Lord I Need A Burning Bush:

Lord, I Need a Burning Bush Bill Taylor, 2002-01-01 The Burning Bush, 1927 Reencounter with Jesus Roberto Hernandez, 2016-06-30 Go above and beyond religion and come face to face with the Lord What if you could break out of your Sunday morning rut and experience real change in your life Imagine being personally intimately connected to the God of the universe and stepping into the abundant purposeful powerful life He has designed for you Roberto Hernandez challenges us with the truth that we are either serving the Lord or serving the world there is no in between Hernandez delves into Scripture and examines his own experiences with faith religion and the world to show us the practical steps of what it really means to walk with the Lord as well as the blessings we will receive if we do He reveals to us how to use our few days on earth to fulfill Gods purpose and prepare for eternity In this book youll learn Why one foot in and one foot out of the Kingdom will leave you out in the cold How to see with spiritual eyes and listen to the right voice so you can avoid being deceived The only way you can be sure never to fall into temptation The best way to share about God with a lost world How to learn from the past but not live in it Why you need to think in terms of Gods economy if you want lasting success You are missing out if you arent going all in with God Begin your Reencounter with Jesus today and your life will be forever transformed A Life of Vision Riaan Engelbrecht, 2023-01-27 At the moment of spiritual surrender unto God visibility of physical sight and senses surrenders unto eternal and everlasting spiritual vision for unto that moment the eyes of faith open and the sight of flesh ceases in perception and knowledge and understanding By that spiritual awakening and rebirth of vision as we yield to the powerful and glorious work of the Holy Spirit our journey unto the spiritual begins as we discover the true meaning of deep crying out the deep As we abandon ourselves to God we connect to divinity and so our reality world and senses are flooded by His sweet and majestic touch and glory **A Study of Angels** Edward P. Myers, 2010-06-15 This study of angelology discusses the origin nature activities and destiny of angels all based on solid biblical teaching assuring readers that they are not alone in this world The interest in angels has never been greater But with so much speculation and misinformation out there how can readers separate truth from fiction This study of angelology discusses the origin nature activities and destiny of angels all based on solid biblical teaching While comprehensive in scope and biblical in foundation this book is easy to read and understand This fascinating and informative book assures readers that they are not alone in this world **Burnout** Dustin D. Christensen, 2023-06-06 The Scriptures are filled with fire including the encounter that Moses had at the burning bush The truth that Moses discovered holds the same relevance today as it did thousands of years ago and you will live a more fulfilling life when you appreciate the everlasting fire of the Lord God wants you to possess the fire that He has to offer In this book the author celebrates the power of God s fire answering questions such as Does the fire of God ever really burn out in your life How can you rekindle God s fire if you re struggling with your faith Why should you let the everlasting fire of God burn within you The primary message of this book is that although you may be filled with hurt and pain God s Spirit can

burn in you again and make you whole Join the author as he explores how to overcome obstacles and enjoy the warmth of God's fire Journey to a Fearless Life Larry Hopkins, Jason Hopkins, 2006-02 *Ring of Truth* G.
