Peterson, 2021-11-04 Over 200,000 Copies Sold Since Eugene Peterson wrote this spiritual formation classic more than forty years ago hundreds of thousands of Christians have been inspired by its call to deeper discipleship. Our society is still obsessed with quick fixes. But Peterson's time-tested prescription for discipleship remains the same: a long obedience in the same direction. Following Jesus requires a deepening life of prayer and throughout history Christians have learned to pray from the Psalms. Peterson finds particular encouragement for today's pilgrims in the Songs of Ascents Psalms 120-134. With prophetic and pastoral wisdom he shows how the psalms teach us to grow in worship, service, joy, work, humility, community, and blessing. Now including a bibliography of Peterson's works, *A Long Obedience in the Same Direction* is available as part of the IVP Signature Collection, which features special editions of iconic books in celebration of the seventy-fifth anniversary of InterVarsity Press. A companion Bible study guide is also available. *A Long Obedience in the Same Direction Bible Study*

The Mosaic of Atonement Joshua M. McNall,2019-08-27 The Mosaic of Atonement offers a fresh and integrated approach to historic models of atonement While modern treatments of the doctrine have tended toward either a defensive hierarchy in which one model is singled out as most important or a disconnected plurality in which multiple images are

affirmed but with no order of arrangement this book argues for a reintegration of four famous pieces of atonement doctrine through the governing image of Christ shaped mosaic Unlike a photograph in which tiny pixels present a seamless blending of color and shape a mosaic allows each piece to retain its recognizable particularity while also integrating them in the service of a single larger image If one stands close one can identify individual squares of glass or tile that compose the greater picture And if one steps back there is the larger picture to be admired Yet in the great mosaics of age old Christian churches the goal is not for viewers to construct the image as in a puzzle but to appreciate it So too with this mosaic of atonement doctrine While no one model is set above or against the others the book notes particular ways in which the pieces the feet heart head and hands mutually support one another to form a more holistic vision of Christ s work This is my body Jesus said to his followers and by reintegrating these oft dismembered aspects of atonement we will note fresh ways in which it was given for us
