Alex Evans, 2009 Global food prices have eased significantly from their record highs in the first part of 2008 As a worldwide economic downturn has gathered pace commodity markets have weakened significantly By October 2008 the UN Food and Agriculture Organization s Food Price Index stood at 164 the same level as in August 2007 and 25% lower than the Index s high of 219 in June 2008 However this does not mean that policy makers around the world can start to breathe a sigh of relief For one thing even at their somewhat diminished levels current

prices remain acutely problematic for low income import dependent countries and for poor people all over the world The World Bank estimates that higher food prices have increased the number of undernourished people by as much as 100 million from its pre price spike level of 850 million

Wesley Allen, 2013-11-06 Two trends in the early twenty first century intersect to give this volume immediate relevance 1 The emerging postmodern ethos in North America is calling into question many things we have taken for granted including the purposes of the church and 2 our time is increasingly fractious as groups with distinct worldviews become polarized and often antagonistic Eleven noted contributors join a growing current that sees conversation as an image to refresh our thinking about the nature and purpose of the church and as a process in which individuals and communities with different perspectives come together for real understanding Under the Oak Tree employs the image of Sarah and Abraham greeting three visitors under the Oaks of Mamre as an image for the church as a community of conversation a community that opens itself to the otherness of the Bible voices in history and tradition others in the contemporary social and ecological worlds Furthermore the book shows how conversation can lead the church to action The book takes a practical approach by exploring how conversation can shape key parts of the church s life Topics include preaching worship formation evangelism pastoral care mission and ecumenism social witness and the relationship of Christianity to other religions Foundational chapters consider God as conversational the church as community of conversation and the minister as conversation leader
