Russia The West From Peter To Khrushch:

Russia and the West from Peter to Khrushchev Lawrence Jay Oliva,1965 The Struggle for the West Christopher Browning,Marko Lehti,2009-09-29 This book problematises the idea of and debates about a divided West that have emerged since 9 11 and the controversy over the Iraq War **Russia, 1855-1991** Peter Oxley,2001 Written for the AS A2 examinations this book focuses on exam board selected topics It covers almost 150 years of Russian history from Alexander II through Glasnost to the modern times It deals the period 1895 1941 with separate chapters on the Russian Revolution Lenin and Stalin From Catherine to Khrushchev Adam Giesinger,1974 **Khrushchev** Geoffrey Swain,2015-12-03 This concise approachable introduction to Khrushchev explores the innovative theme of Khrushchev as reformer arguing that the bumbling nature of those reforms only partly reflected Khrushchev s uncertainty about how to act Swain provides a cogent account of Khrushchev s political career and of his wider role in Soviet and world politics **Soviet State and Society Under Nikita Khrushchev** Melanie Ilic,Jeremy Smith,2009-04-06 This book examines the social and cultural impact of the thaw in Cold War relations decision making and policy formation in the Soviet Union under Nikita Khrushchev It highlights the fact that many of the reform initiatives generally associated with Khrushchev personally and with his period of office more generally often had their roots in the Stalin period both in their content and in the ways in which they were implemented Individual case studies explore key aspects of Khrushchev s period of office including the introduction of the 1961 Communist Party Programme and popular responses to it housing policy the opening up of the Soviet Union to the West during the 1957 youth festival public consultation campaigns and policy implementation in education and family law the boost given to voluntary organisations such as women s councils and the trade unions the reshaping of the internal Soviet security apparatus the emergence of political dissent and the nature of civil military relations as reflected in the events of the workers uprising in Novocherkassk in 1962 The findings offer an important new perspective on the Khrushchev era The Private World of Soviet Scientists from Stalin to Gorbachev Maria Rogacheva,2017-07-10 A major new contribution to understanding the transition of Soviet society from Stalinism to a more humane model of socialism *Congressional Record* United States. Congress,1978 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Russian Leaders** Alexander Dragomiroff,2002 **Russian Leaders** A Bibliography With Indexes **Putin and the Return of History** Martin Sixsmith,2024-01-18 An original history of Russia s thousand year past tracing the forces and the myths that have shaped Putin s politics and rekindled the Cold War Vladimir Putin s invasion of Ukraine has reshaped history In the decades after the collapse of Soviet communism the West convinced itself that liberal democracy would henceforth be the dominant ultimately

unique system of governance a hubris that shaped how the West would treat Russia for the next two decades But history wasn't over Putin is a paradox In the early years of his presidency he appeared to commit himself to friendship with the West suggesting that Russia could join the European Union or even NATO He said he supported free market democracy and civil rights But the Putin of those years is unrecognisable today The Putin of the 2020s is an autocratic nationalist dedicated to repression at home and anti Western militarism abroad So what happened Was he lying when he proclaimed his support for freedom democracy and friendship with the West Or was he sincere Did he change his views at some stage between then and now And if that is the case what happened to change him Putin and the Return of History examines these questions in the context of Russia's thousand year past tracing the forces and the myths that have shaped Putin's politics of aggression the enduring terror of encirclement by outsiders the subjugation of the individual to the cause of the state the collectivist values that allow the sacrifice of human lives in battle the willingness to lie and deceive the co-opting of religion and the belief in Great Russia's mission to change the world

Joseph Stalin David R. Egan, Melinda A. Egan, 2007-07-25 With the opening of Russian and communist bloc archives dating from the Soviet era there has been a significant increase of scholarly writings pertaining to Joseph Stalin Widely considered to be among the most influential historical figures of the twentieth century Stalin continues to be a source of intense study In the absence of a comprehensive compilation of periodical literature the need for Joseph Stalin An Annotated Bibliography of English Language Periodical Literature to 2005 is conspicuous Ranging from editorials and news reports to academic articles the more than 1 700 sources cited collectively cover the full range of his life the various aspects of his leadership and virtually all facets of the system and practices traditionally associated with his name The coverage in this bibliography extends beyond the person of Stalin to include the subjects of Stalinism the Stalinist system the Stalin phenomenon and those policies and practices of the Communist Party and Soviet state associated with him This volume also provides a record of scholarly opinion on Stalin and sheds light on the evolution and current state of Stalinology An effort has been made to list only those articles in which Stalin figures prominently but in some instances articles have been included which do not center on Stalin but are worthy of listing for other reasons The book is divided into fourteen main sections General Studies and Overviews Biographical Information and Psychological Assessments The Revolutionary Movement October Revolution and Civil War Rise to Power Politics Economics Society and Social Policy Nationalism and Nationality Policy Culture Religion Philosophy and Theory Foreign Relations and International Communism Military Affairs and De Stalinization Including a subject index of several hundred headings and even greater number of subheadings this comprehensive annotated bibliography should be of benefit to those individuals who for the purpose of research or classroom

Russia's Foreign Policy Andrei P. Tsygankov, 2025-06-26 This clear and comprehensive text explores the past thirty years of Soviet Russian international relations comparing foreign policy formation under Gorbachev Yeltsin Medvedev and Putin Challenging conventional views of Moscow's foreign policy Andrei Tsygankov shows that

Khrushchev's Cold Summer Miriam Dobson,2011-01-15 Between Stalin s death in 1953 and 1960 the government of the Soviet Union released hundreds of thousands of prisoners from the Gulag as part of a wide ranging effort to reverse the worst excesses and abuses of the previous two decades and revive the spirit of the revolution This exodus included not only victims of past purges but also those sentenced for criminal offenses In Khrushchev s Cold Summer Miriam Dobson explores the impact of these returnees on communities and more broadly Soviet attempts to come to terms with the traumatic legacies of Stalin s terror Confusion and disorientation undermined the regime s efforts at recovery In the wake of Stalin s death ordinary citizens and political leaders alike struggled to make sense of the country s recent bloody past and to cope with the complex social dynamics caused by attempts to reintegrate the large influx of returning prisoners a number of whom were hardened criminals alienated and embittered by their experiences within the brutal camp system Drawing on private letters as well as official reports on the party and popular mood Dobson probes social attitudes toward the changes occurring in the first post Stalin decade Throughout she features personal stories as articulated in the words of ordinary citizens prisoners and former prisoners At the same time she explores Soviet society s contradictory responses to the returnees and shows that for many the immediate post Stalin years were anything but a breath of spring air after the long Stalinist winter

The Year I Was Peter the Great Marvin Kalb,2017-10-10 A chronicle of the year that changed Soviet Russia and molded the future path of one of America s pre eminent diplomatic correspondents 1956 was an extraordinary year in modern Russian history It was called the year of the thaw a time when Stalin s dark legacy of dictatorship died in February only to be reborn later that December This historic arc from rising hope to crushing despair opened with a speech by Nikita Khrushchev then the unpredictable leader of the Soviet Union He astounded everyone by denouncing the one figure who up to that time had been hailed as a genius a wizard of communism Josef Stalin himself Now suddenly this once unassailable god was being portrayed as a madman whose idiosyncratic rule had seriously undermined communism and endangered the Soviet state This amazing switch from hero to villain lifted a heavy overcoat of fear from the backs of ordinary Russians It also quickly led to anti communist uprisings in Eastern Europe none more bloody and challenging than the one in Hungary which Soviet troops crushed at year s end Marvin Kalb then a young diplomatic attach
