Overcoming Adversity: The 2010 NBA All-Stars Tex Greene, 2023-11-09. Why are these grown men getting paid millions of dollars to play a child's game? Inevitably, if you've been around the game of basketball long enough, you've heard some cynical adult ask this question. It seems fair: getting paid millions to play basketball every night in front of adoring fans does sound like one of the easiest gigs in the world. But there's a lot more to it than that. No one has an easy journey to reap the rewards waiting for them at the highest level of basketball. Only 3 percent of high school athletes earn scholarships to play in college, and only 0.03 percent turn pro. Of those 0.03 percent, there are only so many who have successful careers; make the millions players dream of and don't go broke almost immediately after retiring. There's plenty of elite hoopsters, but to make it to the highest level of basketball, you have to be the best in the world. One thing all the elite players have in common: insane work ethics and, sometimes, some luck in genetics. Inside this book, you'll find stories of the relentless work and hours that these stars have put in when all the lights are shut off, no one's watching, and it's just them and the basketball. Because when basketball is someone's only ticket out of a rough life—gang wars, drugs, and violence—you won't believe how good at the game they'll become.

Tiger & Phil Bob Harig, 2025-09-23. Bob Harig's *Tiger & Phil* provides an in-depth chronicle of the decades-long rivalry that drove the success of golf's two biggest stars, Tiger Woods and Phil Mickelson. For more than two decades, there have been two golfers who have captivated, bemused, inspired, frustrated, fascinated, and entertained us, and in doing so, have demanded our attention: Tiger Woods and Phil Mickelson. Even with all the ink that has been spilled on Tiger, no one has ever written about his relationship with Phil and how their careers have been inextricably intertwined. Furthermore, very little has been written about Phil Mickelson, who is more than just an adversary. He is a fascinating Hall of Fame golfer in his own right. These two biggest names and draws in golf have, for better and for worse, been the ultimate rivals. But it is so much more complicated than that. Each player has pushed the other to be better. They have teased each other and fought. They have battled to the bitter end on the course, making for some of the greatest

moments in the game for the last 20 years They have each gone through injury and health problems legal problems falling in and out of favor with the press And over the course of their time together in the game they have gradually become not just rivals but friends In the tradition of major bestsellers such as *Arnie Jack When the Game Was Ours The Rivals* and *Brady vs Manning Tiger Phil* will change the way we look at these players and the game itself *Duke - Carolina Art Inc.*
