

A SHORT HISTORY OF THE UNITED STATES

"Although this history is short in terms of pages . . .
Mr. Remini makes every word and every sentence in
this fact-crammed book count." —*Washington Times*

FROM THE ARRIVAL OF NATIVE AMERICAN
TRIBES TO THE OBAMA PRESIDENCY

**ROBERT V.
REMINI**

Short History Of The United States

William M. Gouge

Short History Of The United States:

A Short History of the United States Robert V. Remini, 2024-03-19 From a National Book Award winner A Short History of the United States may be brief but it is wise eloquent and authoritative Jon Meacham Pulitzer Prize winner and New York Times bestselling author of And There Was Light Abraham Lincoln and the American Struggle Readers of all political stripes will appreciate this concise history of the United States Publishers Weekly an accessible and lively volume containing the essential facts about the discovery settlement growth and development of the American nation and its institutions including the arrival and migration of Native Americans the founding of a republic under the Constitution the emergence of the United States as a world power the outbreak of terrorism here and abroad the Obama presidency and everything in between Masterful a perfect history for our times Robert Dallek Pulitzer Prize finalist and author of Nixon and Kissinger Everything a casual or bewildered reader needs to know An objective narrative of this nation's history Publishers Weekly

A Short History of the United States, 1492-1929 John Spencer Bassett, 1929 [A Short History of the United States of America, Etc](#) Horace Elisha SCUDDER, 1909 [A Short History of the United States](#) Navy Carroll S. Alden, 2017-09-15 This reprinted edition contains an introduction by Captain Christopher R Davis US Navy Ret [A Short History of the United States](#) Allan Nevins, Henry Steele Commager, 1942

A Short History of the United States (Classic Reprint) John Spencer Basset, 2017-01-21 Excerpt from A Short History of the United States IN this book I have sought to tell clearly and impartially the story of human achievement in what is now the United States from the earliest traces of man's existence to the present time Out of the multitude of facts which may be considered within the domain of American history those have been recounted which seem best suited to explain the progress of the people as a nation The influence of physical environment has been discussed in the opening chapter which also deals with the primitive inhabitants An attempt has been made to give the colonial period its proper unity and show in what manner the colonies were a part of the general British scheme of imperial government At the same time one must remember that it is American and not British history which concerns us and for that reason The narrative must not neglect the individual colonies From the end of the colonial period the dominant interest is the progress of events which have to do with the common cause of independence and after that with national development Much thought has been given to the proper distribution of emphasis between the various historical factors Political institutions are the most conscious expression of the national will They determine the form of the story which the historian has to tell But social and economic conditions and the actions of leading men give color and contour to the figure and decide whether it be attractive or unattractive vivid or unimpressive This volume contains at intervals summaries of the habits and social progress of the people while throughout it seeks to present the decisions of congress and administrations in the matters which relate to the most important phases of popular welfare It is believed that if well done it thus becomes in the most vital sense a social history My aim has been to lay the necessary foundation for those who wish to

pursue further the subject of American history in whatever phase they may be interested About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Short History of the United States of America Horace Elisha Scudder, 1890 A Short History of the United States Edward Channing, 2016-07-11 5 The Voyage 1492 Columbus left Spain in August 1492 and refitting at the Canaries sailed westward into the Sea of Darkness At ten o'clock in the evening of October 20 1492 looking out into the night he saw a light in the distance The fleet was soon stopped When day broke there sure enough was land A boat was lowered and Columbus going ashore took possession of the new land for Ferdinand and Isabella King and Queen of Aragon and Castile The natives came to see the discoverers They were reddish in color and interested Columbus for were they not inhabitants of the Far East So he called them Indians **A Short History of the United States for School Use** Edward Channing, 1908 This is a pre 1923 historical reproduction that was curated for quality Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process Though we have made best efforts the books may have occasional errors that do not impede the reading experience We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide A Short History of the United States Edward Channing, 2015-06-12 Excerpt from A Short History of the United States The aim of this little book is to tell in a simple and concise form the story of the founding and development of the United States The study of the history of one's own country is a serious matter and should be entered upon by the text book writer by the teacher and by the pupil in a serious spirit even to a greater extent than the study of language or of arithmetic No effort has been made therefore to make out of this text book a story book It is a text book pure and simple and should be used as a text book to be studied diligently by the pupil and expounded carefully by the teacher Most of the pupils who use this book will never have another opportunity to study the history and institutions of their own country It is highly desirable that they should use their time in studying the real history of the United States and not in learning by heart a mass of anecdotes often of very slight importance and more often based on very insecure foundations The author of this text book therefore has boldly ventured to omit most of the traditional matter which is usually supposed to give life to a text book and to inspire a love of history which too often means only a love of being amused For instance a knowledge of the formation of the Constitution and of the struggle over the extension of slavery here occupies the space usually given to the adventures of Captain John Smith and to accounts of the institutions of the Red Men About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Short History of the Methodists, in the United States of America Jesse Lee, 1810 *A Short History of Paper-money and Banking in the United States* William M. Gouge, 1833 An exposition on the principles of banking with a full account of incidents in the history of American banking

A Short History of the United States Navy and the Southeast Asian Conflict, 1950-1975 Edward J. Marolda, G. Wesley Pryce, Naval Historical Center (U.S.), 1984 **A short history of the Methodists in the United States. To which is**

prefixed, a brief account of their rise in England Jesse Lee, 1810 *A short history of Paper Money and Banking in the United States ... with considerations of its effects on morals and happiness, etc* William M. GOUGE, 1833 *A Short History*

of the United States of America Horace Elisha Scudder, 1890 *This is America: a Short History of the United States* David Levinson, Duncan A. Campbell, 2013 **A Short History of the United States, 1492-1920** John Spencer Bassett, 1921

Bibliographical note at end of each chapter *Echoes Among the Stars: A Short History of the U.S. Space Program* Patrick J. Walsh, 2016-04-29 Emphasizing the importance of the space programme to the scientific social and cultural history of the last half of the 20th century this brief history celebrates the almost unimaginable technological leap that the space programme represents a feat of teamwork innovation dedication and mastery unprecedented in the history of mankind Walsh's narrative begins just before the Mercury programme covers the original seven astronauts the Gemini and Apollo programmes through Skylab and up to the space shuttle The glories and emotion of space exploration are presented against the backdrop of the Cold War the presidential administrations of Eisenhower JFK LBJ Nixon Ford and Carter and other significant events in US history The positive accomplishments of the astronauts are put in context of an increasingly negative domestic situation in the 60s and 70s the Bay of Pigs civil rights assassinations growing involvement in and dissension about Vietnam the Watergate scandal and Nixon's resignation
