Sign Language Research Sixty Years Later: Current and Future Perspectives Valentina Cuccio, Erin Wilkinson, Brigitte Garcia, Adam Schembri, Erin Moriarty, Sabina Fontana, 2022-11-14

The Youngs Jesse Fink, 2024-03-26

The Youngs The Brothers Who Built AC DC is unlike any AC DC book you ve read before Less a biography more a critical appreciation it tells the story of the trio through 11 classic rock songs and reveals some of the personal and creative secrets that went into their making Important figures from AC DC s long way to the top open up for the very first time while unsung heroes behind the band s success are given the credit they are due Accepted accounts of events are challenged while sensational new details emerge to cast a whole new light on the band s history especially their early years with Atlantic Records in the United States Former AC DC members and musicians from bands such as Guns N Roses Dropkick Murphys Airbourne and Rose Tattoo also give their take on the Youngs brand of magic Their music has never pulled its punches

Neither does The Youngs After 40 years AC DC might just have gotten the serious book it deserves **Sign Language**

Ideologies in Practice Annelies Kusters, Mara Green, Erin Moriarty, Kristin Snoddon, 2020-08-10 This book focuses on how sign language ideologies influence manifest in and are challenged by communicative practices Sign languages are minority languages using the visual gestural and tactile modalities whose affordances are very different from those of spoken languages using the auditory oral modality **The Nature of the Firm in the Oil Industry** Basak Beyazay, 2015-10-16

Firm to firm relationships along with the overall structure of industry have changed markedly over the past decades Replacing the model of vertical integration with one of global business firms have started to outsource more by using a wider global network At the same time they have begun to increase their control and coordination along the value chain to remain competitive blurring the boundaries between companies Understanding the nature of the firm and its role in coordinating the supply chain will help firms to better define global competitive strategies The challenges that lie ahead for global business render obsolete the traditional model of procuring each service without long term supply chain management Current trends suggest that in the future there will be even deeper supply chain integration in most industries The Nature of the Firm in the Oil Industry aims to facilitate the understanding of the firm via the analysis of the specific relationship between international oil companies which are among the world s biggest firms and which act as core system integrators and the oil services companies which help to find extract produce and distribute oil along the petroleum industry supply chain This relationship serves as an example of deep integration by core system integrators and provides insights into the change in the nature of the firm in the era of modern globalization Aimed at researchers and academics The Nature of the Firm in the Oil Industry offers a thorough examination of this relationship in an effort to shed light on the nature of the firm both in the oil industry and in global business today It is a humble attempt to better understand the firm in a crucial industry
