Dance, Modernism, and Modernity Ramsay Burt, Michael Huxley, 2019-09-17 This collection of new essays explores connections between dance, modernism and modernity by examining the ways in which leading dancers have responded to modernity. Burt and Huxley examine dance examples from a period beginning just before the First World War and extending to the mid 1950s, ranging across not only mainland Europe and the United States but also Africa, the Caribbean, the Pacific, Asian region and the UK. They consider a wide range of artists including Akarova, Gertrude Colby, Isadora Duncan, Katherine Dunham, Margaret H. Doubler, Hanya Holm, Michio Ito, Kurt Jooss, Wassily Kandinsky, Margaret Morris, Bert Pasuka, Uday Shankar, Antony Tudor and Mary Wigman. The authors explore dancers' responses to modernity in various ways, including within the contexts of natural dancing and transnationalism. This collection asks questions about how, in these places and times, dancing developed and responded to the experience of living in modern times or even came out of an ambivalence about or as a reaction against it. Ideal for students and practitioners of dance and those interested in new modernist studies, *Dance, Modernism and Modernity* considers the development of modernism in dance as an interdisciplinary and global phenomenon

Understanding Art in Primary Schools Les Tickle, 2014-01-14 Even the youngest children in primary schools are now required not only to make art but also to study it, developing an understanding of the huge variety of art and craft from different times and places. But how do teachers actually tackle this

when most have not studied art themselves This collection brings together case studies to show how a variety of teachers have used one particular art collection as a focus for practical art Throughout the voices of the children involved show us how they react to their encounters with art objects This wealth of first hand evidence and practical experience will benefit all teachers

ESSAYS ON THE CREATIVE ARTS THERAPIES David Read Johnson,1999-01-01 This book is a compilation of the author s essays concerning the integration of the creative arts therapy disciplines art dance drama music and poetry into one larger organization representing their clinical scholarly and public policy activities This is a book about rites of passage about naivete and maturity about growing up It is about poetics and politics about the tremendous potential to contribute to the public welfare and the deep fears of collaboration and dialogue Throughout this book the author takes the position that joining together clinically academically and organizationally will be beneficial to the health of the field as well as that of its clients that the various disciplines are divided only by the nature of the different artistic media not by fundamental theoretical or political agendas These various essays offer personal meditation polemical argument practical advice serious theorizing and some comic relief Throughout you will sense the author s struggle to express simultaneously his love for and impatience with this his dear profession being too quietly born

Music, Dance and Translation Helen Julia Minors,2023-10-05 How is music affected by its translation interpretation and adaptation with through and by dance How might notation of dance and music act as a form of translation How does music influence the creation of dance How might dance and music be understood to exchange and transfer their content sense and process during both the creative process and the interpretative process Bringing together chapters that explore theory and practice this book questions the process and role translation has to play in the context of music and dance It provides a range of case studies across this interdisciplinary field and is not restricted by genre style or cultural location As one of very few volumes to explore translation in relation to music and to overtly tackle this topic in terms of dance it moves the argument from a broad notion of text and translation to think critically about the sound and movement arts of music and dance using translation as a model to better understand the collaboration of these art forms

The Art of Falling Bhargav Savaliya,2025-04-24 The Art of Falling A tender emotional romance about healing self discovery and falling in love when life has knocked you down After a devastating accident ends her career as a professional ballerina Aurelia Hart retreats to the windswept cliffs of Cambria California taking refuge in an exclusive artist residency far from the spotlight she once knew Broken physically and emotionally she hopes to rediscover her identity through painting but solitude has other plans Julian Rhys a gifted sculptor with a tortured past lives reclusively on the same grounds He didn t ask for company He doesn t want distractions But Aurelia her vulnerability her strength her art begins to crack open the silence he s so carefully built around himself As their lives intertwine in quiet hallways and coastal sunsets attraction simmers into something deeper But love like art is never simple Julian carries secrets that could shatter the fragile bond they ve built And Aurelia must decide whether to cling to who

she was or risk everything to become someone new The Art of Falling is a deeply moving romance about rediscovery resilience and the unexpected beauty that blooms when two broken hearts dare to trust again Perfect for readers who believe that sometimes the most breathtaking art is the life you build after the fall
