The Profit Book Two Richard David Kennedy, 2014-12-03 What do you get when you take a failed novelist a capricious alien a world renowned but debauched evangelist an alcoholic estate manager and mix them together with a half dozen other eccentric characters. What you get is distinctly different cocktail called THE PROFIT that you won't be able to order at a bar anywhere. The plot is a riddle in an enigma that is so well woven and imaginative it's almost too simple to understand. The content is mature intended for adults who are discerning readers who enjoy fine avant garde literature and bristling social satire particularly about evangelists and their followers and should be appreciated by atheists agnostics and the devoutly religious alike who have open minds. The reader is sure to be as captivated as it the Writerman in the book in this most
