and Brownsville Brooklyn maps out a blueprint for progress in other communities Suitable for scholars and researchers in juvenile justice law enforcement psychology and social work as well as practitioners on the front lines The Case for Youth Police Initiative will provoke dialogue on best practices for changing the volatile climate between police and the youths in their communities

Reform of the Federal Criminal Laws: State experience United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Criminal Laws and Procedures,1971 **Bluecoated Terror** Jeffrey S. Adler,2024-04-09 A searing chronicle of how racist violence became an ingrained facet of law enforcement in the United States Too often scholars and pundits argue either that police violence against African Americans has remained unchanged since the era of slavery or that it is a recent phenomenon and disconnected from the past Neither view is accurate In Bluecoated Terror Jeffrey S Adler draws on rich archival accounts to show in narrative detail how racialized police brutality is part of a larger system of state oppression with roots in the early twentieth century South particularly New Orleans Wide racial differentials in the use of lethal force and beatings during arrest and interrogation emerged in the 1930s and 1940s Adler explains how race control and crime control blended and blurred during this era when police officers and criminal justice officials began to justify systemic violence against Black people as a crucial and legal tool for maintaining law and order Bluecoated Terror explores both the rise of these law enforcement trends and their chilling resilience providing critical context for recent horrific police abuses as the ghost of Jim Crow law enforcement continues to haunt the nation Reform of the Federal Criminal Laws United States.
