Shooting From The Hip Photography Masculinity And Postwar America:

Shooting from the Hip Patricia Vettel-Becker, 2005 Visually traces the construction of American masculinity following World War II Post-World War II Masculinities in British and American Literature and Culture Stefan Horlacher, Kevin Floyd, 2016-04-08 Analyzing literary texts plays films and photographs within a transatlantic framework this volume explores the inseparable and mutually influential relationship between different forms of national identity in Great Britain and the United States and the construction of masculinity in each country The contributors take up issues related to how certain kinds of nationally specific masculine identifications are produced how these change over time and how literature and other forms of cultural representation eventually question and deconstruct their own myths of masculinity Focusing on the period from the end of World War II to the 1980s the essays each take up a topic with particular cultural and historical resonance whether it is hypermasculinity in early cold war films the articulation of male anxieties in plays by Arthur Miller David Mamet and Sam Shepard the evolution of photographic depictions of masculinity from the 1960s to the 1980s or the representations of masculinity in the fiction of American and British writers such as Patricia Highsmith Richard Yates John Braine Martin Amis Evan S Connell James Dickey John Berger Philip Roth Frank Chin and Maxine Hong Kingston The editors and contributors make a case for the importance of understanding the larger context for the emergence of more pluralistic culturally differentiated and ultimately transnational masculinities arguing that it is possible to conceptualize and emphasize difference and commonality simultaneously

straddled the worlds of popular culture photojournalism and left politics Miles Orvell author of American Photography and John Vachon's America Photographs and Letters from the Depression to World War II UC Press Groundbreaking Anthony Lee and Richard Meyer delve deeply into a rich archive of media and exhibition history criticism and biography to arrive at original interpretations of the most enigmatic photographer in modern visual and print culture Jordana Mendelson author of Documenting Spain Artists Exhibition Culture and the Modern Nation 1929 1939 **Specters of War** Elisabeth Bronfen, 2012-10-03 Specters of War looks at the way war has been brought to the screen in various genres and at different historical moments throughout the twentieth century and into the twenty first Elisabeth Bronfen asserts that Hollywood has emerged as a place where national narratives are created and circulated so that audiences can engage with fantasies ideologies and anxieties that take hold at a given time only to change with the political climate Such cultural reflection is particularly poignant when it deals with America's traumatic history of war The nation has no direct access to war as a horrific experience of carnage and human destruction we understand our relation to it through images and narratives that transmit and interpret it for us Bronfen does not discuss actual conflicts but the films by which we have come to know and remember them including All Quiet on the Western Front The Best Years of Our Lives Miracle at St Anna The Deer Hunter and Flags of Our Fathers Battles and campaigns the home front and women who wait narratives war correspondents and court martials are also explored as instruments of cultural memory Bronfen argues that we are haunted by past wars and by cinematic re conceptualizations of them and reveals a national iconography of redemptive violence from which we seem A Fearless Eve: The Photography of Barbara Ramos Barbara Ramos, 2025-02-11 A captivating volume unable to escape that transports us onto the San Francisco streets of the 1970s through the black and white images of a previously unknown master of 20th century photography Barbara Ramos Published for the first time in A Fearless Eye Ramos s work captures minute and mesmerizing everyday scenes in a city that was about to change drastically The New York Times Book Review Ramos s decision to release A Fearless Eye now after a 50 year hiatus from photography is certainly a gift to California and beyond But it s especially a gift to those of us who love San Francisco its streets its people its history Ramos has frozen each of those in time and given us a gorgeous permanent record of this city's past KQED Unearthed fifty years after they were originally taken Ramos s photographs offer up stirring scenes from everyday life a group of Hari Krishnas sing on Market Street a window dresser changes a mannequin at the Union Square Macy s two men lean in for a kiss at a peace rally in Golden Gate Park A Fearless Eye brings Ramos s images to print for the very first time introducing audiences to a photographer whose work belongs alongside that of Robert Frank Diane Arbus and Vivian Maier Featuring a preface by award winning novelist and essayist Rachel Kushner an essay by photography historian Sally Stein and an interview with Ramos by photographer and writer Stephen A Heller this enthralling street photography book is a fascinating time capsule of a bygone moment in California history FILM PHOTOGRAPHY BOOK In his profile of Barbara Ramos in Black White magazine

Stephen A Heller calls her photographs startling in their humanity objectivity and originality observing that they deserve to share center stage with those of Frank Maier Arbus and Friedlander A Fearless Eye provides an exciting introduction to this previously unsung talent through a curated selection of Ramos s incredible archival images REDISCOVERED FEMALE ARTIST Throughout the early 1970s Barbara Ramos became obsessed with exploring the world through her camera but she was forced to switch careers to make a living at the time The rediscovery of her photographs is now leading to overdue public recognition of her work including a prominent Black White magazine profile and an exhibit at the Sanchez Art Center in Pacifica SAN FRANCISCO HISTORY GEM This volume celebrates the people and history of San Francisco It s a charming tribute to the city with a uniquely vintage visual flavor a must have for longtime residents and visitors alike Perfect for Lovers of vintage historical and street photography San Francisco residents visitors and armchair historians Museum goers and fans of such renowned American photographers as Diane Arbus Vivian Maier and Robert Frank Fans of Barbara Ramos s unconventional story and unparalleled work Making It Like a Man Christine Ramsay, 2011-10-07 Making It Like a Man Canadian Masculinities in Practice is a collection of essays on the practice of masculinities in Canadian arts and cultures where to make it like a man is to participate in the cultural sociological and historical fluidity of ways of being a man in Canada from the country's origins in nineteenth century Victorian values to its immersion in the contemporary post modern landscape The book focuses on the ways Canadian masculinities have been performed and represented through five broad themes colonialism nationalism and transnationalism emotion and affect ethnic and minority identities capitalist and domestic politics and the question of men's relationships with themselves and others Chapters include studies of well known and more obscure figures in the Canadian arts and culture scenes such as visual artist Attila Richard Lukacs writers Douglas Coupland Barbara Gowdy Simon Chaput Thomas King and James De Mille filmmakers Clement Virgo Norma Bailey John N Smith and Frank Cole as well as familiar and not so familiar tokens of Canadian masculinity such as the hockey hero the gangsta rapper the immigrant farmer and the drag king Making It Like a Man is the first book of its kind to explore and critique historical and contemporary masculinities in Canada with a special focus on artistic and cultural production and representation It is concerned with mapping some of the uniquely Canadian places and spaces in the international field of masculinity studies and will be of interest to academic and culturally informed audiences The Holocaust and Masculinities Björn Krondorfer, Ovidiu Creangă, 2020-04-01 Critically assesses the experiences of men in the Holocaust In recent decades scholarship has turned to the role of gender in the Holocaust but rarely has it critically investigated the experiences of men as gendered beings Beyond the clear observation that most perpetrators of murder were male men were also victims survivors bystanders beneficiaries accomplices and enablers they negotiated roles as fathers spouses community leaders prisoners soldiers professionals authority figures resistors chroniclers or ideologues This volume examines men s experiences during the Holocaust Chapters first focus on the years of genocide Jewish victims of National Socialism Nazi

soldiers Catholic priests enlisted in the Wehrmacht Jewish doctors in the ghettos men from the Sonderkommando in Auschwitz and Muselm nner in the camps The book then moves to the postwar context German Protestant theologians Jewish refugees non Jewish Austrian men and Jewish masculinities in the United States The contributors articulate the male experience in the Holocaust as something obvious the everywhere of masculinities and yet invisible the nowhere of masculinities lending a new perspective on one of modernity s most infamous chapters. This is a carefully constructed and field defining work that will influence a generation of new scholars and be cited and discussed for years to come It builds on the existing scholarship on women and the Holocaust in a way that enriches our understanding of the intersectionality of masculinity and femininity Zo Waxman author of Women in the Holocaust A Feminist History The contributors articulate some of the challenges for studying masculinity with regards to victims of the Holocaust making a convincing case for the benefits to be gained from doing so Clayton J Whisnant author of Queer Identities and Politics in Germany A History 1880 1945 Challenging the Myth of Gender Equality in Sweden Griffin, Gabriele, Martinsson, Lena, Katarina Giritli Nygren, 2017-09 Sweden has the reputation of being one of the most gender equal countries in the world and it is often held up as a model for other societies but the reality is much more complicated as this volume shows The first book to provide a thorough analysis of the myth of Swedish gender equality it demonstrates how that dominant idea has become a form of heteronormative racially specific nationalism that ultimately excludes those who fall outside the social norm **Culture in the 1950s** Martin Halliwell, 2007-03-13 This book provides a stimulating account of the dominant cultural forms of 1950s America fiction and poetry theatre and performance film and television music and radio and the visual arts Through detailed commentary and focused case studies of influential texts and events from Invisible Man to West Side Story from Disneyland to the Seattle World's Fair from Rear Window to The Americans the book examines the way in which modernism and the cold war offer two frames of reference for understanding the trajectory of postwar culture. The two core aims of this volume are to chart the changing complexion of American culture in the years following World War II and to provide readers with a critical investigation of the 1950s The book provides an intellectual context for approaching 1950s American culture and considers the historical impact of the decade on recent social and cultural developments The New Encyclopedia of **Southern Culture** Nancy Bercaw, Ted Ownby, 2014-02-01 This volume of The New Encyclopedia of Southern Culture reflects the dramatic increase in research on the topic of gender over the past thirty years revealing that even the most familiar subjects take on new significance when viewed through the lens of gender The wide range of entries explores how people have experienced understood and used concepts of womanhood and manhood in all sorts of obvious and subtle ways The volume features 113 articles 65 of which are entirely new for this edition Thematic articles address subjects such as sexuality respectability and paternalism and investigate the role of gender in broader subjects including the civil rights movement country music and sports Topical entries highlight individuals such as Oprah Winfrey the Grimke sisters and Dale Earnhardt

as well as historical events such as the capture of Jefferson Davis in a woman's dress the Supreme Court's decision in Loving v Virginia and the Memphis sanitation workers strike with its slogan I AM A MAN Bringing together scholarship on gender and the body sexuality labor race and politics this volume offers new ways to view big questions in southern history and Fashion Cultures Revisited Stella Bruzzi, Pamela Church Gibson, 2013-12-04 Following on from the ground culture breaking collection Fashion Cultures this second anthology Fashion Cultures Revisited contains 26 newly commissioned chapters exploring fashion culture from the start of the new millennium to the present day The book is divided into six parts each discussing different aspects of fashion culture Shopping spaces and globalisation Changing imagery changing media Altered landscapes new modes of production Icons and their legacies Contestation compliance feminisms Making masculinities Fashion Cultures Revisited explores every facet of contemporary fashion culture and the associated spheres of photography magazines and television and shopping Consequently it is an ideal companion to those interested in fashion studies cultural studies art film fashion history sociology and gender studies The Astronaut Dario Llinares, 2011-05-25 The Astronaut Cultural Mythology and Idealised Masculinity interrogates the historical and cultural dynamics of one of the most revered icons of the 20th century Analysing a diverse range of cultural representations the book postulates the construction of an intertextual mythology through which the astronaut becomes an embodiment of American ideological values and heroic manhood The discursive processes at work in the range of media texts examined serve to embed the astronaut into the cultural imaginary as a largely coherent and uncontested exemplar of idealised masculinity Using a range of interdisciplinary analytical tools the book examines how the social construction of this masculine ideal iterates and naturalises gender hegemony The book situates the astronaut within the context of a modern postmodern theoretical framework linking shifts in gender perspectives to the contradictory narratives and characterisations that inform the mediation of the astronaut In so doing the book argues for a re evaluation of the often oversimplified use of the term hegemonic masculinity as an anchoring point for the critique of masculinity. The strength of this work is its interdisciplinary diversity and its interconnection of a range of themes including gender representation history ideology the postmodern and the media Drawing upon contemporary theoretical debates while redeploying seminal theoretical texts the book offers new cultural interrogations of a highly familiar historical subject Good Pictures Kim Beil, 2020-06-23 A picture rich field guide to American photography from daguerreotype to digital We are all photographers now with camera phones in hand and social media accounts at the ready And we know which pictures we like But what makes a good picture And how could anyone think those old styles were actually good Soft focus yearbook photos from the 80s are now hopelessly and happily outdated as are the low angle portraits fashionable in the 1940s or the blank stares of the 1840s From portraits to products landscapes to food pics Good Pictures proves that the history of photography is a history of changing styles In a series of short engaging essays Kim Beil uncovers the origins of fifty photographic trends and investigates their original appeal their decline and

sometimes their reuse by later generations of photographers Drawing on a wealth of visual material from vintage how to manuals to magazine articles for working photographers this full color book illustrates the evolution of trends with hundreds of pictures made by amateurs artists and commercial photographers alike Whether for selfies or sepia tones the rules for good pictures are always shifting reflecting new ways of thinking about ourselves and our place in the visual world

Getting the Picture Jason E. Hill, Vanessa R. Schwartz, 2020-09-08 Powerful and often controversial news pictures promise to make the world at once immediate and knowable Yet while many great writers and thinkers have evaluated photographs of atrocity and crisis few have sought to set these images in a broader context by defining the rich and diverse history of news pictures in their many forms For the first time this volume defines what counts as a news picture how pictures are selected and distributed where they are seen and how we critique and value them Presenting the best new thinking on this fascinating topic this book considers the news picture over time from the dawn of the illustrated press in the nineteenth century through photojournalism's heyday and the rise of broadcast news and newsreels in the twentieth century and into today s digital platforms It examines the many kinds of images sport fashion society celebrity war catastrophe and exoticism and many mediums including photography painting wood engraving film and video Packed with the best research and full colour illustrations throughout this book will appeal to students and readers interested in how news and history are The Privilege of Crisis Elahe Haschemi Yekani, 2011-03-07 Despite the key sources of our rich visual culture understanding of scholars that masculinity far from being a natural or stable concept is in reality a social construction the culture at large continues to privilege an idealized coherent male point of view The Privilege of Crisis draws on the work of authors such as H Rider Haggard Rudyard Kipling and Joseph Conrad as well as contemporary postcolonial writers such as J M Coetzee Hanif Kureishi and Zadie Smith to show how recurrent references to a crisis of masculinity or the decline of masculinity serve largely to demonstrate and support positions of male privilege Paparazzi Kim McNamara, 2015-12-22 Paparazzi photography has emerged as a key element in today s media landscape This book charts the historical and cultural significance of the industry profiles its protagonists and discusses how its imagery of celebrity have become a major part of media consumption Kim McNamara examines the various ways in which the controversial paparazzi industry is structured including its workforce practices development of image markets and how it has been reconfigured during the transition from analogue paper based photography to digital platforms It adds to the literature on celebrity studies unraveling the importance of the paparazzi to celebrities and the integral nature of images both spontaneous and staged to public relations and marketing content Based on interviews worldwide with key industry players including agency managers photo editors and photographers from Los Angeles to London the book argues that the paparazzi should be given central importance in any analysis of media culture
