Jon Smith, Deborah Cohn, 2004-07-21 Examines what happens to our paradigms of the American south if we understand the south hemispherically to include Latin America and the Caribbean **Look Away** Jacob Kushner, 2024-05-07 A thrilling narrative investigation into the National Socialist Underground NSU a German terror organization that targeted immigrants and how a government failed to stop it Not long after the Berlin Wall fell three teenagers became friends in the East German town of Jena It was a time of excitement but also of deep uncertainty some four million East Germans found themselves out of work The friends began attending far right rallies with people who called themselves National Socialists Nazis And like the Hitler led Nazis before them they blamed minorities for their ills From 2000 to 2011 they embarked on the most horrific string of white nationalist killings since the Holocaust Their target immigrants Look Away follows Beate Zschape and her two accomplices and sometimes lovers as they became radicalized within Germany's far right scene escaped into hiding and carried out their terrorist spree Unable to believe that the brutal killings and bombings were being carried out by white Germans police blamed and sometimes framed the immigrants instead Readers meet Gamze Kuba k whose family emigrated from Turkey to seek safety only to find themselves in the terrorists sights It also tracks Katharina K nig an Antifa punk who

would help expose the NSU and their accomplices to the world A masterwork of reporting and storytelling Look Away reveals how a group of young Germans carried out a shocking spree of white supremacist violence and how a nation and its government ignored them until it was too late **Can't Look Away** Carola Lovering,2024-01-23 A sexy suspense about the kind of addictive obsessive love that keeps you coming back for more no matter how hard you try to look away from the author of Tell Me Lies Can't Look Away Carola Lovering,2022-06-14 In Can t Look Away Carola Lovering delivers another winner a propulsive page turner about young love and second chances You won t be able to put this down Laura Dave 1 New York Times bestselling author of The Last Thing He Told Me Fans of Gillian Flynn and Paula Hawkins will enjoy this one Publishers Weekly In 2013 twenty three year old Molly Diamond is a barista dreaming of becoming a writer One night at a concert in East Williamsburg she locks eyes with the lead singer Jake Danner and can t look away Molly and Jake fall quickly and deeply in love especially after he writes a hit song about her that puts his band on the map Nearly a decade later Molly has given up writing and is living in Flynn Cove Connecticut with her young daughter and her husband Hunter who is decidedly not Jake Danner Their life looks picture perfect but Molly is lonely she feels out of place with the other women in their wealthy suburb and is struggling to conceive their second child When Sabrina a newcomer in town walks into the yoga studio where Molly teaches and confesses her own fertility struggles Molly believes she s finally found a friend But Sabrina has her own reasons for moving to Flynn Cove and befriending Molly And as Sabrina s secrets are slowly unspooled her connection to Molly becomes clearer as do secrets of Molly s own which she s worked hard to keep buried Meanwhile a new version of Jake s hit song is on the radio forcing Molly to confront her past and ask the ultimate questions What happens when life turns out nothing like we thought it would when we were young and dreaming big Does growing up mean choosing with your head rather than your heart And do we ever truly get over our first love Look Away Dixieland James B. Twitchell,2011-03-18 As a boy James Twitchell heard stories about his ancestors in Louisiana and even played with his great grandfather s Civil War sword but he never appreciated the state and the events that influenced a pivotal chapter in his family history His great grandfather Marshall Harvey Twitchell a carpetbagger from Vermont had settled in upstate Louisiana during Reconstruction married a local girl and encountered much success until a fateful day in August 1874 The dramatic story of the elder Twitchell s life and near assassination fuels the author s pursuit of his family s history and a true understanding of the South In Look Away Dixieland Vermont native Twitchell sets out from his current home inFlorida on the inauguration day of America s first black president to find the real South and to try to understand the truth about his illustrious ancestor He travels in an RV from Georgia s Okefenokee Swamp across Alabama and Mississippi to Coushatta Louisiana As he drives through the heart of Dixie Twitchell sorts through the prejudices he learned from his northern rearing In searching for the culture he had held at arm s length for so long he tours small town southern life in campgrounds cotton gins churches country fairs and squirrel dog kennels and uncovers some fundamental truths along the way Notably he

discovers that prejudices of race class and ideology are not limited by geography As one man from Georgia mockingly summed up North versus South stereotypes Y all are rude and we re stupid Unexpectedly Twitchell also uncovers facts about his great grandfather and sheds new light on his family s past An enlightening humorous and refreshingly honest search Look Away Dixieland reveals some of the differences and similarities that ultimately define us as a nation *You better look away.
