

“Don’t tell me how good you make it; tell me how good it makes me when I use it”

Leo Burnett (1891 – 1971), American advertising executive

1. Adverts Discussion

1. Do you like to see adverts? Where do you usually see adverts?
2. What are some of the most memorable adverts you have seen? Are there any adverts that remind you of your childhood?
3. What makes a good advert? What makes an advert so memorable? What are the ways that adverts grab people’s attention?
4. Do you see more adverts on TV or the internet these days? Which do you think is more effective to advertise on?
5. Do internet adverts annoy you? Do you ever click on the links?
6. Have you ever seen adverts from another country? How are they different? Are they a bit strange?
7. What kind of stereotypes have you seen in adverts?
8. Are there too many adverts these days? Is the purpose of adverts to make us buy things we don’t need?

A Multinational Telemedicine Systems for Disaster

Response: Opportunities and Challenges Charles R. Doarn, Rifat Latifi, Raed Arafat, Claudiu Zoicas, 2016-12-15 In the aftermath of a disaster medical infrastructure is often significantly impacted or destroyed in the affected zone Recognizing

the need for an effective system for deployment in disaster zones the Emerging Security Challenges Division within NATO's Science for Peace and Security Program SPS initiated the development of a multinational telemedicine system MnTS Such a system can improve access to health services and increase survival rates in emergency situations spanning both geographical and time zones This book presents a review of this NATO funded MnTS and follows the thematic approach to its development The book is divided into 14 chapters Chapter 1 includes a historical review of telemedicine and disasters and Chapter 2 provides a historical perspective of NATO's efforts in the field of telemedicine while Chapters 3-12 summarize the development of the MnTS Critical components of the MnTS are addressed such as overall organizational structure the integration of information technology legal and regulatory considerations and outreach and public awareness The evaluation of the MnTS in a field exercise is described and the book closes with a final summary of the MnTS The book addresses the challenges faced in deploying telemedicine following a disaster such as IT language culture and legal issues and provides a template for making telemedicine part of international disaster response *Cambridge English for Schools 2 Teacher's Book* Andrew Littlejohn, Diana Hicks, 1996-05-23 Aimed at young students this comprehensive book includes an A-Z of Methodology reference section The levels 1-4 contain around 80 hours of class work depending on the various options used The Starter level provides around 40-60 hours of class work **Canon EOS Digital Rebel XSi/450D For Dummies** Julie Adair King, 2011-04-20 If you're as excited as we are about the Rebel XSi 450D you probably can't wait to start shooting Canon EOS Digital Rebel XSi 450D For Dummies will show you how to make every shot count Even if you're new to digital SLR cameras or are unfamiliar with general photography terms and techniques this handy guide will show you how to feel comfortable with the controls and start taking beautiful photographs Don't worry if you've never heard the words aperture white balance or ISO You'll soon be switching easily between automatic and manual modes managing exposure and using the all important Quality setting You'll learn everything about the lenses from how to choose the ones you need to how to handle them You'll finally know how to push just the right buttons to achieve the results that you desire In a snap you will find out how to unleash your creativity by manipulating exposure and lighting You will find out how to Control picture quality Adjust resolution for image quality and size Shoot in automatic and manual modes Review photos using Playback Mode and the histogram delete unwanted photos and protect valuable photos from accidental deletion Manipulate exposure color focus and lighting Download organize archive print and share photos with family and friends Complete with lists of ten fast photo editing tricks and ten special purpose features to explore on a rainy day Canon EOS Digital Rebel XSi 450D For Dummies is your one-stop guide to setting up working with and making the most of your new Canon digital SLR camera *New Bedlam* Bill Flanagan, 2008-07 Impulsively taking a job with a family-run cable company after unceremoniously losing his position as a network programming executive Bobby Kahn finds himself butting heads with his dysfunctional small-town employers who have made formidable enemies throughout the years By the author of *A R Reprint* [Catalog of Captioned Educational](#)

Videos and Films ,1993 **THE WORDS OF MEDICINE** Robert Fortune,2000-01-01 This book is a history of the medical vocabulary presented in topical rather than dictionary form While most other books on medical words are arranged as dictionaries rather than topically and are much more selective in their presentation this book entertains a comprehensive and historical approach to the subject It is written primarily for physicians biomedical scientists and medical students but should also appeal to anyone in the health professions or biological sciences with a feel for medical history and the English language It will also be useful to some teachers of English or linguistics The idea of the book developed over at least a decade and brings together for the author a lifelong interest in words classical and modern languages and the history of medicine The purpose is not only to foster the more precise use of the language of medicine by doctors and biomedical scientists but also to enhance their enjoyment of the vocabulary they use professionally on a daily basis Readers will find that the book contains a wealth of knowledge and provides for some very pleasurable reading *Catalog of Educational Captioned Films/videos for the Deaf* ,1993
