**Russian Decorative Arts, 1917-1937** Vladimir Pavlovich Tolstoï, 1990      **The Russian Jewish Diaspora and European Culture, 1917-1937** Jörg Schulte, Olga Tabachnikova, Peter Wagstaff, 2012-04-03

The Jewish emigration from Russia after the Revolution of 1917 changed the face of Jewish culture in Western Europe. Russian Jews brought with them the visions of a national Jewish literature in Hebrew Yiddish or Russian and new concepts of secular Jewish music and art. Often they acted as intermediaries between Jewish centres in Europe which resulted in the creation of a single sphere of Jewish culture common to all parts of the European diaspora. Although some stayed in Western Europe for only a few years before moving on to Palestine, the budding Hebrew culture in Palestine would not have been the same without this relatively short period of intense contact between Russian Jewish and Western European cultures.

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15

The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history. It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves. However, until now, historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature. The Russian Revolution and Civil War 1917-1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history. The Bibliography focuses on the key years of 1917 to 1921, starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921, and covers all the key events of the intervening years. As such, it identifies these crucial years as something more than simply the creation of a communist state.

The Writer in Petrograd and the House of Arts Martha Weitzel Hickey, 2009-06-16

Founded by Maksim Gorky and Kornei Chukovsky in 1919 and disbanded in 1922, the Petrograd House of Arts occupied a crucial moment in Russia's cultural history. By chronicling the rise and fall of this literary landmark, this book conveys in greater depth and detail than ever before a significant but little studied period in Soviet literature. Poised between Russian culture's past and her Soviet future, between pre and post Revolutionary generations, this once lavish private home on the Nevsky Prospekt housed as many as fifty-six poets, novelists, critics, and artists at one time during a period of great social and political turbulence. And as such, Hickey contends, the House of Arts served as a crucible for a literature in transition. Hickey shows how the House of Arts, though virtually ignored by Soviet era cultural historians, played a critical role in shaping the lively literature of the next decade, a literature often straddling the border between fiction and non-fiction. Considering prose writers such as Yevgeny Zamyatin, Olga Forsh, the Serapion Brothers group, Viktor Shklovsky, Boris Eikhenbaum, as well as poets including Alexander Blok, Nikolay Gumilev, Anna Radlova, Osip Mandelstam, and Vladislav Khodasevich, she traces the comings and goings at the House of Arts, the meetings and readings and lectures, and most of all, the powerful influence of these interactions on those who briefly lived and worked there. In her work, the Petrograd House of Arts appears for the first time in all its complexity and importance as a focal point for the social and

cultural ferment of the day and a turning point in the direction of Russian literature and criticism **Russia** Lesley Pitman, 1994 Annotation A comprehensive bibliography that covers the broad range of English language scholarly books on Russia and the USSR which have appeared in recent years A completely revised version of the 1979 edition it contains 1 274 annotated main entries While history politics and literature are covered in depth other important contemporary issues such as the nationalities question are considered as are subjects of more general interest including art and music sport and cookery Annotation copyright by Book News Inc Portland OR **Heritage and Museums** J.M.
