## **Passions Fortune The Story Of Mills And Boon:**

**Passion's Fortune** Joseph McAleer, 1999-10-28 This is the first history of Mills Boon the British publishing phenomenon which has become a household name synonymous with romantic fiction On the firm's 90th anniversary Joseph McAleer has written the first history of Mills Boon drawing upon a long lost archive of over 50 000 letters which reveal the intricate relationship between editorial policy social attitudes and sales McAleer examines the dictates of the Mills Boon formula and demonstrates how novels were managed by the firm to ensure maximum sales and to nurture a cadre of loyal readers in Britain and throughout the Commonwealth The result is a cultural phenomenon whose product reflected the attitudes and morals of the age while offering women an addictive escape from everyday life It's a fascinating read for anyone who's ever wondered about writing a Mills Boon or wants to understand the story behind one of the most successful British firms of the twentieth century

**New Approaches to Popular Romance Fiction** Sarah S.G. Frantz, Eric Murphy Selinger, 2014-01-10 Despite the prejudices of critics popular romance fiction remains a complex dynamic genre It consistently maintains the largest market share in the American publishing industry even as it welcomes new subgenres like queer and BDSM romance Digital publishing originated in erotic romance and savvy online communities have exploded myths about the genre's readership Romance scholarship now reflects this diversity transformed by interdisciplinary scrutiny new critical approaches and an unprecedented international dialogue between authors scholars and fans These eighteen essays investigate individual romance novels authors and websites rethink the genre's history and explore its interplay of convention and originality By offering new twists in enduring debates this collection inspires further inquiry into the emerging field of popular romance studies

**Virgin Envy** Jonathan A. Allan, Cristina Santos, Adriana Spahr, 2016-11-15 Virginity is of concern here that is its utter messiness At once valuable and detrimental normative and deviant undesirable and enviable Virginity and its loss hold tremendous cultural significance For many female virginity is still a universally accepted condition something that is somehow bound to the hymen whereas male virginity is almost as elusive as the G spot we know it's there it's just we have a harder time finding it Of course boys are virgins queers are virgins some people reclaim their virginities and others reject virginity from the get go So what if we agree to forget the hymen all together Might we start to see the instability of terms like untouched pure or innocent Might we question the act of sex the very notion of relational sexuality After all for many people it is the sexual acts they don't do or don't want to do that carry the most abundant emotional clout Virgin Envy is a collection of essays that look past the vestal virgins and beyond Joan of Arc From medieval to present day literature the output of HBO Bollywood and the films of Abdellah Taïa or Derek Jarman to the virginity testing of politically active women in Tahrir Square the writers here explore the concept of virginity in today's world to show that ultimately virginity is a site around which our most basic beliefs about sexuality are confronted and from which we can come to understand some of our most basic anxieties paranoias fears and desires

The Historical Novel Jerome De Groot, 2009-09-10 The historical novel is

not only an immensely popular genre but also one that raises fascinating questions about the nature of key foundational concepts such as fact and fiction history reading and writing This wide ranging guide offers an accessible introduction to both the genre and the critical debates around it Public Indecency in England 1857-1960 David J. Cox, Kim Stevenson, Candida Harris, Judith Rowbotham, 2015-06-12 Throughout the nineteenth century and twentieth century various attempts were made to define and control problematic behaviour in public by legal and legislative means through the use of a somewhat nebulous concept of indecency Remarkably however public indecency remains a much under researched aspect of English legal social and criminal justice history Covering a period of just over a century from 1857 the date of the passing of the first Obscene Publications Act to 1960 the date of the famous trial of Penguin Books over their publication of *Lady Chatterley's Lover* following the introduction of a new Obscene Publications Act in the previous year Public Indecency in England investigates the social and cultural obsession with various forms of indecency and how public perceptions of different types of indecent behaviour led to legal definitions of such behaviour in both common law and statute This truly interdisciplinary book utilises socio legal historical and criminological research to discuss the practical response of both the police and the judiciary to those caught engaging in public indecency as well as to highlight the increasing problems faced by moralists during a period of unprecedented technological developments in the fields of visual and aural mass entertainment It is written in a lively and approachable style and as such is of interest to academics and students engaged in the study of deviance law criminology sociology criminal justice socio legal studies and history It will also be of interest to the general reader **The Oxford Handbook of Jack London** James W. Williams, 2017 With his novels journalism short stories political activism and travel writing Jack London established himself as one of the most prolific and diverse authors of the twentieth century Covering London's biography cultural context and the various genres in which he wrote The Oxford Handbook of Jack London is the definitive reference work on the author Encyclopedia of Romance Fiction Kristin Ramsdell, 2018-09-07 As the first encyclopedia solely devoted to the popular romance fiction genre this resource provides a wealth of information on all aspects of the subject Romance fiction accounts for a large share of book sales each year and contrary to popular belief not all of its readers are women roughly 16 percent are men This enormously popular genre continues to captivate people reading for pleasure and it also commands a growing amount of academic interest Included are alphabetically arranged reference entries on significant authors along with works themes and other topics The articles are written by scholars librarians and industry professionals with a deep knowledge of the genre and so provide a thorough understanding of the subject An index provides easy access to information within the entries and bibliographies at the end of each entry a general bibliography and a suggested romance reading list allow for further study of the genre *Australian Books and Authors in the American Marketplace 1840s-1940s* David Carter, Roger Osborne, 2018-07-02 *Australian Books and Authors in the American Marketplace 1840s-1940s* explores how Australian writers and their works were present in the

United States before the mid twentieth century to a much greater degree than previously acknowledged Drawing on fresh archival research and combining the approaches of literary criticism print culture studies and book history David Carter and Roger Osborne demonstrate that Australian writing was transnational long before the contemporary period In mapping Australian literature s connections to British and US markets their research challenges established understandings of national imperial and world literatures Carter and Osborne examine how Australian authors editors and publishers engaged productively with their American counterparts and how American readers and reviewers responded to Australian works They consider the role played by British publishers and agents in taking Australian writing to America and how the international circulation of new literary genres created new opportunities for novelists to move between markets Some of these writers such as Christina Stead and Patrick White remain household names others who once enjoyed international fame such as Dale Collins and Alice Grant Rosman have been largely forgotten The story of their books in America reveals how culture commerce and copyright law interacted to create both opportunities and obstacles for Australian writers

**Making Books** David Carter, Anne Galligan, 2007 A MUST HAVE FOR ANYONE INVOLVED OR INTERESTED IN THE PUBLISHING INDUSTRY A wide ranging study of contemporary publishing in Australia specifically focusing on the period from 1990 onwards and looking towards the future The Australian publishing industry turns over almost 2 billion dollars a year This collection of essays analyses the structure and dynamics of the industry in the context of social cultural and legal forces Making Books presents a sophisticated introduction to the structure and dynamics of the contemporary publishing industry Chapters focus on topics such as the structure of the Australian publishing industry the culture of the publishing house editorial practice and policy publishing and cultural policy the decline of literary publishing Books can the impact of new technologies on the industry and much much more

*Travel and Colonialism in 21st Century Romantic Historical*

*Fiction* Paloma Fresno-Calleja, Hsu-Ming Teo, 2024-12-16 Romantic fiction has often involved stories of travel In narratives of the journey towards love romance often involves encounters with exotic places and peoples When history is invoked in such stories the past itself is exoticised and treated as other to the present to serve the purposes of romanticisation a narrative strategy by which all manner of things settings characters costumes customs consumables are made to perform a luxuriant otherness that amplifies the experience of love This volume questions the reparative function of Anglophone romantic historical fiction to ask can plots of travel and discourses of tourism empower women while narrating stories of healing for the wounds of the past This is the first volume to consider how romanticised and exoticised women's historical fiction not only serves the purposes of armchair travel but may also replicate colonial discourse unintentionally positioning readers as neocolonial neo Orientalist cultural voyeurs as well as voyagers *An Imperialist Love Story* Amira Jarmakani, 2015-07-31 A curious figure stalks the pages of a distinct subset of mass market romance novels aptly called desert romances Animalistic yet sensitive dark and attractive the desert prince or sheikh emanates manliness and raw sexual power In the years since September 11 2001 the sheikh character has steadily risen in popularity in romance novels even while depictions of Arab masculinity as backward and violent in nature have dominated the cultural landscape *An Imperialist Love Story* contributes to the broader conversation about the legacy of orientalist representations of Arabs in Western popular culture Combining close readings of novels discursive analysis of blogs and forums and interviews with authors Jarmakani explores popular investments in the war on terror by examining the collisions between fantasy and reality in desert romances Focusing on issues of security freedom and liberal multiculturalism she foregrounds the role that desire plays in contemporary formations of U S imperialism Drawing on transnational feminist theory and cultural studies *An Imperialist Love Story* offers a radical reinterpretation of the war on terror demonstrating romance to be a powerful framework for understanding how it works and how it perseveres *The Routledge Companion to Australian Literature* Jessica Gildersleeve, 2020-12-22 In recent years Australian literature has experienced a revival of interest both domestically and internationally The increasing prominence of work by writers like Christos Tsiolkas heightened through television and film adaptation as well as the award of major international prizes to writers like Richard Flanagan and the development of new high profile prizes like the Stella Prize have all reinvigorated interest in Australian literature both at home and abroad This Companion emerges as a part of that reinvigoration considering anew the history and development of Australian literature and its key themes as well as tracing the transition of the field through those critical debates It considers works of Australian literature on their own terms as well as positioning them in their critical and historical context and their ethical and interactive position in the public and private spheres With an emphasis on literature's responsibilities this book claims Australian literary studies as a field uniquely positioned to expose the ways in which literature engages with produces and is produced by its context provoking a critical re evaluation of the concept of the relationship between national literatures cultures and histories and the social function of

literary texts      **Representing Difference in the Medieval and Modern Orientalist Romance** Amy Burge, 2017-02-14  
 This book the first full length cross period comparison of medieval and modern literature offers cutting edge research into the textual and cultural legacy of the Middle Ages a significant and growing area of scholarship At the juncture of literary cultural and gender studies and capitalizing on a renewed interest in popular western representations of the Islamic east this book proffers innovative case studies on representations of cross religious and cross cultural romantic relationships in a selection of late medieval and twenty first century Orientalist popular romances Comparing the tropes characterization and settings of these literary phenomena and focusing on gender religion and ethnicity the study exposes the historical roots of current romance representations of the east advancing research in Orientalism neo medievalism and medieval cultural studies Fundamentally Representing Difference invites a closer look at medieval and modern popular attitudes towards the east as represented in romance and the kinds of solutions proposed for its apparent problems      Heartthrobs Carol Dyhouse, 2017-02-09 From dreams of Prince Charming or dashing military heroes to the lure of dark strangers and vampire lovers from rock stars and rebels to soulmates dependable family types or simply good companions female fantasies about men tell us a great deal about the history of women In Heartthrobs Carol Dyhouse draws upon literature cinema and popular romance to show how the changing cultural and economic position of women has shaped their dreams about men When girls were supposed to be shrinking violets passionate females risked being seen as unbridled or dangerously out of control Change came slowly and young women remained trapped in a double bind you may have needed a husband in order to survive but you had to avoid looking like a gold digger Show attraction too openly and you might be judged fast and undesirable Education and wage earning brought independence and a widening of horizons for women These new economic beings showed a sustained appetite for novel reading cinema going and the dancehall They sighed over Rudolph Valentino s screen performances as tango dancer or Arab tribesman and desert lover Women may have been ridiculed for these obsessions but as consumers they had new clout This book reveals changing patterns of desire and looks at men through the eyes of women      *Seeking a Role* Brian Harrison, 2009-03-26 An impressively detailed but also unusually wide ranging analysis of post war Britain in the 1950s and 60s covering everything from international relations to family life the countryside to manufacturing religion to race cultural life to political structures      **The Pleasures of Reading** Catherine Sheldrick Ross, 2014-06-27 Based on years of ground breaking research this book supplies a look at the unique relationship between each text and the individual reader that results in a satisfying pleasurable and even life changing reading experience Following up on her critically acclaimed Reading Matters What the Research Reveals about Reading Libraries and Community Catherine Sheldrick Ross takes a new look at pleasure reading through 30 thought provoking essays based on themes arranged from A to Z In short lively chapters she discusses topics ranging from Alexia Bad Reading and Changing Lives to Romance Fiction Self help Titles Vampires and Year of Reading Drawing on her own research as well as other

published sources Ross comments on the significance of each theme provides examples of the phenomenon and develops the topic chronologically through further examples or through reversals The essays are unified by an underlying theory of reading that views readers as sense makers actively engaged in reading themselves into the text and reading the texts back into their own lives It gives educators and librarians insights into their roles with readers and offers a message about the importance of pleasure reading A short list of resources for further reading is supplied with each topic

*Queer London* Matt Houlbrook, 2006-10-15 *Queer London* explores the underground gay culture of London during four decades when homosexual acts between consenting adults remained illegal The author discovers how queer men made sense of their sexuality and how their lifestyles were affected by and in turn influenced the life of the metropolis

**Transformation of Love** Elif Güvendi Yalçın, 2022-11-03 Romances date back to the creation of stories Although the definition of the genre has changed in time from the Ancient Greeks to the Bildungsromans to the 19th century and today's courtship novels both scholarship and widely held attitudes towards romance has remained fixedly and prioritized only the universality unoriginality and continuity of romance fiction instead of its sociocultural effect of promoting positive ideals like female empowerment The portrayal of women in social roles has been in a state of constant change including their relationship with and relation to men This book explores only medieval historical romance fictions and their changes through the course of the time I examine three medieval romances content Walter Scott's *Ivanhoe* 1920 Kathleen Woodowiss *The Wolf and the Dove* 1974 and Amanda Quick's *Mystique* 1995 written in different time periods based on content analysis using Anthony Giddens's 1992 theories of intimacy In addition it will address romance novels views about sex gender and love roles

**Making Meaning in Popular Romance Fiction** Jayashree Kamblé, 2014-08-07 Despite pioneering studies the term romance novel itself has not been subjected to scrutiny This book examines mass market romance fiction in the U K Canada and the U S through four categories capitalism war heterosexuality and white Protestantism and casts a fresh light on the genre
