

MEMOIRS OF A WORLD WAR II U-BOAT OFFICER

Shooting the War

Otto Giese and Capt. James E. Wise, Jr., USA (Ret.)

Shooting The War Memoirs Of A World War Ii U Boat Officer

Larry Bond

Shooting The War Memoirs Of A World War II U Boat Officer:

Shooting the War Otto Giese, 1994 The war diary of former German naval officer Otto Giese recounts a seafaring career of extraordinary scope It begins with the dawning of World War II while the author is a junior officer on board the ocean liner SS Columbus and continues through his confinement in a British prisoner of war camp after the war Readers will be moved by the author's ability to put a human face on the German experience of the war The book contains more than 100 Leica quality photographs an exceptional assortment taken by Giese throughout his wartime service that offers a unique historical overview Also included are vivid accounts of the scuttling of the Columbus furtive blockade running and the arduous life of the men who served in Germany's fleet of gray wolves as they prowled the polar sea and other remote corners of the world Even with Germany's surrender the war was far from over for Giese and his comrades who remained deep in the Malayan jungle until captured by the British and imprisoned in the infamous Changi Jail Interspersed among tales of hardship and loss are colorful anecdotes that relay joy and camaraderie Whether it be plots to escape detention at Angel Island the unlikely processing of German seamen at Ellis Island or a stint policing guerrilla warfare in the Malayan jungle the author greets the incongruous moments of war and life with equanimity At the same time his memoirs offer an unwavering assessment of the dictates of duty

Shooting the War Otto Giese, James E. Wise, 1994 A war diary of a former German naval officer which encompasses a seafaring career of unusual breadth It begins with the dawning of World War II with the author a junior officer on board the ocean liner SS Columbus and continues to his confinement by the British in Changi Gaol after the war

The Allies Strike Back, 1941-1943 James Holland, 2020-02-26 Volume two in this expert anecdote filled thoroughly entertaining history of WWII follows The Rise of Germany as the Allied forces turn the tides Kirkus James Holland's The Rise of Germany the first volume in his War in the West trilogy was widely praised for his impeccable research and lively narrative Covering the dawn of World War II it ended at a point when the Nazi war machine appeared to be unstoppable Germany had taken Poland and France with shocking speed London was bombed and U boats harried shipping on the Atlantic But Germany hadn't actually won the Battle of Britain or the Battle of the Atlantic It was not producing airplanes or submarines fast enough And what looked like victory in Greece and Crete had expended crucial resources in short supply The Allies Strike Back continues the narrative as Germany's invasion of Russia unfolds in the east while in the west the Americans formally enter the war In North Africa following major setbacks at the hands of Rommel the Allies storm to victory Meanwhile the bombing of Germany escalates aiming to not only destroy the its military industrial and economic system but also relentlessly crush civilian morale Comprehensive and impeccably researched Holland brings a fresh eye to the ebb and flow of the conflict in this majestic saga of 20th century history Literary Review UK

Germany's Last Mission to Japan Joseph M Scalia, 2009-03-01 When U 234 slipped out of a Norwegian harbor in March 1945 destined for Japan it was loaded with some of the most technically advanced weaponry and electronic detection devices of the era along with a select group of

officials En route word came that Germany had surrendered and the boat's commander suddenly found himself with a rogue submarine a precious assortment of cargo and two Japanese naval officers still at war This dramatic account of the voyage offers an intriguing look at the individuals involved One of these individuals was Luftwaffe General Ulrich Kessler who was a member of Von Stauffenberg's Valkyrie conspiracy to assassinate Hitler Kessler was aboard U 234 to escape the wrath of Hitler because he had been tabbed by Von Stauffenberg to replace Hermann Goering as the commander of the Luftwaffe Scalia draws on U S Navy interrogation records European and Japanese archives and interviews with former U 234 crew members and other principals to develop a full portrait of the group He also evaluates the technology of the armament on board which included 560 kg of uranium oxide whose presence continues to provoke questions about a Nazi plan to build an atom bomb in Japan

Sailors' Journey Into War Robert A. Maher, James E. Wise, 1998 In 1943 the navy destroyer USS Borie and a German U boat were engaged in a fierce battle north of the Azores Islands This personal account from a crew member of the Borie follows the action as well as illustrating the determination and courage shown by servicemen during the war as a whole

U-boat Operations of the Second World War: Career Histories, U511-UIT25 Kenneth G. Wynn, 1997

The Rise of Germany, 1939-1941 James Holland, 2015-10-14 An account of the early years of World War II based on extensive new research A genuinely fresh approach exceptional The Wall Street Journal James Holland one of the leading young historians of World War II has spent over a decade conducting new research interviewing survivors and exploring archives that have never before been so accessible to unearth forgotten memoirs letters and official records In The Rise of Germany 1938 1941 Holland draws on this research to reconsider the strategy tactics and economic political and social aspects of the war The Rise of Germany is a masterful book that redefines our understanding of the opening years of World War II Beginning with the lead up to the outbreak of war in 1939 and ending in the middle of 1941 on the eve of Operation Barbarossa the Nazi invasion of Russia this book is a landmark history of the war on land in the air and at sea Magnificent Andrew Roberts New York Times bestselling author of The Storm of War

U-boat Operations of the Second World War: Career histories, U1-U510 Kenneth G. Wynn, 1997 The first of two volumes covering the career histories of all of the U boats which saw action in World War II The histories of some 1200 vessels are covered and each entry aims to be easily accessible Every aspect of a boat's activities are covered from laying the keel to its ultimate fate Each entry gives locations and dates of units and any boats served with commanders number of patrols undertaken ships sunk along with names of vessels and locations incidents of note re fuelling by U tankers and supply ships attacks on shipping survivors picked up and finally the ultimate fate Appendices allow cross referencing and contain such material as Deutsches Feldpost Numbers

Wolf Jordan Vause, 2017-02-15 Cultivated by the Allied press during the war and fostered by movies and novels ever since the image of a U boat skipper held by most Americans is the personification of evil the wolf who stalks innocents Quite the opposite image is shared by U boat veterans and others sympathetic to their work the knight who endures unrivaled danger and fights nobly

Yet another popular image depicts the submarine operator as a beleaguered sailor swept along by events beyond his control This book examines the lives of many U Bootwaffe officers including the famous and the not so well known to see if a pattern emerges Drawing on a wealth of primary documents and when possible interviews or correspondence with the U boat commanders themselves Jordan Vause follows individual officers from their youths and early naval training through their wartime experiences and into the often bitter peace that followed His close examination of their lives reveals that many were extremely different from the pictures typically drawn of them and as varied in their thoughts and actions as other fighting men on both sides of the war Particularly valuable is the author s use of new information in his portrayal of Karl Doenitz and other prominent commanders to correct and enhance pictures presented in earlier books His use of personal correspondence and unpublished manuscripts loaned to him in Germany adds special significance to this study and its appeal to all those interested in World War II submarines and the U Bootwaffe

Anti-Submarine Warfare David Owen,2007-11-15 A deep dive into the tactics and technology used to defend against submarines from the opening of the First World War through World War II and beyond The submarine was undoubtedly the most potent purely naval weapon of the twentieth century In two world wars enemy underwater campaigns were very nearly successful in thwarting Allied hopes of victory indeed annihilation of Japanese shipping by US Navy submarines is an indicator of what might have been That the submarine was usually defeated is a hugely important story in naval history yet this is the first book to treat the subject as a whole in a readable and accessible manner It concerns individual heroism and devotion to duty but also ingenuity technical advances and originality of tactical thought What developed was an endless battle between forces above and below the surface where a successful innovation by one side eventually produces a countermeasure by the other in a lethal struggle for supremacy Development was not a straight line wrong ideas and assumptions led to defeat and disaster Iconography with dozens of photographs and often large format diagrams a vast bibliography and a complete and documented general approach make this volume a work of great quality and of great interest for all enthusiasts and scholars of this very interesting subject Storia Militare The modeller will not only find the text engaging but there is a superb collection of photographs and illustrations which of course include submarines corvettes and destroyers Subjects which the modeller increasingly appreciates Highly recommended

Model Boats Crash Dive Larry Bond,2011-03-29 They are the ultimate unseen deterrent in modern warfare Thousands of tons of steel missiles torpedoes and men lurking silently hundreds of feet underwater able to lie off any coastline and unleash a devastating hail of destruction with pinpoint accuracy They are the true masters of the oceans striking swift and unseen before slipping away ready to do it all over again at a moment s notice Submarines and their crews have long held a revered place in the military with a special place of honor reserved for those men who willingly seal themselves in what could amount to a nuclear powered coffin for months on end Although the submarine is a relatively recent development in the field of warfare many of the men who live and fight in these steel fish have already become legends Edited by bestselling author

Larry Bond *Crash Dive* collects the best nonfiction writing about these near silent killers of the deep and their crews From the tough Gato class boats that harassed the Japanese Navy during World War II to the cat and mouse games played by U S and Soviet submarines during the Cold War *Crash Dive* will take you inside the deep and deadly world of the military submarine

Air University Library Index to Military Periodicals, 1995 **Proceedings of the United States Naval Institute**
United States Naval Institute, 1921 **The Submariner's Dictionary Or Submariner's Compendium of Terms & Tar's Handbook of Naval Verbiage and Retired Guy's Re-familiarization Manual** Ron Martini, 2005 Submariners are a tight knit group of men bound together by training and experience and with a language all their own That language is perhaps a little vulgar but never intentionally demeaning and a little irreverent but still worldly This work is an attempt to preserve and explain some of these curious guys who so proudly wear a shiny metal pin that looks like a strange pair of fish on their left breast This process of accumulating this new language begins in Boot Camp and is added to with every change of duty station the sailor undergoes It is heard aboard the boats and unknowingly by family members who can't understand terms like head deck and overhead and who think SOS is a distress signal *Neither Sharks Nor Wolves* Timothy P Mulligan, 2011-08-15 Although countless books have been written about the U boat war in the Atlantic precious few facts have come to light about the men who served in the submarines that wrought such havoc on Allied ships Eager to get beyond the stereotypes perpetuated in movies and novels and find out who these elusive sailors really were archivist Timothy Mulligan started searching official records Eventually he went straight to the source conducting a survey of more than a thousand U boat officers and enlisted men and interviewing a number of them personally The result is this character study of the German submarine force that challenges traditional and revisionist views of the service Mulligan found striking similarities in the men's geographic and social origins education and previous occupations particularly within the specialized engineering and radio branches of the submarine force The information he gathered establishes quantifiable patterns in age length of service and experience as well as the organization's overall recruitment policies and training standards The numbers and losses of U boat personnel are also fully examined Beyond these objective characteristics this study lists such subjective factors as morale treatment of enemy ship survivors and the relationship of the submariners to the Nazi regime and it confirms a serious crisis in morale in late 1943 The roles played by the head of the U boat arm Grand Admiral Karl Donitz and its organizational chief Admiral Hans Georg von Friedeburg are thoroughly addressed Mulligan concludes that the U boat arm quickly evolved from a handpicked elite to a more representative sample of the German navy at large but continued to be treated as an elite force The only comprehensive investigation yet published this book also draws on POW interrogations of U boat survivors and documentation of Kriegsmarine personnel policy obtained from German archives

The Secret History of World War II Neil Kagan, Stephen Garrison Hyslop, 2016 From spy missions to code breaking this richly illustrated account of the covert operations of World War II takes readers behind the battle lines and deep into the

undercover war effort that changed the course of history From the authors who created Eyewitness to World War II and numerous other best selling illustrated reference books this is the shocking story behind the covert activity that shaped the outcome of one of the world s greatest conflicts and the destiny of millions of people National Geographic s landmark book illuminates World War II as never before by taking you inside the secret lives of spies and spy masters secret agents and secret armies Enigma machines and code breakers psychological warfare and black propaganda secret weapons and secret battle strategies Seven heavily illustrated narrative chapters reveal the truth behind the lies and deception that shaped the secret war eight essays showcase hundreds of rare photos and artifacts many never before seen more than 50 specially created sidebars tell the stories of spies and secret operations Renowned historian and top selling author Stephen Hyslop reveals this little known side of the war in captivating detail weaving in extraordinary eyewitness accounts and information only recently declassified Rare photographs artifacts and illuminating graphics enrich this absorbing reference book

U-boats Destroyed Paul Kemp,1997 **Hot Straight and Normal** Ron Martini,2001 Hot Straight and Normal is a submarine bibliography with over 6000 references to books videos articles and Internet sources It is designed to assist reseachers historians students teachers collectors and others with an interest in submarines their history construction and use in wars worldwide It s unique format of listing the books by title will assists the researcher and casual reader alike in finding or searching for familiar words and subjects Fiction book titles are also included Each listing contains title author date published publisher page count ISBN number and other informative descriptions if known This is the only submarine bibliography currently in publication The article index includes all articles in all issues of Naval Submarine League s Submarine Review and Naval Institute s Naval Proceedings magazine There are Web sites and other Internet sources listed and even information on obtaining more information through the Freedom of Information Act Also included is how to find materials inside government archives Collected and edited by a former U S submariner and member of U S Submarine Veterans Inc **Bibliography of Nautical Books** Alan Obin,2000-02 This is the 15th annual edition of the Bibliography of Nautical Books a reference guide to over 14 000 nautical publications It deals specifically with the year 2000 **The Mariner's Mirror Bibliography for ...** ,1997

Shooting The War Memoirs Of A World War II U Boat Officer Introduction

In today's digital age, the availability of Shooting The War Memoirs Of A World War II U Boat Officer books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Shooting The War Memoirs Of A World War II U Boat Officer books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Shooting The War Memoirs Of A World War II U Boat Officer books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Shooting The War Memoirs Of A World War II U Boat Officer versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Shooting The War Memoirs Of A World War II U Boat Officer books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Shooting The War Memoirs Of A World War II U Boat Officer books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it

an excellent resource for literature enthusiasts. Another popular platform for Shooting The War Memoirs Of A World War II U Boat Officer books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Shooting The War Memoirs Of A World War II U Boat Officer books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Shooting The War Memoirs Of A World War II U Boat Officer books and manuals for download and embark on your journey of knowledge?

FAQs About Shooting The War Memoirs Of A World War II U Boat Officer Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shooting The War Memoirs Of A World War II U Boat Officer is one of the best book in our library for free trial. We provide copy of Shooting The War Memoirs Of A World War II U Boat Officer in digital format, so the resources that you find are reliable. There are also many

Ebooks of related with Shooting The War Memoirs Of A World War II U Boat Officer. Where to download Shooting The War Memoirs Of A World War II U Boat Officer online for free? Are you looking for Shooting The War Memoirs Of A World War II U Boat Officer PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Shooting The War Memoirs Of A World War II U Boat Officer. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Shooting The War Memoirs Of A World War II U Boat Officer are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Shooting The War Memoirs Of A World War II U Boat Officer. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book?
