The Mythical West Richard W. Slatta, 2001-11-20

This cultural journey down memory lane showcases how major Western figures events and places have been portrayed in folk legends art literature and popular culture Ever since the days of the 49ers and George Armstrong Custer the Old West has been America s most potent source of legend But it is sometimes hard to separate fact from fiction Did you know for example that Annie Oakley was a talented marksman who shot an estimated 40 000 rounds per year while practicing and performing for Buffalo Bill Cody s Wild West Show in the late 1800s Or that many interpreters believe that The Wonderful Wizard of Oz is not just a fairy tale but also a Populist allegory These are just two of the folk legends dissected and examined in this veritable cultural geography The volume covers everything from billionaire Howard Hughes and composer Aaron Copeland to Aztlan the legendary first city of the Aztecs and Area 51 the top secret U S Air Force base at Groom Lake Nevada that has fascinated UFO and conspiracy buffs

American Endurance Richard A. Serrano, 2016-10-04 Pulitzer Prize winning journalist and author Richard A Serrano s new book American Endurance Buffalo Bill the Great Cowboy Race of 1893 and the Vanishing Wild West is history mystery and Western all rolled into one In June 1893 nine cowboys raced across a thousand miles of American prairie to the Chicago World s Fair For two weeks they thundered past angry sheriffs governors and Humane Society inspectors intent on halting their race Waiting for them at the finish line was Buffalo Bill Cody who had set up his Wild West Show right next to the World s Fair that had refused to allow his exhibition at the fair The Great Cowboy Race occurred at a pivotal moment in our nation s history many believed the frontier was settled and the West was no more The Chicago World s Fair represented the triumph of modernity and the end of the cowboy age Except no one told the cowboys Racing toward Buffalo Bill Cody and the gold plated Colt revolver he promised to the first to reach his arena nine men went on a Wild West stampede from tiny Chadron Nebraska to bustling Chicago But at the first thud of hooves pounding on Chicago s brick pavement the race devolved into chaos Some of the cowboys shipped their horses part of the way by rail or hired private buggies One had the unfair advantage of having helped plan the route map in the first place It took three days numerous allegations and a good old Western showdown to sort out who was first to Chicago and who won the Great Cowboy Race
