

Russian Immigrants

James O. Finckenaue,r,Elin J. Waring

Russian Immigrants:

Russian Immigrants Lisa Trumbauer, Robert Asher, 2009 The United States is truly a nation of immigrants or as the poet Walt Whitman once said a nation of nations Spanning the time from when the Europeans first came to the New World to the present day the new Immigration to the United States set conveys the excitement of these stories to young people Beginning with a brief preface to the set written by general editor Robert Asher that discusses some of the broad reasons why people came to the New World both as explorers and settlers each book s narrative highlights the themes people places and events that were important to each immigrant group In an engaging informative manner each volume describes what members of a particular group found when they arrived in the United States as well as where they settled Historical information and background on the various communities present life as it was lived at the time they arrived The books then trace the group s history and current status in the United States Each volume includes photographs and illustrations such as passports and other artifacts of immigration as well as quotes from original source materials Box features highlight special topics or people and each book is rounded out with a glossary timeline further reading list and index **Russian**

Immigrants, 1860-1915 Helen Frost, 2002-09 Discusses the reasons Russian people left their homeland to come to America the experiences the immigrants had in the new country and the contributions this cultural group made to American society Includes sidebars and activities **Russian Mafia in America** James O. Finckenauer, Elin J. Waring, 1998 An examination of

Russian organized crime at home and in the U S The Russian Immigrant Jerome Davis, 1922 **In the Golden Land** Rita J. Simon, 1997-03-25 From 1870 to 1900 over a half million Russian Jews came to the United States Russian Jewish emigration had ceased by the 1920s due to the effects of the First World War the Bolshevik Revolution and the Quota Acts but a century later Jews from the former Soviet Union began to emigrate in large numbers This detailed account describes the motivations of Russian and Soviet Jews for leaving their homeland and their subsequent adjustments to life in the United States Simon a sociologist provides insight into who these Jewish immigrants were and are what they accomplished and how they have been viewed **Russian Diaspora** Ludmila Isurin, 2011-03-29 This book offers an interdisciplinary perspective on

one of the largest immigrant groups in the West Most of the extant books on the subject of Russian immigration are written from a sociological or socio linguistic perspective They are focused on strictly Jewish immigration or cast the immigrant community as Russian ignoring the reality of two distinct ethnic groups In addition none of the extant literature or books is based on an empirical controlled study of a numerically large group of immigrants Finally few if any published monographs make use of qualitative as well as quantitative methods of analysis or the same theoretical framework to explore changes in culture identity and language The proposed book has several features distinguishing it from the currently available scholarship Russian Diaspora examines two distinct ethnic groups relies on empirical data based on sizable groups in three countries and looks into three elements of acculturation culture identity and language Of the 214 people who participated in

the present study 174 are Russian immigrants who had resided in the United States Germany and Israel between ten and thirty years In addition to offering a combination of quantitative and qualitative analyses the book adopts sociological socio linguistic and psycho linguistic methods of analysis P *The Russians in Israel* Majid Ibrahim Al-Haj,2019-01-10 This book constitutes the first systematic and critical discussion of questions of immigration and society in Israel from a global perspective The comprehensive study covers the 30 year period since the beginning of the immigrant influx from the former Soviet Union in the 1990s and incorporates data based on a variety of quantitative and qualitative research methods It provides an important opportunity to examine identity and patterns of adaptation among immigrants with the added perspective afforded by the passage of time Moreover it sheds light on the Russians cumulative influence on Israeli society and on the Israel Palestinian conflict Considering all groups within Israeli society it covers Palestinian Arab citizens in Israel who have almost never been included in analyses addressing questions of Jewish immigration to Israel Multiculturalism is the central theoretical framework of this study alongside specific theoretical considerations of ethnic formation political mobilization among ethnic groups and immigration and conflict in deeply divided societies However while Jewish Arab relations in Israel are typically analyzed in the context of majority minority relations this book offers a pioneering approach that analyzes these relations within the context of a Jewish majority with a minority phobia and an Arab minority with a sense of regional majority Addressing existing and anticipated influences of Russian immigrants on politics culture and social structures in Israel as well as the Israeli Palestinian conflict *The Russians in Israel* will be useful to students and scholars of Middle Eastern politics and society as well as Israel Russian and Ethnicity Studies *Immigrants in American History* Elliott Robert Barkan,2013-01-17 This encyclopedia is a unique collection of entries covering the arrival adaptation and integration of immigrants into American culture from the 1500s to 2010 Few topics inspire such debate among American citizens as the issue of immigration in the United States Yet it is the steady influx of foreigners into America over 400 years that has shaped the social character of the United States and has favorably positioned this country for globalization *Immigrants in American History* Arrival Adaptation and Integration is a chronological study of the migration of various ethnic groups to the United States from 1500 to the present day This multivolume collection explores dozens of immigrant populations in America and delves into major topical issues affecting different groups across time periods For example the first author of the collection profiles African Americans as an example of the effects of involuntary migrations A cross disciplinary approach derived from the contributions of leading scholars in the fields of history sociology cultural development economics political science law and cultural adaptation introduces a comparative analysis of customs beliefs and character among groups and provides insight into the impact of newcomers on American society and culture *Jewish Immigration to the United States from 1881 to 1910* Samuel Joseph,2023-10-05 In *Jewish Immigration to the United States from 1881 to 1910* Samuel Joseph meticulously examines the waves of Jewish migration during a pivotal period marked by both hardship and opportunity

Employing a blend of historical narrative and sociological analysis Joseph navigates the political economic and cultural contexts that compelled approximately two million Jews to flee persecution in Eastern Europe His literary style is both accessible and rigorous characterized by detailed case studies and primary source documents that enrich the reader's understanding of the immigrant experience Joseph situates this mass migration within the broader spectrum of American immigration trends revealing layers of complexity in the pursuit of religious freedom and economic security Samuel Joseph an esteemed historian specializing in Jewish American studies draws upon his own family's immigrant saga to illuminate the broader realities faced by Jewish settlers His academic background combined with extensive field research informs his exploration of identity community formation and the socio political challenges that shaped Jewish life in America Joseph's work is not only a scholarly pursuit but a personal one making his insights all the more poignant This book stands as an essential resource for anyone seeking to grasp the nuances of Jewish immigration and its lasting impact on American society Scholars students and general readers alike will find in Joseph's work a compelling narrative that evokes empathy and understanding making it a vital contribution to the fields of immigration studies and American history In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

[Russians in America](#) Alison Behnke, 2005-01-01 Traces the history of motivations behind and lives of the many Russians who emigrated to the United States over the last two centuries *Abstracts of reports of the Immigration commission* United States. Immigration Commission (1907-1910), 1911

Constellations of the Transnational, 2015-06-29 In the wake of proliferating discourses around globalisation and culture some central questions around cultural politics have acquired a commonsensical and hegemonic character in contemporary intellectual discourse The politics of difference the possibilities of hybridity and the potential of multiple liminalities frame much discussion around the transnational dimensions of culture and post identity politics In this volume the economic political and social consequences of the focus on culture in contemporary theories of globalization are analysed around the disparate fields of architecture museum discourse satellite television dub poetry carnival and sub national theatre The discourses of hybridity diaspora cultural difference minoritization are critically interrogated and engaged with through close analysis of cultural objects and practices The essays thus intervene in the debate around modernity globalization and cultural politics and the volume as a whole provides a critical constellation through which the complexity of transnational culture can be framed Thinking through the particular the essays limn the absent universality of forms of capitalist globalization and the volume as a whole provides multiple perspectives from which to enter the singular modernity of our times in all its complexity

Diasporas and Ethnic Migrants Rainer Munz, Rainer Ohliger, 2004-08-02 This work adopts a comparative approach to explore interrelations between two phenomena which so far have rarely been examined and analysed together namely the

dynamics of diaspora and minority formation in Central and Eastern Europe on the one hand and the diaspora migration on the other

Russians in Cold War Australia Phillip Deery, Sheila Fitzpatrick, 2024-02-19 *Russians in Cold War Australia* explores the time during the Cold War when Russian displaced persons including former Soviet citizens were amongst the hundreds of thousands of immigrants given assisted passage to Australia and other Western countries in the wake of the Second World War With the Soviet Union and Australia as enemies skepticism surrounding the immigrants avowed anti communism introduced new hardships and challenges This book examines Russian immigration to Australia in the late 1940s and 1950s both through their own eyes and those of Australia's security service ASIO to whom all Russian speakers were persons of interest

Textbook for Transcultural Health Care: A Population Approach Larry D. Purnell, Eric A. Fenkl, 2020-09-05 This textbook is the new edition of Purnell's famous Transcultural Health Care based on the Purnell twelve step model and theory of cultural competence This textbook an extended version of the recently published Handbook focuses on specific populations and provides the most recent research and evidence in the field This new updated edition discusses individual competences and evidence based practices as well as international standards organizational cultural competence and perspectives on health care in a global context The individual chapters present selected populations offering a balance of collectivistic and individualistic cultures Featuring a uniquely comprehensive assessment guide it is the only book that provides a complete profile of a population group across clinical practice settings Further it includes a personal understanding of the traditions and customs of society offering all health professionals a unique perspective on the implications for patient care

Transcultural Nursing - E-Book Joyce Newman Giger, Linda Haddad, 2020-03-10 NEW co author Dr Linda Haddad is an internationally recognized cultural scholar who has taught nursing around the globe has acted as an advisor and coordinator for the World Health Organization and has published over 30 scholarly articles on nursing with a focus on understanding the cultural implication to care UPDATED Cultural chapters are completely revised to reflect the shifting experiences of cultural groups in our society

A Sociology of Immigration E. Morawska, 2009-08-27 This book proposes a new theoretical framework for the study of immigration It examines four major issues informing current sociological studies of immigration mechanisms and effects of international migration processes of immigrants assimilation and transnational engagements and the adaptation patterns of the second generation

Report of the Board of Immigration, Labor and Statistics to the Governor of the Territory of Hawaii, Under Act of April 21st, 1911, for the Period from ... Hawaii. Board of Immigration, Labor and Statistics, 1914 The First report contains also Report of the superintendent of the Marketing Division Board of Immigration Labor and Statistics October 1911 to June 1912

Jewish Immigration to the United States from 1881 to 1910 Samuel Joseph, 1914

Encyclopedia of Immigrant Health Sana Loue, Martha Sajatovic, 2014-06-20 There is increasing interest in the scientific literature on immigrant health and its impact on disease transmission disease prevention health promotion well being on an individual and population level health policy

and the cost of managing all these issues on an individual institutional national and global level The need for accurate and up to date information is particularly acute due to the increasing numbers of immigrants and refugees worldwide as the result of natural disasters political turmoil the growing numbers of immigrants to magnet countries and the increasing costs of associated health care that are being felt by governments around the world

Format and Scope The first portion of the encyclopedia contains chapters that are approximately 25 to 40 manuscript pages in length Each overview chapter includes a list of references and suggested readings for cross referencing within the encyclopedia The opening chapters are Immigration in the Global Context Immigration Processes and Health in the U S A Brief History Alternative and Complementary Medicine Culture Specific Diagnoses Health Determinants Occupational and Environmental Health Methodological Issues in Immigrant Health Research Ethical Issues in Research with Immigrants and Refugees Ethical Issues in the Clinical Context The second portion of the book consists of alphabetical entries that relate to the health of immigrants Entries are interdisciplinary and are drawn from the following fields of study anthropology demographics history law linguistics medicine population studies psychology religion and sociology Each entry is followed by a listing of suggested readings and suggested resources and also links to related terms within the whole book

Outstanding Features The book adopts a biopsychosocial historical approach to the topics covered in the chapters and the entries Each entry includes suggested readings and suggested resources The chapters and entries are written graduate level that is accessible to all academics researchers and professionals from diverse backgrounds We consider the audience for the entries to be well educated but a non expert in this area The primary focus of the book is on the immigrant populations in and immigration to magnet countries References are made to worldwide trends and issues arising globally In addition to the comprehensive subject coverage the text also offers diverse perspectives The editors themselves reflect the multidisciplinary nature of the topics with expertise in psychiatry law epidemiology anthropology and social work Authors similarly reflect diverse disciplines
