Oleinik, 2017-11-30 This book applies institutional theory to the analysis of the post Soviet Russian economy to bring to light the reasons why reforms have gone awry Emphasis is put on the elements missed in the early blueprints of reforms constraints embodied in formal and especially informal institutions Other aspects considered include the dominant model of power relationships and the networks of localized and personalized relationships among economic actors The first part provides a general description of the core concepts of institutional theory including both the old institutionalism of T Veblen and J Commons and the new institutional economics of R Coase O Williamson and D North and in the second part an institutional model of the post Soviet Russian economy is developed In the course of the analysis the authors discuss such unresolved issues as post privatization development in Russia and validity of the Coase theorem in the post Soviet institutional context Rich empirical data grounds the discussion throughout *Doing Business with Russia's Electrical Energy Sector* Marat Terterov, 2004-09 *Doing Business with Russia's Electrical Energy Sector* examines the vast Russian energy system as it is being updated and restructured to become an integral part of the global

energy system This guide highlights commercial opportunities and explains business practice in the sector including the investment climate legislation plans for restructuring regional system development international cooperation and other relevant topics Major investment projects from the Russian electricity industry and some of the major regional electricity companies are also discussed *Business in Post-Communist Russia* Mikhail Glazunov,2013-12-04 It is a widely held idea that Russia has completed its revolution which brought down the Soviet economy and that many companies after privatisation work as typical western companies Another belief is that Russia has adopted a market economy but then reverted to authoritarianism With these two ideas in mind this book discusses the suggestion that the key element of post Soviet economic and political reforms in the last two decades was the redistribution of assets from the state to oligarchs and the new elite It looks at why most Russian companies could not achieve strong long run corporate performance by analysing in detail a range of different Russian companies The book is a useful tool for understanding the future prospects for Russian business **Russia Automobile Industry Directory - Strategic Information and Contacts** IBP, Inc.,2009-03-30 Russia Automobile Industry Directory Russian Multinationals Andrei Panibratov,2013-06-19 Russian multinationals are playing an increasingly important role in the world economy particularly in some key sectors such as oil gas and metallurgy At the same time Russian multinationals differ in many respects from multinationals from other countries in that they often receive special treatment from the Russian government and because of past experiences international investors are often reluctant to invest in them This book presents a comprehensive overview of Russian multinationals It discusses the rise of Russian multinationals examines Russian multinationals activities in key sectors analyses the relationship between Russian multinationals and the Russian government and between Russian multinationals and international investors and concludes by assessing how Russian multinationals are likely to develop in future *Business Profile of the Moscow Region of Russia* BIA,2006-12 **Integrated Science in Digital Age** Tatiana Antipova,2019-06-17 This book gathers selected papers presented at the 2019 International Conference on Integrated Science in Digital Age ICIS 2019 which was jointly supported by the Institute of Certified Specialists ICS Russia and Springer and held in Batumi Georgia on May 10 12 2019 The ICIS 2019 received roughly 50 contributions by authors hailing from six countries Following a peer review process the Scientific Committee a multidisciplinary group of 110 experts from 38 countries around the globe selected roughly 60% for publication The main topics covered include Artificial Intelligence Research Digital Business Educational Sciences Health Management Informatics Public Administration in the Digital Age and Social Problem solving **Corporate Governance in Transition Economies** Robert W. McGee,2008-11-16 Corporate Governance in Transition Economies will appeal to a wide segment of the academic market including accounting and finance professors and students because the main theme of the book deals with accounting and financial system reform Economists in the subfields of transition economics and development economics for it addresses current issues in their field It will also appeal to scholars in the field of Russian and East European Studies

because the book discusses topics involving Russia Ukraine and other East European countries Policy analysts who deal with accounting finance transition economics or Russia or Eastern Europe will also find this book to be a valuable reference and source of current information **Minerals Yearbook** ,2007 Reviews the mineral and material industries of the United States and foreign countries Contains statistical data on materials and minerals and includes information on economic and technical trends and development Includes chapters on approximately 90 commodities and over 175 countries **Belarus Mineral, Mining Sector Investment and Business Guide Volume 1 Strategic Information and Regulations** IBP USA,2013-08 Belarus Mineral Mining Sector Investment and Business Guide Strategic and Practical Information **Russia Today Atlas: Strategic Information for Business and Political Decision Makers** IBP, Inc,1998-01-01 Explaining Post-Soviet Patchworks Klaus Segbers,2017-10-05 This title was first published in 2001 Based on extensive research this trilogy provides new insights into Post Soviet transformations without taking refuge in the traditional assumption that Russia is unique Using powerful analytical tools this trilogy marks the re integration of the Former Soviet Union FSU into the main current of political science An invaluable resource for all those interested in Russia and the Post Soviet states This first volume focuses on state sectoral and transnational actors from a predominantly rational choice perspective The book includes an extensive introduction by the editor which uses additional material gathered by the project team on two polls 1999 and 2000 which in addition to the individual studies provide sufficient data to obtain unprecedented insights into the basic preferences and the logic of action of the main players in Russia The outcomes of this research will be particularly relevant for students researchers journalists and decision makers interested in Russia and the Post Soviet states politics international relations economics social policy and sociology Unleashing Russia's Business Potential Harry G. Broadman,2002-01-01 Russia needs to continue to assess and improve its business environment in order to ensure continuing investment and sustained growth Currently many of the new businesses are being established in the larger urban areas but similar new businesses need to develop at the regional level This book based on in depth case studies of more than 70 companies across 13 regions in Russia examines four areas key to institutional development and formulates policy recommendations Topics include the determinants of inter enterprise competition and market structure at the local level the regulatory regime governing the price supply and access to local infrastructure services access to corporate finance in regional markets and the legal system for resolution of commercial disputes Corporate Social Responsibility in the Mining Industries Natalia Yakovleva,2017-05-15 Based on the concept of corporate social responsibility this book analyses modern approaches adopted by mining companies that could minimise negative impacts of mining and enhance positive benefits to corporate stakeholders Using a case study of two mining sectors gold and diamond mining the book evaluates policies and practices of mining companies within four key areas of corporate social responsibility environmental protection health and safety employee relations and community development Also included is an assessment of three models for

community development that are developed within the mining industries company led approach establishment of corporate foundation and tri sector partnership The study analyses management of corporate social responsibility issues with specific reference to mining in the Russian Federation and provides a comparison with global mining companies
