## Looking Other Stories:

*Good Looking Bloke and other stories* Ken Byerly, 2009-08-18 I didn't set out to write about sex though in some of these stories it does appear that that's what makes the turkey trot. Rather the beginning was mundane enough. In August 2008 I discovered two boxes of old letters in the basement of our house in Vermont. Letters I received and saved between the ages of 18 and 29. For reasons I can't explain these crinkly typed and written pages ignited in me a creative frenzy. I resurrected and rewrote four old short stories and over the next eight months created seven new ones. Have I a favorite I like them all but it struck me in my final run through for this volume that there was only one story MY FRIEND in which I did not change a single word. Here they are, hormones and all. Enjoy

**Beowulf and Other Stories** Joe Allard, Richard North, 2014-04-23

Beowulf Other Stories was first conceived in the belief that the study of Old English and its close cousins Old Icelandic and Anglo Norman can be a genuine delight covering a period as replete with wonder creativity and magic as any other in literature Now in a fully revised second edition the collection of essays written by leading academics in the field is set to build upon its established reputation as the standard introduction to the literatures of the time Beowulf Other Stories captures the fire and bloodlust of the great epic Beowulf and the sophistication and eroticism of the Exeter Riddles Fresh interpretations give new life to the spiritual ecstasy of The Seafarer and to the imaginative dexterity of The Dream of the Rood and provide the student and general reader with all they might need to explore and enjoy this complex but rewarding field The book sheds light too on the shadowy contexts of the period with suggestive and highly readable essays on matters ranging from the dynamism of the Viking Age to Anglo Saxon input into The Lord of the Rings from the great religious prose works to the transition from Old to Middle English It also branches out into related traditions with expert introductions to the Icelandic Sagas Viking Religion and Norse Mythology Peter S Baker provides an outstanding guide to taking your first steps in the Old English language while David Crystal provides a crisp linguistic overview of the entire period With a new chapter by Mike Bintley on Anglo Saxon archaeology and a revised chapter by Stewart Brookes on the prose writers of the English Benedictine Reform this updated second edition will be essential reading for students of the period

The Horrible Dummy and Other Stories Gerald Kersh, 2013-10-17 It is a quality of flamboyant vigour in Mr Kersh that wins attention first of all for his fiction and more especially perhaps for his occasional short story When his flamboyant energy of sentiment and language comes off he achieves an effect of genuine distinction at his surest that is he is a short story writer of a strongly individual and rewarding kind the best and cleverest of the 23 stories in this volume tells with excellent economy of a ventriloquist's dummy which was inhabited or so it seemed by the spirit of the ventriloquist's murdered father The Drunk And The Blind the sketch of an old battered and mentally ruined boxer is done with a telling and slightly brutal power The Devil That Troubled The Chess Board is another sound thing in a vein of the slightly macabre Times Literary Supplement 1944
