Chapman Pincher: Dangerous to Know Chapman Pincher, 2014-02-21 Harry Chapman Pincher is a legend among journalists As an investigative reporter he struck terror into those trying to hide the murky secrets of state After early careers as a teacher a scientist and a soldier Chapman Pincher joined Lord Beaverbrook's then all powerful Daily Express in the summer of 1945 and quickly became the master of the journalistic scoop His first splash a top secret account of the development of the atomic bomb sparked a furious transatlantic row It was only the start of a career in which his name became synonymous with high level exclusives from the most secret corners of government When he finally retired from journalism the leaks kept coming leading to a series of bestselling books on the infiltration of Britain's intelligence services by Moscow culminating in his allegation that the head of MI5 was in fact a Soviet spy In *Dangerous to Know* Chapman Pincher took pen to paper to describe the extraordinary events he witnessed and the varied characters he encountered Colourful indiscreet and compelling this is the life of a true journalistic colossus and a revealing description of the century he bestrode *Big Game Shooting* Clive Phillipps-Wolley, 1894 **Big Game Shooting: Africa and Northern America** Clive Phillipps-Wolley, 1894 **Debrett's New Guide to Etiquette & Modern Manners** John Morgan, 2024-08-06 The refinement of the past meets the pragmatism of the present in this sparkling portrayal of modern etiquette In an era where traditional norms are often sidelined Debrett's New Guide to Etiquette and Modern Manners emerges as a beacon of hope tactfully intertwining the timeless elegance of decorum with a modern twist to fit the intricacies of the twenty first century From the simplicity of basic table manners to the sophisticated protocols required at high profile diplomatic gatherings the expertly curated advice is both practical and easy to implement Celebrating the charm allure and perpetual importance of traditional courtesy this guide is more than a manual it's an ode to the civility of a bygone era and a definitive guide on carrying forth its spirit into the contemporary world Landed Estates and Rural Inequality in English History Eric L.

Jones,2018-03-22 Based on a detailed investigation of local sources this book examines the history of the landed estate system in England since the mid seventeenth century Over recent centuries England was increasingly occupied by landed estates run by locally dominant and nationally influential owners Historically newcomers adopted the behaviour of existing landowners all of whom presided over a relatively impoverished mass of rural inhabitants Preferences for privacy and fine views led landowners to demolish or remove some whole villages Alongside extensive landscape remodelling rights of way were often privatised imposing a cost on the economy Social and environmental implications of the landed system as a whole are discussed and particular attention is paid to the nineteenth century investment of industrial profits in estates Why was the system so attractive and how was it perpetuated Matters of poverty and inequality have always been of perennial interest to scholars of many persuasions and to the educated public with this important book surveying environmental concerns in addition

Nothing But Grass Will Cohu,2015-06-11 In the summer of 1875 two travellers walk south across the Lincolnshire Wolds to a village riven with dark secrets When Norman Tanner kills his workmate on a cold February morning a century later he thinks he s got away with murder But Norman doesn t know about the workmate s girlfriend or the child that will come back to haunt him and how he is caught up in a story that stretches back to that Victorian summer For some in the village of Southby and its nearby grand estate man is master of his fate and the world is full of meaning for others there is nothing but grass

Creed's Law Kerry Newcomb,2001-12-09 Billy Anthem is a long way from Texas when he comes to the Pacific Coast town of Calamity Bay On his way north Billy survives a bushwhacking and ends up deputized by a sheriff who needs someone to trust For a decade Calamity Bay has been in the grip of one man Following a brutal murder Noah Creed and his sons want a murder suspect hanged no matter what the evidence shows no matter what the law says Bound by a promise and more than a little interested in a woman Billy knows this is no time to be moving on But he doesn t know how explosive the truth is or how desperate the Creeds really are Now for a Texan a long way from there s only one choice to be armed and ready for anything in a place where he belongs

The Sandy Knoll Murder, Legacy of the Sheepshooters Melany Tupper,2010-12-23 The Sandy Knoll Murder Legacy of the Sheepshooters is the true story of the high profile 1904 murder of John Creed Conn who disappeared in the midst of central Oregon s bloody range war period That circumstance has always been believed to have precipitated his death Sensational and intriguing the details of the murder held the reading public in rapt attention with articles appearing on the front page of the Oregonian for nine months after Conn s mysterious disappearance It is not very often that a prominent man a celebrity vanishes from the main street of an Oregon town in broad daylight And even less often does a missing man s body reappear on a small sandy knoll outside of that same town seven weeks later This work is the result of six years of painstaking research that encompassed eighty other homicides and suspicious deaths of the period Conn s life and relationships the circumstances of his death and all that was ever written by and about the sheepshooters All of the planning that the killer put into making Conn vanish showed a high level of control

and organization on his part But he did unwittingly leave some clues to his identity and they could be traced like fingerprints through the ink of the newspapers of the day Other clues were left like footprints in the soil surrounding the Sandy Knoll and in the behaviors that he exhibited there Conn was the brother of a district attorney and a member of a politically prominent and well connected family He was a local celebrity and a respected figure and there could be no doubt that a massive man hunt and investigation would ensue Every effort has been made to adhere to the facts of the case long held as the legacy of the sheepshooters The Creed Conn murder was then and remains today one of the most sensational in the history of the state of Oregon *Bushwhacked* C. Courtney Joyner,2017-12-26 The first two Shotgun Westerns starring John Shotgun Bishop

part man part killing machine and all vengeance Shotgun Dr John Bishop saw his share of death in the Civil War Then a gang of outlaws invaded his home slaughtered his family and cut off his arm Vowing revenge Bishop has a gunsmith attach a special shotgun rig where his left arm used to be Now the man called Shotgun rides deep into the Colorado winter to find and kill the men who murdered everything he once held dear a journey that will force him to confront the violent legacy of his own outlaw brother Devlin a crazy mean cuss who d steal the horns off the devil himself The Bleeding Edge This time Dev s got his cold black heart set on taking over John Chisum s land destroying the cattle king s dream of building a new town and laying down tracks for the railroad So Chisum hires Shotgun to protect his investment But when the Bishop family feud turns into an all out turf war Shotgun ends up on the wrong side of the law stuck in the middle between the devil he knows and two deadly new players Their names are Billy the Kid and Pat Garrett And this time there will be blood **Chironian**
