Look What You Can Do With Grids:

Grid Search E.M. Shue, 2025-01-22 Ryker has always wanted to pilot helicopters and do search and rescue. However, his plans take an unexpected turn after a visit to the local elementary school for a fire safety presentation. There he sees the woman that he had a one-night stand with and hasn't been able to forget. When he realizes she's carrying his child, he'll do anything to prove to her he's done playing around. Ryker is ready for a future with her and their child. Lynae moved away from the town that she grew up in after losing her husband. She needed to get away from the memories of their friendship and his controlling mother. She only wanted to relieve the pent-up emotions what she ended up with was hot firefighter Ryker. Now she's trying to navigate the new town job and becoming a mother. As their connection grows, shadows from Lynae's past emerge, threatening her newfound happiness. Ryker is set to give her the world and their unborn child his name. But when Lynae goes into labor at the worst time and place, Ryker must use his extensive training to find and save them both.

Meanwhile, Lynae is determined to protect her child from the looming danger, fiercely fighting against the forces seeking to rip her family apart.

Memories, Dreams, and the Grid Gordon Plotkin, 2023-01-05 Days before his 19th birthday, Grid awakes in the middle of the night screaming THE ELEVATOR NO HANK. He had just endured his first nightmare, his first of two. His dreams had been unusually pleasant to date, all of them. And until days before Grid's 19th Birthday, the protagonists were people he didn't know or so he thought. Every night since his second birthday, Grid would dream about Mike and Hank, The Brothers, who weren't really Brothers, the main characters of what played out like a series of movies in Grid's head every night as he slept. He had wondered as a child what it was all about. When he asked his mother Dolly, she became inexplicably cross and lashed out at her son. She convinced Grid that Hank and Mike weren't real. And then Dolly warned her son sternly to never speak of it for fear that people would think Grid was crazy like his Grandfather. He had died the day Grid was born. She didn't tell him Mike was that grandfather and Hank was his uncle, but not his real uncle. Grid only began to wonder anew what it was all about after his first nightmare, days before his 19th birthday, on a Kibbutz in Israel. He decided to share his dreams for the first time with his roommate after waking from his second nightmare screaming NO HANK DON'T LEAVE ME.

Off the Grid Randy Denmon, 2017-04-04 The rollicking tale of a first of its kind adventure driving a Tesla through Central America. Only a week after the nation's newspapers were filled with headlines of the first cross-country trip in an electric car, two Louisianans slip quietly across the Rio Grande in south Texas in an attempt to do the unthinkable: drive a factory electric car across seven Third World countries to the end of the road, Panama City, Panama. Without support and armed only with a toolbox, a bag of electrical adapters, and their wits, author Randy Denmon and his friend Dean trudge on through jungles, deserts, volcanoes, rivers, and crater-sized potholes all the while trying to avoid the drug cartels and corrupt border guards that could mean a quick end to their adventure and their lives. Through it all, the same enormous problem loomed daily: how to charge the car in such a primitive and desolate setting. Despite the numerous setbacks, Randy never lost

his sense of humor Off the Grid is as much a spiritual journey as a physical one about two guys who dropped everything for one grand twenty first century adventure traveling back in time in a car that seemed to come from the future Off The Grid FBI Series Box Set, Books 1-3 Barbara Freethy, 2022-07-25 Get ready for a thrilling romantic ride with three complete romantic suspense novels from the FBI series by 1 NYT Author Barbara Freethy PERILOUS TRUST A non stop thriller that seamlessly melds jaw dropping suspense with sizzling romance and I was riveted from the first page to the last USA Today HEA Blog It was one dark night that brought Damon Wolfe and Sophie Parker together They were two tortured souls looking for escape and they weren't supposed to see each other ever again Four years later Sophie's FBI father who is also Damon's mentor is killed in a suspicious car crash after leaving Sophie a cryptic message to trust no one from the agency When Damon shows up looking for her she isn't sure if he's friend or enemy but she knows he could easily rip apart what is left of her heart The last thing Damon wants is to get involved with Sophie again It was hard enough to walk away the first time But she's in trouble her father's reputation is under attack and the lives of his fellow agents are at stake if there's a traitor in their midst When someone starts shooting at them they have no choice but to go on the run and off the grid Everyone in their world becomes a suspect They want to uncover the truth but will it turn out to be the last thing they expect Proving her father's innocence might just cost them their hearts and their lives RECKLESS WHISPER This story has so many twists and turns that I read it in one sitting a must read for everyone I don't want to ruin anything so I will just say WOW Booklovers Anonymous Blog FBI Special Agent Bree Adams has a personal secret something she has managed to keep hidden for the past ten years at least she always thought so But a chance encounter on a train and whispered words of chilling consequence change everything Is the truth about to come out or is someone playing with her mind and her life Nathan Bishop knew Bree when she was a street kid like him Their dark past once put him in her debt and he had to pay up The last thing he wants to do is help her again He has a new life now a life he could lose with one wrong move But the beautiful Bree is desperate how can he walk away To get to the truth protect innocent lives and their own they'll have to fight their way through the past as danger stalks their every move and heartbreaking choices must be made DESPERATE PLAY Words cannot explain how phenomenal this book was The characters are so believable and relatable The twists and turns keep you on the edge of your seat and flying through the pages This is one book you should be desperate to read Caroline Special Agent Wyatt Tanner has always worked undercover He thrives in the dark of the night He survives by turning himself into someone else But living so long in the shadows can make a man forget who he really is When people start dying when he finds blood on his own hands he questions the choices he has made the people he is with Can he find his way back to the light Can he trust the beautiful woman who needs his help Or does she also have a secret life He'll have to make one desperate play to find out Don't miss this page turning heart stopping romantic suspense collection by 1 New York Times Bestselling Author Barbara Freethy Note THE FBI SERIES takes readers on thrilling romantic and suspenseful adventures Every story stands completely on its own

Earth Grid Down Stuart P. Coates, 2017-03-27 Peter Bradshaw hates technology He knows hes a throwback to a simpler time and yet he also knows he needs the technology he hates to follow his passion Hes spent the last two decades studying ancient artifacts specifically Stonehenge the statues of Easter Island and the Seven Wonders of the World but most importantly the Great Pyramid in Egypt Hes just made an amazing discovery He found a crystal with the capability of moving objects of great weight which might explain how the pyramids were built Hes headed back to America to share his findings but once there he realizes an eleven foot tall woman with ill intent is following him Then the entire worlds power grid suddenly fails An unstoppable force of nature has wiped out all advanced technology in the blink of an eye The world has simultaneously crashed Is it possible that whatever Peter discovered in Egypt could reboot civilization He needs the help of the mysterious woman whos on his tail but is she willing to help or will the Earth become a place of darkness and death

School Consultation William P. Erchul, Brian K. Martens, 2013-06-29 Consultation is an indirect model of delivering psychological services Within this model a consultant and caregiver consultee work together to optimize the functioning of a client in the caregiver s setting and to increase the caregiver s capacity to deal with similar situations in the future In schools for example a psychologist may consult with a teacher about a student in the teacher s classroom The practice of school consultation has burgeoned since its formal introduction into public education during the 1960s Today graduate training programs in various specialties of psychology and education require coursework in consultation and many professionals in these areas spend some portion of their day engaged in consultation Consultation can be a powerful tool in delivering psychological services in schools but only when the consultant possesses a requisite level of skill and sophistication In preparing this volume we envisioned its major purpose as reducing the level of naivete typically experienced by the beginning school consultant Toward that end we offer a systematic approach to school consultation that targets much of the information needed for one to consult in a competent manner The reader should note that our use of the somewhat ambiguous term school consultant is intentional and recognizes that consultants working in schools today represent a variety of professional disciplines The primary intended audience for this book however is clinical child psychologists and school psychologists although psychologists having other specialties are likely to find its content useful
