Looking Back Moving On Memoir As Prologue:

Looking Back, Moving On Janice Rubin, 2003-08-18 It takes courage and perseverance to revisit the days and nights of our lives and write down what we find to make a record of our lives Looking Back Moving On provides the guide to begin the adventure and helps us through the pleasures and pitfalls the joys and the sorrows that may be encountered Rubin enables us to discover that ultimately the project is the gift of self discovery we give to ourselves which enables us to go on to enjoy life to the fullest Excerpts from her students writing contribute to our feeling of being part of the creative community

Four Lives Janice Rubin, Honey Hilzen, Peggy O'Hea, Theda von Schultz Bray, 2001-11-14 Why are some people able to survive unpropitious beginnings thrive and even excel while others in equivalent circumstances cannot The four women whose memoirs make up this volume met several years ago in an autobiography workshop Despite early years that included physical emotional and sexual abuse deaths and abandonments and the terror of living in a country at war they remained sufficiently self possessed and determined to go on to live productive lives often giving back more than they had received How did they manage to do it Was Theda's loving family her protective shield Was Honey's willingness to accept help and learn from others her salvation Did Peggy's brightness charm and independence give her the confidence to take on the world Was Janice's determination to matter her incentive This book offers no answers but there are enough clues in each of the four stories on which to base reasonable conjectures

Looking Back, Moving on David Rogers, Janice Rubin, 2000-07 David Rogers has a specific point of view and he lets it all out in a new extremely enjoyable book of three marvelous long short stories Stories by an Atheist Here are paragraphs from each Sunday Morning There was a pond behind the house they rented a good distance off for some legs In the evenings sometimes while Julia was busy in the kitchen getting supper Jay and the boys walked down to the pond Jay to stand on the dock and watch while the boys lay on their stomachs and peered between the planks The pond was alive with sunnies that rushed at everything that fell into the water especially breadcrumbs Some had white edges on their fins and fringes on their tails and they were the best kind The other kind smaller darker and quicker got most of the bread Once a little painted turtle appeared and paddled around and around chasing all the fishes and though shouted at and spat upon wouldn't go away Seventeen You saw her didn't you said Gus What more do you want What's she hanging around here for If it wasn't raining she'd be out of the road thumbing for Chrisake She's got to get to town absolutely has to get to town some big deal with her girl friend If she don't get there she'll die Go home and get your car and come back and tell her you'll take her anywhere she wants to go and you know what you do you take her out in the woods and tell her either she fucks or she walks and what do you bet she fucks I couldn't do that said Herby He was shocked She's only a kid He was only a kid himself The Funeral Emily and Micky Christine were among the last to reach the celebrity The priest pushed through the crowd as they approached put his arms around them kissed them both on the lips Everett noted and sorrowfully shook his head Everett was brought forward and introduced an introduction he would rather have avoided

were it possible The priest shook his hand patted his arm and said it was good to see him He told the girls he had known their father for years more years than he cared to remember and had known their mother as well a lovely woman It had hit him hard her passing and now here it was old Jim s turn not an old man by any means and did they know what had taken him On learning that no one seemed to know he said the doctors might be good people but they didn t know as much as they thought they did They had lost a good man in Jim Turner but it looked as if they had found another He said this with a roguish glance at Everett who flushed with pleasure in spite of himself and felt a damned fool for so doing

Matters of the Heart Jacinta Nampijinpa Price,2025-02-01 The moving story of an Indigenous woman who beat disadvantage and violence to become one of Australia s most influential political voices Jacinta Nampijinpa Price was nine months pregnant and due to give birth the night she attended her high school formal With her baby tucked in her arms she completed year 12 from her hospital bed Early in their relationship she took her future husband Colin to the Alice Springs morgue to identify the body of a family member who d been killed Nothing about the life of this passionate and steely Warlpiri woman could ever be described as ordinary In this remarkable memoir Jacinta Nampijinpa Price candidly recalls her journey from the remote outback communities of Yuendumu and Alice Springs in the Northern Territory a young girl with big dreams and the red dust of her ancestors under her fingernails to the corridors of Canberra and beyond Honest raw and at times heartbreaking *Matters of the Heart* is a deeply personal reflection of how a young Indigenous woman growing up surrounded by violence and tragedy beat the odds to become one of the most powerful political voices of our time I ve been to hell and back and I ve survived

An Accidental Memoir Wendy Reed,2013-01-01 In this collection of deliberately fragmented essays a talented documentary filmmaker points the lens at herself and explores a succession of personal tragedies Told from unusual perspectives and in highly figurative language the essays draw on the Southern Gothic tradition of Flannery O Connor and feature dark humor flawed people disastrous events and moments of spiritual grace Taken together they become a meditation on subjects such as death work family responsibilities and raising a child

Into the Sun Neil Volz,2011-11-22 Into the Sun puts a human face on the business of American politics It also makes you rethink what you believe about Washington When Neil Volz moved from small town Ohio to Capitol Hill he was a young idealistic college student Twelve years later he was a high profile symbol of Washington corruption A former lobbyist and public official Volz paints a vivid and disturbing picture of his rise and fall He ushers the reader in to the clandestine world of congressional deal making and special interest lobbying all the while telling of his journey down the slippery slope of personal corruption The book describes first hand what it was like to be a target of a Justice Department investigation as well as a government witness during the worst political corruption scandal since Watergate The author outlines important life lessons he learned from the experience And raises fundamental questions about the role of money of politics How do people become corrupt Is it an individual failure Or the result of a failed political system While Into the Sun is a personal story about hope failure and faith it also a larger

story about how Washington works and how it doesn't *A Look Back in Time: Memoir of a Military Kid in the 50s* Bernard N. Lee, Jr., 2017-12-19 *A Look Back in Time: Memoir of a Military Kid in the 50s* Vol II is a 2020 International Best Book Awards Finalist. This book is a fascinating, insightful, inspiring, and sometimes hilarious chronicle of life while growing up in a military family. Readers will enjoy the stories of life in the fifties told from a child's perspective. Through the stories, readers learn the virtues of tolerance, fairness, perseverance, resilience, and other life-serving qualities needed for survival in today's world. These qualities are timeless. Readers young and old will recognize these virtues and themselves inside the stories. Review by Colonel Arnold R. Goodson, United States Army Retired. *A Look Back in Time* finds our military kid living in Deutschland while attending an American middle school and high school. His adventures with the German and American young adults are rich in history, suspense, and surprises. You will enjoy the stories of this well-traveled military kid as he navigates his early teen years in Germany during the fifties. We follow this young adult as he learns to speak German, sprechen sie deutsch, ice skate with the local teens, learn to play the guitar, jam with a local band, and explore the fascinating beauty of the Black Forest. These are adventures he will cherish for the rest of his life. You are invited to share them in *A Look Back in Time*. Author Bernard N. Lee Jr. **The Forgotten Girls** Monica Potts, 2024-04-30 NEW YORK TIMES BESTSELLER. An acclaimed journalist tries to understand how she escaped her small town in Arkansas while her brilliant friend could not, and in the process illuminates the unemployment, drug abuse, sexism, and evangelicalism killing poor rural white women all over America. A clear-eyed and tender debut. This book is as much the author's story as a piece of reportage. *The Wall Street Journal*. Growing up gifted and working class poor in the foothills of the Ozarks, Monica and Darci became fast friends. The girls bonded over a shared love of reading and learning, even as they navigated the challenges of their tumultuous family lives and declining town, broken marriages, alcohol abuse, and shuttered stores and factories. They pored over the giant map in their middle school classroom, tracing their fingers over the world that awaited them, vowing to escape. In the end, Monica left Clinton for college and fulfilled her dreams, but Darci, along with many in their circle of friends, did not. Years later, working as a journalist covering poverty, Potts discovered what she already intuitively knew about the women in Arkansas: Their life expectancy had dropped steeply, the sharpest such fall in a century. This decline has been attributed to deaths of despair, suicide, alcoholism, and drug overdoses, but Potts knew their causes were too complex to identify in a sociological study. She had grown up with these women, and when she saw Darci again, she found that her childhood friend, addicted to drugs, often homeless, a single mother, was now on track to becoming a statistic. In this gripping narrative, Potts deftly pinpoints the choices that sent her and Darci on such different paths and then widens the lens to explain why those choices are so limited. *The Forgotten Girls* is a profound, compassionate look at a population in trouble and a uniquely personal account of the way larger forces such as inheritance, education, religion, and politics shape individual lives. *Together, Alone* Susan Wittig Albert, 2010-03-01. What does it mean to belong to a place, to be truly rooted and grounded in the place you call home? How do

you commit to a marriage to a full partnership with another person and still maintain your own separate identity These questions have been central to Susan Wittig Albert's life and in this beautifully written memoir she movingly describes how she has experienced place marriage and aloneness while creating a home in the Texas Hill Country with her husband and writing partner Bill Albert Together Alone opens in 1985 as Albert leaves a successful if rootless career as a university administrator and begins a new life as a freelance writer wife and homesteader on a patch of rural land northwest of Austin She vividly describes the work of creating a home at Meadow Knoll a place in which she and Bill raised their own food and animals while working together and separately on writing projects Once her sense of home and partnership was firmly established Albert recalls how she had to find its counterbalance a place where she could be alone and explore those parts of the self that only emerge in solitude For her this place was Lebh Shomea a silent monastic retreat In writing about her time at Lebh Shomea Albert reveals the deep satisfaction she finds in belonging to a community of people who have chosen to be apart and experience silence and solitude

Spaces and Places in Motion Nicole Schröder, 2006

Into being Lily Dunn, 2025-10-07 The acclaimed author of Sins of My Father shares the secrets of writing a new transformative kind of memoir Into being is an essential guide to writing radical and empowering memoir Drawing on her experience as a memoirist and a teacher of creative writing Lily Dunn presents the ground breaking idea that the craft of memoir itself can offer a form of transformation Dunn demystifies the memoirist's art helping readers to find meaning in raw experience and elevate the personal to the universal She considers compelling questions from why our memories give greater significance to certain events to how we can write honestly without intruding too far into the lives of our loved ones She also explores how writers are extending the memoir form to create something hybrid playful and subversive In an age of social media filled with confessions re inventions and distortions of the self the question of what it means to be an individual is more urgent than ever Into being shows readers how to turn writing memoir into a journey of discovery one that can be shared with the whole world

American Hostage Micah Garen, Marie-Helene Carleton, 2005-10-11 A rare and powerful story of hope, love, survival and the struggle to bring back alive a hostage in Iraq. Micah Garen and Marie Helene Carleton were journalists and filmmakers working in Iraq on a documentary about the looting of the country's legendary archaeological sites with their Iraqi translator Amir Doshi. In the late summer of 2004 they began to wrap up their work and Marie Helene returned home while Micah remained for a final two weeks of filming. As Micah and Amir were filming in a Nasiriyah market, something went horribly wrong. Micah, who wore a bushy mustache and was dressed in Iraqi clothing, was unmasked as a foreigner and kidnapped by militants in southern Iraq. Home in New York, Marie Helene awoke to a gut wrenching phone call from Micah's mother with word of his abduction. She promised Micah's mother the impossible: that together they would bring Micah back alive. *American Hostage* is the remarkable memoir of Micah Garen's harrowing abduction and survival in captivity, as well as the heroic and successful struggle of Marie Helene, Micah's sister Eva, along with family and friends to win Micah's and Amir's release from their captors. The world watched and waited as Micah's drama unfolded, but the authors were now safely home and engaged to be married. Detail the dramatic, untold story. After learning of Micah's abduction, Marie Helene took a risky and unusual step: instead of relying on the authorities to rescue Micah, she used her recent experience in Iraq to construct a massive grassroots effort to reach out to Micah's captors and plead for his release. As fighting between Coalition forces and the Mahdi Army raged in Najaf, Micah and Amir became pawns in a terrible political game. The kidnappers released a video threatening to kill Micah unless the United States withdrew from Najaf within forty-eight hours. In response, Marie Helene and Micah's families redoubled their efforts, eventually sending a representative to Nasiriyah to lobby for Micah. While Marie Helene worked on his release, Micah, imprisoned alongside Amir under armed guard deep in the marshes of southern Iraq, lived the nightmare of a hostage, haunted by the alternating impulses of hope and despair, his desire for survival and plans of escape. His experience reveals a great deal about the lives and minds of militants in southern Iraq. *American Hostage* is an engrossing and rare story of how hope, love and communal effort can overcome war, distance and cultural differences in Iraq.

Blue-Eyed Boy Robert Timberg, 2014-07-24 Acclaimed journalist Robert Timberg's extraordinary long-awaited memoir of his struggle to reclaim his life and find his calling after being severely burned as a young Marine lieutenant in Vietnam. In January 1967, Robert Timberg was a short timer counting down the days until his combat tour ended. He had thirteen days to go before he got to go back home to his wife in Southern California. That homecoming would eventually happen, but not in thirteen days and not as the person he once was. The moment his vehicle struck a Vietcong land mine divided his life into before and after. He survived barely with third-degree burns over his face and much of his body. It would have been easy to give up. Instead, Robert Timberg began an arduous and uncertain struggle back, not just to physical recovery but to a life of meaning. Remarkable as his return to health was, he endured thirty-five operations, one without anesthesia, just as remarkable

was his decision to reinvent himself as a journalist and enter one of the most public of professions Blue Eyed Boy is a gripping occasionally comic account of what it took for an ambitious man aware of his frightful appearance but hungry for meaning and accomplishment to master a new craft amid the pitying stares and shocked reactions of many he encountered on a daily basis By the 1980s Timberg had moved into the upper ranks of his profession having secured a prestigious Nieman Fellowship at Harvard and a job as White House correspondent for The Baltimore Sun Suddenly his work brought his life full circle the Iran Contra scandal broke At its heart were three fellow Naval Academy graduates and Vietnam era veterans Oliver North Bud McFarlane and John Poindexter Timberg s coverage of that story resulted in his first book The Nightingale s Song a powerful work of narrative nonfiction that follows these three academy graduates and two others John McCain and Jim Webb from Annapolis through Vietnam and into the Reagan years In Blue Eyed Boy Timberg relates how he came to know and develop a deep understanding of these five men and how their stories helped him understand the ways the Vietnam War and the furor that swirled around it continued to haunt him and the nation as a whole as they still do even now nearly four decades after its dismal conclusion Like others of his generation Robert Timberg had to travel an unexpectedly hard and at times bitter road In facing his own life with the same tools of wisdom human empathy and storytelling grit he has always brought to his journalism he has produced one of the most moving and important memoirs of our time **Living a**
