The Long Darkness Pasquale De Marco, 2025-04-21 The Long Darkness is a book about the many different aspects of darkness It explores the history psychology and symbolism of darkness as well as the different ways that we can overcome the darkness and find light in our lives The darkness is a powerful force It can be a source of fear mystery and danger It can also be a place of peace refuge and creativity The darkness is a part of life and it is something that we all must face at some point In The Long Darkness we will explore the many different ways that darkness can affect our lives We will discuss the fear of the dark the dangers of the dark and the allure of the dark We will also explore the different ways that we can use the darkness to our advantage The darkness can be a place of great mystery It is a place where anything can happen The darkness can be a place of danger but it can also be a place of great opportunity The darkness is a place where we can explore our fears and our desires It is a place where we can learn and grow The darkness can also be a place of peace and refuge It is a place where we can go to escape the noise and chaos of the world The darkness can be a place where we can relax and recharge It is a place where we can connect with our inner selves The darkness is a part of life and it is something that we all must face at some point By understanding the darkness we can learn to appreciate it and use it to our advantage The darkness is not something to be feared It is simply a part of life The Long Darkness is a book for anyone who has ever been afraid of the dark It is a book for anyone who has ever

wondered what lies in the darkness It is a book for anyone who has ever wanted to find light in the darkness If you like this book write a review on google books **Longing and Letting Go** Holly Hillgardner,2016-11-01 Mirabai a sixteenth century Indian princess wrote passionate love songs to Lord Krishna Hadewijch a thirteenth century European Beguine wrote of her yearning to become Love itself to be God with God Each woman practiced a full bodied sensuously imaged longing for love at the same time each also practiced certain ascetic disciplines Spanning centuries continents and religious traditions this book juxtaposes Hadewijch s and Mirabai s inextricable energies of longing and letting go as resources for a comparative theology of passionate non attachment Within both Hinduism and Christianity desire and renunciation are often presented as opposites yet both Mirabai and Hadewijch in their own distinct ways illuminate the integral tensile relationship between these concepts Rather than choosing one or the other each woman s dual practices of longing and letting go not only take her on an inward spiritual journey but also deeply involve her in the beauty and suffering of the wider world Drawing out crucial differences and intriguing resonances between these two women of faith Hillgardner develops a Hindu Christian comparative theology that argues for an interreligious ethic of passionate non attachment one capacious and brave enough to hold together our own longings with the desires of others in an interconnected fragile world Messages in the Mall Paul V. Marshall,2008-03-01 For more than a decade the author has been writing a Saturday religion column syndicated in ten newspapers in the 14 counties of Pennsylvania that comprise the Episcopal Diocese of Bethlehem The 600 words or less in the title comes from the rigorous discipline of writing to strict space requirements The intent of the columns is to engage the secular culture and to bring the church s message to it by commenting on the realities of the human condition and on issues of general interest This book is a compilation of many of the columns organized along thematic lines This book will be an ideal cross denominational trade book for individual reading or group use The short take format lends itself to episodic reading and will appeal to the individualdaily prayer market Clergy will find the book an excellent source for sermon ideas

A Dictionary of Hymnology John Julian,1892 **The Books of Adam and Eve** Apostle Arne,2015-04-03 Adam and Eve according to the creation myths of the Abrahamic religions were the first man and woman The story of Adam and Eve is central to the belief that God created human beings to live in a Paradise on earth although they fell away from that state and formed the present world full of suffering and injustice It provides the basis for the belief that humanity is in essence a single family with everyone descended from a single pair of original ancestors It also provides much of the scriptural basis for the doctrines of the Fall and Original Sin important beliefs in Christianity although not generally shared by Judaism **My Sisters the Saints** Colleen Carroll Campbell,2014-09-23 A poignant and powerful spiritual memoir about how the lives of the saints changed the life of a modern woman In *My Sisters the Saints* author Colleen Carroll Campbell blends her personal narrative of spiritual seeking trials stumbles and breakthroughs with the stories of six women saints who profoundly changed her life Teresa of Avila Therese of Lisieux Faustina of Poland Edith Stein of Germany Mother Teresa of Calcutta and Mary of

Nazareth Drawing upon the rich writings and examples of these extraordinary women the author reveals Christianity's liberating power for women and the relevance of the saints to the lives of contemporary Christians **Beholding Beauty**
