Russian Cavalcade A Military Record:

Transformation in Russian and Soviet military history , **The Soviet High Command** John Erickson,2019-07-11 This book aims to furnish a history of the origins and development of Soviet military leadership together with a survey of its relations with the Communist Party and the governmental apparatus within the chronological limits of the first attempts to organise the Red Army and a military command **Soviet Military Power** Army Library (U.S.),1959 Soviet Military Doctrine Raymond L. Garthoff,2019-01-13 Originally published in 1953 Soviet Military Doctrine by Soviet analyst Raymond L Garthoff was prepared as part of the research program undertaken for the United States Air Force by The RAND Corporation At the time of its first publication Soviet Military Doctrine was the most complete and authoritative study available of the basic military science of the USSR Garthoff again joins the debate on nuclear deterrence and Moscow s military intentions He draws on previously confidential Soviet sources including a complete file of the Soviet general staff journal to interpret new developments and changes in the Kremlin s strategic policy Highly recommended for academic libraries James R Kuhlman University of Georgia Library Athens Professional Journal of the United States Army ,1978 *Russia's Iron Age* William Henry Chamberlin,2013-04-26 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **Russian Cavalcade** Albert Parry,1944 *Military Review* ,1978 **The Venona Secrets** Herbert Romerstein,Eric Breindel,2001-10-01 The Venona Secrets presents one of the last great untold stories of World War II and the Cold War In 1995 secret Soviet cable traffic from the 1940s that the United States intercepted and eventually decrypted finally became available to American historians Now after spending more than five years researching all the available evidence espionage experts Herbert Romerstein and Eric Breindel reveal the full shocking story of the days when Soviet spies ran their fingers through America s atomic age secrets Included in The Venona Secrets are the details of the spying activities that reached from Harry Hopkins in Franklin Roosevelt s White House to Alger Hiss in the State Department to Harry Dexter White in the Treasury More than that The Venona Secrets exposes Information that links Albert Einstein to Soviet intelligence and conclusive evidence showing that J Robert Oppenheimer gave Moscow our atomic secrets How Soviet espionage reached its height when the United States and the Soviet Union were supposedly allies in World War II The previously unsuspected vast network of Soviet spies in America How the Venona documents confirm the controversial revelations made in the 1940s by former Soviet agents Whittaker Chambers and Elizabeth Bentley The role of the American Communist Party in supporting and directing Soviet agents How Stalin s paranoia had him target Jews code named Rats and Trotskyites even after Trotsky s death How the Soviets penetrated America s own intelligence services The Venona Secrets is a masterful compendium of spy versus spy that puts the Venona transcripts in context with secret FBI reports congressional investigations and documents recently uncovered in the former Soviet archives Romerstein and

Breindel cast a spotlight on one of the most shadowy episodes in recent American history a past when by our very own government officials whether wittingly or unwittingly shielded treason infected Washington and Soviet agents

Foundation of National Power Harold Sprout,1947 Quarterly Review of Military Literature ,1978 The White Rose of Stalingrad Bill Yenne,2013-02-20 Of all the major air forces that were engaged in the war only the Red Air Force had units comprised specifically of women Initially the Red Air Force maintained an all male policy among its combat pilots However as the apparently invincible German juggernaut sliced through Soviet defenses the Red Air Force began to rethink its ban on women By October 1941 authorization was forthcoming for three ground attack regiments of women pilots Among these women Lidiya Vladimirovna Lilya Litvyak soon emerged as a rising star She shot down five German aircraft over the Stalingrad Front and thus become history s first female ace She scored 12 documented victories over German aircraft between September 1942 and July 1943 She also had many victories shared with other pilots bringing her possible total to around 20 The fact that she was a 21 year old woman ace was not lost on the hero hungry Soviet media and soon this colourful character whom the Germans dubbed The White Rose of Stalingrad became both folk heroine and martyr How Russia Makes War Raymond L. Garthoff,2021-01-26 This book first published in 1954 is a key analysis of the guiding policies basic assumptions fundamental principles and methods of the Red Army in many respects the most powerful force in the Cold War This analysis examines the strategy and tactics weapons systems training discipline and political doctrine of the Red Army as well as focusing on the political control of the USSR and its satellite states *Air University Quarterly Review* ,1947 *Special Bibliography Series* ,1957 *Air University Review* ,1985 *The Publishers Weekly* ,1949-10 *The Army Quarterly* ,1944 *National Planning and Strategy* United States. War Department. Library,1946 **A Subject Bibliography of the Second World War** A. G. S. Enser,1977
