

*A Short  
History of  
The  
Interpretation  
of the  
Bible*

An introduction to the history of the  
methods used to interpret Scripture

**Robert M. Grant**

PROFESSOR OF NEW TESTAMENT  
UNIVERSITY OF CHICAGO

# Short History Of The Interpretation Of The Bible

**Paul M. Blowers, Peter W Martens**

## **Short History Of The Interpretation Of The Bible:**

**A Short History of the Interpretation of the Bible** Robert McQueen Grant, 1963 Today's interest in the question of the meaning of Scripture has roots in controversies as old as the Christian Church itself This book examines the principal methods which Christians have used to interpret the Bible with attention to their effect on the life and thought of the Church Its concern is with the times at which significantly new developments took place beginning with the interpretation of the Old Testament by Jesus and Paul Special attention is given to the early and formative period of Christian history followed by consideration of the schools of Alexandria and Antioch the medieval period the Reformation the Enlightenment the nineteenth century and a final chapter on recent developments *Interpretation of the Bible* George Holley Gilbert, 2015-06-25 Excerpt from *Interpretation of the Bible A Short History* This book surveys a great but neglected field The greatness of the field is not easily overestimated whether we regard its extent and complexity or its importance It stretches back through twenty centuries it touches both the intellectual and the religious life of Jew and Christian on many sides and it brings us into immediate contact with those processes which underlie all historic creeds and all our religious institutions Coleridge has somewhere remarked that the history of a word is often more interesting and significant than the history of a campaign That is most true also of the history of the interpretation of a word and especially a word of the Scriptures Out of their sound interpretation have come beneficial enfranchising influences which have been promotive of the best civilization while out of their misinterpretation has flowed the inspiration for the crudest wrongs in Christian history But this wide field of the history of interpretation has been neglected The English language has but one original work on the subject and even that with all its excellences practically omits one of the most fundamental sections in the history of interpretation viz the interpretation of the Old Testament in the New About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *A Short History of the Interpretation of the Bible* Robert Grant, 1996 **Short History of the Interpretation of the Bible** Robert M. Grant, 1948 **Basic Bible Interpretation** Roy B. Zuck, 2023-08-15 BASIC BIBLE INTERPRETATION Can the Bible really be understood Are Old Testament prophecies relevant for today How can I understand the symbolism of the Book of Revelation What is the relationship of the Old Testament to the New Testament Why study Bible interpretation Dr Roy Zuck points out that it is essential for understanding and teaching the Bible properly essential as a step beyond observation and essential for applying the Bible correctly He discusses the challenges of Bible interpretation considers the problems of Bible interpretation explores

the history of Bible interpretation and defines key terms all in a practical down to earth way Though Dr Zuck s many years of teaching and scholarship are evident in this book he has written in language understandable to all who are serious about bible study and who want to know better what Scripture means      **Interpretation of the Bible** George Holley Gilbert,1908

**Sacred Scripture** Richard N. Soulen,2010-02-01 How did the Bible s sixty six books become sacred Scripture How have they been understood and interpreted over the last two thousand years What was it that led to our acceptance of the Bible as the true word of God For two millennia Christians have accepted the importance of the Bible as sacred Scripture and for as many years they have struggled to comprehend its meaning Over the centuries the church has expressed the centrality of Scripture in numerous ways and Christians have studied and interpreted the Bible in a wide variety of faithful approaches Understanding that process is critical to our ability and our willingness to accept the Bible as sacred and true To that end Richard Soulen leads us through the history of how Christian understandings of the Bible have changed and developed throughout history      *Mormons and the Bible* Philip L. Barlow,1997-02-27

The Mormons have been one of the most studied American religious groups still no consensus exists about the essential nature of the movement or its place in American religion In this study Barlow analyzes the approaches taken to the Bible by key Mormon leaders from founder Joseph Smith up to the present day He shows that Mormon attitudes toward the Bible comprise an extraordinary mix of conservative liberal and radical ingredients an almost fundamentalist adherence to the King James Version of the Bible coexists with belief in the possibility of new revelation and surprising ideas on the limits of human language Exploring this unique Mormon stance on scripture Barlow takes important steps toward unraveling the mystery of this quintessential American religious phenomenon      **A Short History of the Interpretation of the Bible** Robert McQueen Grant,1965 First published in 1948

The Authority and Interpretation of the Bible Jack Rogers,Donald K. McKim,1999-02-05 This book is a detailed and comprehensive study of attitudes toward biblical authority and interpretation held from the beginnings of the Christian era to the present day In clear and readable fashion the authors examine the writings of early church fathers the medieval exegetes and the leaders of the Protestant Reformation to locate the source of and refute the position of inerrancy      *Protestant Biblical Interpretation* Bernard Ramm,1999-08-01 Since its publication in 1950 Protestant Biblical Interpretation has been a standard introduction to hermeneutics in evangelical colleges and seminaries Twice revised this textbook has sold well over 100 000 copies Now this venerable resource is available in a paperback edition Hermeneutics writes the author is the science and art of Biblical interpretation As such it forms one of the most important members of the theological sciences This is especially true for conservative Protestantism which looks on the Bible as the only authoritative voice of God to man After surveying the history of biblical interpretation the author devotes seventy pages to explicating the Protestant system of hermeneutics He then discusses the doctrinal devotional and practical uses of the Bible Following a chapter on the hermeneutical dimension of the problem of biblical inerrancy and secular science he concludes with chapters on the

interpretation of types prophecy and parables

#### **40 Questions About Interpreting the Bible** Robert L.

Plummer, 2021-05-25 A vital Bible resource used in classrooms and churches worldwide now revised and updated 40

Questions about Interpreting the Bible now in a revised second edition probes the most pressing problems encountered by churchgoers and beginning Bible students when they try to read and understand the Bible Using feedback received from pastors professors and Bible teachers New Testament professor Robert L Plummer includes updated information about Bible translations biblical interpretation and Bible study technology and streamlines previous portions to make room for a handful of new issues This second edition updated regarding Bible translations biblical interpretation trends and Bible related technology will continue to serve professors pastors and Bible study leaders as a go to guide or textbook New Testament scholar Robert L Plummer covers historical interpretive practical and theological matters such as Were the ancient manuscripts of the Bible transmitted accurately Why can't people agree on what the Bible means How do we interpret the Psalms How can I use the Bible in daily devotions Does the Bible teach that God wants Christians to be healthy and wealthy 40 Questions about Interpreting the Bible provides crucial assistance for students ready to engage with biblical scholarship and for teachers eager to lead Bible studies with confidence [The Oxford Handbook of Early Christian Biblical](#)

[Interpretation](#) Paul M. Blowers, Peter W Martens, 2019-05-21 The Bible was the essence of virtually every aspect of the life of the early churches The Oxford Handbook of Early Christian Biblical Interpretation explores a wide array of themes related to the reception canonization interpretation uses and legacies of the Bible in early Christianity Each section contains overviews and cutting edge scholarship that expands understanding of the field Part One examines the material text transmitted translated and invested with authority and the very conceptualization of sacred Scripture as God's word for the church Part Two looks at the culture and disciplines or science of interpretation in representative exegetical traditions Part Three addresses the diverse literary and non literary modes of interpretation while Part Four canvasses the communal background and foreground of early Christian interpretation where the Bible was paramount in shaping normative Christian identity Part Five assesses the determinative role of the Bible in major developments and theological controversies in the life of the churches Part Six returns to interpretation proper and samples how certain abiding motifs from within scriptural revelation were treated by major Christian expositors The overall history of biblical interpretation has itself now become the subject of a growing scholarship and the final part skilfully examines how early Christian exegesis was retrieved and critically evaluated in later periods of church history Taken together the chapters provide nuanced paths of introduction for students and scholars from a wide spectrum of academic fields including classics biblical studies the general history of interpretation the social and cultural history of late ancient and early medieval Christianity historical theology and systematic and contextual theology Readers will be oriented to the major resources for and issues in the critical study of early Christian biblical interpretation **A Guide to Biblical Commentaries and Reference Works, 11th Edition** John F.

Evans,2025-01-21 A Guide to Biblical Commentaries and Reference Works 11th Edition by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its usefulness for biblical interpretation The easy to use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library A Guide to Biblical Commentaries and Reference Works 11th Edition is a key reference tool for any student of the Bible pastors laity and scholars alike The Historical-Critical Method: A Guide for the Perplexed David R. Law,2012-04-26 Historical Critical Analysis is the main way in which the Bible both the Hebrew Bible Old Testament and the New Testament has been examined and read by scholars in the last century The term refers to a range of methodologies which examine the origins of biblical texts in relation to other contemporaneous texts to form critical approaches and to questions of authorship audience and authenticity The aim is to get as close to the original text and its original meaning as possible For many years Historical Critical Method has been the cornerstone upon which biblical scholarship is built even as modern studies examine other theoretical approaches to reading the text in history tradition and from different audience perspectives the Historical Critical Method still presents the crucial starting point for students and scholars Expository Hermeneutics Elliott Johnson,2023-10-30 Expository Hermeneutics invites the student on a journey to a life and ministry based on exposition of the Bible Hermeneutics provides a guide to understand the message and apply that message in its original setting and then in a comparative way in the contemporary day We adopt the Scriptures view of itself as God s word As a result we believe the Bible has a truth value as reflected in the canon of Scripture The goal of hermeneutics defines verbal meaning as the author s willed type message read as a whole book so that the message is communicated with a truth content to be understood The method of hermeneutics is both read in a circular pattern and practiced as an objective task It is objective in the sense that God authors a transhistorical message and the reader is aware of their own presuppositions and adopts those of Scripture As such the message can be validated in its truth content However this does not prove it true even though it provides an evidential conviction that the truth value has been understood **In Search of Ancient Roots** Kenneth J. Stewart,2017-10-31 Perceiving a disconnect between their Protestant tradition and ancient Christianity younger generations are abandoning evangelicalism for traditions that appear more rooted in the early church Surveying five centuries church history Ken Stewart argues for the rich Protestant connections to the Reformation and early Christianity **Holding Forth the Word of Life** John de Jong,Csilla Saysell,2020-04-09 Holding Forth the Word of Life is a collection of essays offered to honor Tim Meadowcroft on his retirement from Laidlaw College An international authority on Daniel over the last twenty five years Tim has established himself as one of New Zealand s leading biblical scholars While specializing in Old Testament Tim has taught and published in New Testament as well as hermeneutics and theological interpretation of Scripture Beyond academic work he has also remained committed to the church and its voice in wider society This collection of essays written by leading scholars from

New Zealand and beyond covers all of these areas Old Testament New Testament intertestamental texts hermeneutics theological interpretation of Scripture reception history and theological reflection on pressing issues facing society

**Romans: Three Exegetical Interpretations and the History of Reception** Daniel Patte, 2018-07-26 In the first of a three volume work Daniel Patte presents three very different critical exegeses of Romans 1 arguing that all are equally legitimate and hermeneutically plausible By expanding upon and respecting the exegeses of many erudite scholars of the last two centuries Patte concludes that three families of vastly different critical interpretations are fully justified traditional philological and epistolary studies rhetorical and sociocultural studies and figurative studies of the coherence of Paul's teaching Arising from a long standing interdisciplinary investigation of many receptions of Romans in light of recent diversification of exegetical methodologies Patte concludes that the interpretation of a scriptural text necessarily involves making a choice among equally legitimate and plausible alternatives and second that this choice is always contextual and ethical When these points are denied by failing to respect the interpretations of others and absolutizing one's interpretation instead of being a scriptural blessing Romans becomes a deadly weapon against others heretics Jews Shoah and many others The result is a threefold commentary of Romans 1 that is unique in its scope and thorough going exegesis **Theology**

**After Ricoeur** Dan R. Stiver, 2001-01-01 Dan Stiver presents the implications of Paul Ricoeur's hermeneutical philosophy for a postmodern theology by providing a comprehensive interpretation of Ricoeur and then applying Ricoeur's hermeneutical theory to biblical interpretation and theology Stiver situates Ricoeur's contributions in the Yale Chicago debate and shows how Ricoeur's textual theory provides a real alternative to George Lindbeck on the one hand and deconstruction on the other

### Short History Of The Interpretation Of The Bible Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Short History Of The Interpretation Of The Bible free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Short History Of The Interpretation Of The Bible free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Short History Of The Interpretation Of The Bible free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Short History Of The Interpretation Of The Bible. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu,

provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Short History Of The Interpretation Of The Bible any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Short History Of The Interpretation Of The Bible Books

1. Where can I buy Short History Of The Interpretation Of The Bible books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
