Look At Australia:

Looking for Australia John Hirst, 2010-09 What are the qualities at the heart of Australian culture How did they arise What distinguishes us from other nations beyond a fondness for calling each other mate And what do such national quirks reveal about our society our past and our attitudes towards it Looking for Australia is a fascinating collection of essays by historian John Hirst Together they form a multi faceted portrait of Australia as a distinctive nation with its own political culture character and style and particular ways of seeing itself Among other subjects Hirst considers the effects of convict origins on national character what drove the bushrangers to their daring deeds and why Australia has compulsory voting He examines whether Aborigines played a part in the origins of Australian Rules football and asks whether Curtin was indeed our greatest prime minister He discusses how best to tell Australia s history and after reflecting on our past as a British dependency makes a stirring case for a future fully independent republic **Asia, Australia, and New Zealand**

Encyclopaedia Britannica, Inc., 2012-04-01 Updated for 2012 and part of the Britannica Learning Library Series Views of Asia Australia and New Zealand help one learn about the people traditions landscapes and history that make up many of the countries and cities of Asia Australia and New Zealand **Australia** Juliet Pietsch, Haydn Aarons, 2012-11-01 The latter

years of the first decade of the twenty first century were characterised by an enormous amount of challenge and change to Australia and Australians Australia s part in these challenges and changes is borne of our domestic and global ties our orientation towards ourselves and others and an ever increasing awareness of the interdependency of our world Challenges and changes such as terrorism climate change human rights community breakdown work and livelihood and crime are not new but they take on new variations and impact on us in different ways in times such as these **The Rock: Looking into**

Australia's 'Heart of Darkness' from the edge of its wild frontier Aaron Smith , 2020-12-01 Journalist Aaron Smith s new memoir holds up a unique mirror to Australia What he sees is at once amazing disturbing and revealing The Rock explores the failings of our nation s character its unresolved past and its uncertain future from the vantage point of its most northerly outpost Thursday Island Smith was the last editor fearless journalist and the paperboy of Australia s most northerly newspaper the Torres News a small independent regional tabloid that until it folded in late 2019 was the voice of a predominantly Torres Strait Islander and Aboriginal readership for 63 years across some of the most remote and little understood communities in Australia The Rock is a story of self discovery where Smith grapples to understand a national identity marred by its racist underbelly where he is transplanted from his white boy privileged suburban life to being a racial and cultural minority and an outsider Peppered with his experiences Smith gradually and sensitively becomes embedded in island life while vividly capturing the endless and often farcical parade of personalities and politicians including Scott Morrison and Tony Abbott Smith pulls no punches while he reflects on the history of Terra Australis incognita dissecting what is truly Australia and its gaping cultural and moral divide A credit to regional journalism Aaron carried on the fine

tradition of the Torres News holding governments to account and telling stories of everyday life in the Straits never shying away from controversies lifting all the rocks and even outfoxing prime minister Tony Abbott on his visit to Mabou's grave Stefan Armbruster SBS Aaron Smith makes a huge and extremely valuable contribution to journalism in Australia With insight and commitment he brings issues of national and international significance to audiences in Australia and beyond Dr Tess Newton Cain Griffith Asia Institute Aaron's journalism has provided a rare and valuable insight into issues affecting the Torres Strait Islander community Navigating cultural protocols and geographical challenges he has given a voice to some of Australia's most marginalised people and shared important stories that would otherwise have gone unheard Ella Archibald Binge Sydney Morning Herald *Southern Asia, Australia and the Search for Human Origins* Robin Dennell, Martin Porr, 2014-02-24 This volume summarizes what is and is not known about the earliest evidence of our species outside Africa from Arabia to Australia Most books on the origins of modern human behavior and the expansion of our species across the world focus on evidence from Africa Europe and the Levant which have been extensively researched This book focuses instead on the important areas of southern Asia such as Arabia and India as well as evidence from Australia which deserve far wider attention than they have hereto received *Muslims in Contemporary Australia* Adam Possamai, David Tittensor, 2025-11-26 This edited book provides a much needed update on the field of Islamic Studies in Australia by highlighting the richness of the contributions of Muslim Australians in diverse areas such as art literature and architecture alongside the more standard sociological contributions on their ongoing challenges **The Condition & Prospects of Australia as Compared with Older Lands. A Lecture Delivered at the Princess' Theatre, Melbourne, on May 3, 1869 ... Being the First of a Course of Lectures Under the Auspices of the Early Closing Association. Published by Direction of the Committee** Sir Henry John WRIXON, 1869 *In search of castaways: South America, Australia, New Zealand* Jules Verne, 1911 **In search of the castaways: South America, Australia, New Zealand** Jules Verne, 1911 *United States-Australia and United States-Morocco Free Trade Agreements* United States.
