Shopping In Style London From The Restoration To Edwardian Elegance:

Shopping in Style: London from the Restoration to Edwardian Elegance Alison Adburgham, 1979 Fashioning the Victorians, 2018-05-17 Offering a unique anthology of primary texts this sourcebook opens a window on the writing that shaped and mirrored Victorian fashion taking us from corsets to crinolines dandies to decadent New Women A user friendly collection that provides a solid grounding in the fashion history of the nineteenth century it brings together for the first time sources that trace the evolution of dress and the social cultural and political discourses that influenced it Featuring seminal writings by authors and commentators such as Oscar Wilde Thorstein Veblen and Sarah Stickney Ellis plus satirical cartoons illustrations and fashion plates from key sources such as Punch magazine it combines primary texts and illustrations with accessible explanatory notes to offer a wide ranging overview of the period for both students and researchers Each section opens with an introduction that examines the major trends in Victorian clothing and the material economic scientific and cultural forces driving those trends situating the texts in the pressing social anxieties and pleasures of the time Exploring both menswear and womenswear and key topics such as corsetry dress reform and mourning Mitchell extends her analysis into interdisciplinary fields including gender studies and literature and guides the reader with a timeline glossary and further readings Romanticism and the Painful Pleasures of Modern Life Andrea K. Henderson, 2008-03-20 An exploration of the Romantic obsession with power submission and masochism through readings of Byron Keats Burney and others **Labour and the Poor in England and Wales, 1849-1851: Lancashire, Cheshire, Yorkshire** Jules Ginswick, 1983 The letters to The Morning chronicle from the correspondents in the manufacturing and mining districts the towns of Liverpool and Birmingham and the rural districts **Labour and the Poor in England and Wales, 1849-1851** Jules Ginswick, 2017-09-25 First Published in 1983 Routledge is an imprint of Taylor Francis an informa company **London and the Culture of Homosexuality, 1885-1914** Matt Cook, 2003 London and the Culture of Homosexuality explores the relationship between London and male homosexuality from the criminalisation of all acts of gross indecency between men in 1885 to the outbreak of the First World War in 1914 years marked by an intensification in concern about male male relationships and also by the emergence of an embryonic homosexual rights movement Taking his cue from literary and lesbian and gay scholars urban historians and cultural geographers Matt Cook combines discussion of London s homosexual subculture and various major and minor scandals with a detailed examination of representations in the press in science and in literature The conjunction of approaches used in this study provides fresh insights into the development of ideas about the modern homosexual and into the many different ways of comprehending and taking part in London s culture of homosexuality *Routledge Library Editions: The History of Social Welfare* Various, 2021-08-05 This set of 25 volumes originally published between 1805 and 1992 amalgamates original nineteenth century material and more recent research and analysis on the development of social welfare in Britain and Europe From Elizabethan poor relief through the Poor Laws of the nineteenth

century to the establishment of the British National Health Service in the mid twentieth century this set provides a comprehensive overview of the germination and establishment of modern social welfare Although the set mainly focuses on social welfare in Britain it also contains some work on welfare in Europe This set will be of keen interest to those studying the history of social welfare social policy poverty and class *An Economic History of London 1800-1914* Professor Michael Ball, David T Sunderland, 2001-04-26 In 1800 London was already the largest city in the world and over the course of the next century its population grew rapidly reaching over seven million by 1914 Historians have often depicted London after the Industrial Revolution as an industrial backwater that declined into the mass exploitation of labour through sweating dominated by City **Just Looking (Routledge Revivals)** Rachel Bowlby, 2009-11-18 The spectacular development of early consumer society in Britain France and the United States had a profound impact on constructions of femininity and masculinity and commercial and cultural values in the late nineteenth and early twentieth centuries Focusing on novels by Theodore Dreiser George Gissing and Emile Zola *Just Looking* first published in 1985 addresses itself to a central paradox of the period the perceived antithesis of the terms commerce and culture which emerged at a time which saw the actual drawing together of commercial and cultural practices Drawing on structural psychoanalytic and Marxist feminist theory Rachel Bowlby retrieves a relatively neglected literary area for contemporary political and theoretical concerns re establishing the naturalist novel as a rich source for feminists literary theorists and cultural historians **Animal Rights** Hilda Kean, 1998-08-01 In the late twentieth century animals are news Parliamentary debates protests against fox hunting and television programs like *Animal Hospital* all focus on the way in which we treat animals and on what that says about our own humanity As vegetarianism becomes ever more popular and animal experimentation more controversial it is time to trace the background to contemporary debates and to situate them in a broader historical context Hilda Kean looks at the cultural and social role of animals from 1800 to the present at the way in which visual images and myths captured the popular imagination and encouraged sympathy for animals and outrage at their exploitation From early campaigns against the beating of cattle and ill treatment of horses to concern for dogs in war and cats in laboratories she explores the relationship between popular images and public debate and action She also illustrates how interest in animal rights and welfare was closely aligned with campaigns for political and social reform by feminists radicals and socialists A thoughtful effective and well written book *The Scotsman* It could hardly be more timely and its wonderful material is bound to provoke reflection *The Independent* A work of great interest *Sunday Telegraph* Lively impressively researched and well written a book that is timely and valuable *Times Literary Supplement* A pleasing balance of anecdote and analysis *Times Higher Educational Supplement* *Luxury and Gender in European Towns, 1700-1914* Deborah Simonton, Marjo Kaartinen, Anne Montenach, 2014-09-04 This book conceives the role of the modern town as a crucial place for material and cultural circulations of luxury It concentrates on a critical period of historical change the long eighteenth and nineteenth centuries

that was marked by the passage from a society of scarcity to one of expenditure and accumulation from ranks and orders to greater social mobility from traditional aristocratic luxury to a new bourgeois and even democratic form of luxury This volume recognizes the notion that luxury operated as a mechanism of social separation but also that all classes aspired to engage in consumption at some level thus extending the idea of what constituted luxury and blurring the boundaries of class and status often in unsettling ways It moves beyond the moral aspects of luxury and the luxury debates to analyze how the production distribution purchase or display of luxury goods could participate in the creation of autonomous selves and thus challenge gender roles

British Economic and Social History R. C. Richardson, William Henry Chaloner, 1996 The Silver Fork Novel Edward Copeland, 2012-06-21 This first modern study of silver fork novels investigates their role in the alliance of middle class and aristocratic political principles

Sport's Relationship with Other Leisure Industries Benjamin Litherland, Dion Georgiou, 2017-01-12 This innovative and timely volume of essays critically interrogates the shared histories between sport and a variety of leisure entertainment and cultural pursuits Utilizing a range of historical methods and sources they describe how sport has interacted with a broad range of leisure forms including tourism shopping theatre circus carnival and film

Representing Lives A. Donnell, P. Polkey, 2000-06-01 Representing Lives Women and Auto biography is an eclectic and comprehensive collection of essays exploring contemporary issues and debates concerning women's auto biographical representations from a range of disciplinary perspectives With authoritative contributions from a number of prominent figures in the field of women's auto biography as well as innovative new voices this volume offers a broad and contemporary lens on the issues and debates relevant to the act of representing women's lives Drawing on a variety of theoretical frameworks and discussing theatre literature popular culture and women in history these essays help to map out some of the new intellectual spaces inhabited by feminist scholarship in the 1990s

The Creation of the Modern World Roy Porter, 2000 From a critically acclaimed author comes an engagingly written and groundbreaking new work that highlights the long underestimated British role in delivering the Enlightenment to the modern world Porter reveals how the monumental transformation of thinking in Great Britain influenced wider developments elsewhere of color illustrations

A Foot in the Past Giorgio Riello, 2006 During the Enlightenment in a society that was increasingly urbanised and mobile footwear was an essential item of apparel This book considers not only the practical but also the symbolic meaning of footwear in France and England during the period from the end of the seventeenth to the mid nineteenth century

Consuming Splendor Linda Levy Peck, 2005-09-19 A fascinating study of the ways in which consumption transformed social practices gender roles royal policies and the economy in seventeenth century England It reveals for the first time the emergence of consumer society in seventeenth century England

The Annotated Persuasion Jane Austen, David M. Shapard, 2012-02-02 From the editor of the popular Annotated Pride and Prejudice comes an annotated edition of Jane Austen's Persuasion that makes the beloved novel an even more satisfying and fulfilling read Here is the complete text of Persuasion

with hundreds of annotations on facing pages including Explanations of historical context Citations from Austen's life letters and other writings Definitions and clarifications Literary comments and analysis Plentiful maps and illustrations An introduction a bibliography and a detailed chronology of events Packed with all kinds of illuminating information from what Bath and Lyme looked like at the time to how bathing machines at seaside resorts were used to how Wentworth could have made a fortune from the Napoleonic Wars David M Shapard's delightfully entertaining edition brings Austen's novel of second chances vividly to life

Eastern Resonances in Early Modern England Claire Gallien, Ladan Niayesh, 2019-09-12

The concept of resonance collapses the binary between subject and object perceiver and perceived evoking a sound or image that is prolonged and augmented by making contact with another surface This collection uses resonance as an innovative framework for understanding the circulation of people and objects between England and its multiple Asian Easts Moving beyond Saidian Orientalism to engage with ongoing critical conversations in the fields of connected history material culture and thing theory it offers a vibrant range of case studies that consider how meanings accrue and shift through circulation and interconnection from the sixteenth to the early nineteenth century Spanning centuries of traveling translations narratives myths practices and other cultural phenomena Eastern Resonances in Early Modern England puts forth resonance not just as a metaphor but a mode of investigation
