Russia Under The Autocrat Nicholas The F:

Nicholas I, Emperor and Autocrat of All the Russias W. Bruce Lincoln, 1978 The Indiana U Press edition 1978 is cited in BCL3 A scholarly biography that provides a view of Russian autocracy Annotation copyrighted by Book News Inc Portland OR *Russia Under the Last Tsar* Theofanis G. Stavrou, 1969 The reign of Russia's last tsar Nicholas II from 1894 to 1917 constitutes a period of continuing controversy among historians Interesting in its own right it is also a time of great importance to an understanding of the cataclysmic events which follow *Nesselrode and the Russian Rapprochement with Britain, 1836-1844* Harold N. Ingle, 1976 Count Karl Nesselrode Russian foreign minister 1816-1856 was a controversial figure in the government of Nicholas I The rapprochement with Britain perhaps his finest achievement was opposed at every step by Russians who regarded Britain as a rival It was later condemned by tsarist historians as an example of the cosmopolitan diplomacy that weakened their country in competition with the Western powers Soviet historians have followed their lead asserting that it was against national interests But Nesselrode did avoid war in a series of dangerous confrontations in Asia and the Near East outmaneuvering opponents who wanted to meet Britain head on and he managed to extricate Russia from diplomatic isolation at the same time Finally he advanced bipartisanship in an agreement on the Eastern Question that led to the renewal of the European concert He was working to extend the areas of cooperation particularly by promoting freer trade and commerce when his opponents more effectively countered his influence in the mid 1840s Jacket flap **The Course of Russian History, 5th Edition** Melvin C. Wren, Taylor Stults, 2009-01-08 Now in its fifth edition this definitive history of the Russian land and people builds on its success as a fascinating survey of two thousand years of struggle to harness vast resources and talents into a powerful and cohesive nation From its beginning as a savage and exotic land Russia underwent a complex evolution of political social and religious forces the barbarism of its internal conflicts in seeming contradiction with its goals to advance in the realms of technology art education and high culture From the conflicts of the fantastically wealthy ruling class to the poor and oppressed masses emerged the Communist party and the enigmatic figures whose charismatic manipulation of political power reflected the myriad rulers before them Finally as the modern world watched this great entity collapsed in a devastatingly brief time millennia of precarious conflict proving too much for the tenuous coalescence of twentieth century politics Written in an engaging and accessible style this text presents students with a comprehensive look at the momentous events and legendary figures which helped shape Russia's turbulent history *A Political and Social History of Modern Europe* Carlton Joseph Huntley Hayes, 1917 **Late Imperial Russia, 1890-1917** John F. Hutchinson, 2014-10-14 This new interpretation of the final years of Imperial Russia provides a clear and concise introduction to a critical period in the history of modern Russia Professor Hutchinson outlines the key problems facing the Tsarist regime and the attitudes of its Liberal critics and revolutionary enemies In particular he considers how the monarchy was able to withstand the uprisings of 1904-06 but failed in 1917 This important new study

provides an analysis of social as well as political developments and concludes with a brief historiographical essay which draws together alternative interpretations of the final years of the Tsars [Russia's Missing Middle Class](#) Harley D. Balzer, 1996 A history of the Russian professional communities prior to 1917 prefaces the contemporary changes being experienced in the country as it rejoins the global community The 10 scholarly essays underline the disappearance of the professional class in Russian society and examine the fields of engineering medicine psychiatry education and law Paper edition unseen 29 95 Annotation copyright by Book News Inc Portland OR **Physical and Health Education** Morgan La Fayette Combs, Virginia, Virginia.
