Jewish Families and Kinship in the Early Modern and Modern Eras Mirjam Thulin, Markus Krah, Bianca Pick, 2020-11-30 The Jewish family has been the subject of much admiration and analysis criticism and myth making not just but especially in modern times As a field of inquiry its place is at the intersection or in the shadow of the great topics in Jewish Studies and its contributing disciplines Among them are the modernization and privatization of Judaism and Jewish life integration and distinctiveness of Jews as individuals and as a group gender roles and education These and related questions have been the focus of modern Jewish family research which took shape as a discipline in the 1910s This issue of PaRDeS traces the origins of academic Jewish family research and takes stock of its development over a century with its ruptures that have added to the importance of familial roots and continuities A special section retrieves the founder of the field Arthur Czestlitz 1871-1943 his biography and work from oblivion and places him in the context of early 20th century science and Jewish life The articles on current questions of Jewish family history reflect the topic's potential for shedding new light on key questions in Jewish Studies past and present Their thematic range from 13th century Yiddish Arthurian romances via family based business practices in 19th century Hungary and Germany to concepts of Jewish parenthood in Imperial Russia illustrates the broad interest in Jewish family research as a paradigm for early modern and modern Jewish Studies

The Russian Jewish Diaspora and European Culture, 1917-1937 Jörg Schulte, Olga Tabachnikova, Peter Wagstaff, 2012-04-03 The Jewish emigration from Russia after the Revolution of 1917 changed the face of Jewish culture in Western Europe Russian Jews brought with them the visions of a national Jewish literature in Hebrew Yiddish or Russian and new concepts of secular Jewish music and art Often they acted as intermediaries between Jewish centres in Europe which resulted in the creation of a single sphere of Jewish culture common to all parts of the European diaspora Although some stayed in Western Europe for only a few years before moving on to Palestine the budding Hebrew culture in Palestine would not have been the same without this relatively short period of intense contact between Russian Jewish and Western European cultures

Russian Jews on Three Continents Larissa Remennick, 2017-07-05 In the early 1990s more than 1.6 million Jews from the former Soviet Union emigrated to Israel the United States Canada Germany and other Western countries Larissa Remennick relates the saga of their encounter with the economic marketplaces lifestyles and everyday cultures of their new homelands drawing on comparative sociological research among Russian Jewish immigrants Although citizens of Jewish origin ostensibly left the former Soviet Union to flee persecution and join their co-religionists Israeli North American and German Jews were universally disappointed by the new arrivals tenuous Jewish identity In turn Russian Jews whose identity had been shaped by seventy years of secular education and assimilation into the Soviet mainstream hoped to be accepted as ambitious and hard working individuals seeking better lives These divergent expectations shaped lines of conflict between Russian speaking Jews and the Jewish communities of the

receiving countries Since her own immigration to Israel from Moscow in 1991 Remennick has been both a participant and an observer of this saga This is the first attempt to compare resettlement and integration experiences of a single ethnic community former Soviet Jews in various global destinations It also analyzes their emerging transnational lifestyles Written from an interdisciplinary perspective this book opens new perspectives for a diverse readership including sociologists anthropologists political scientists historians Slavic scholars and Jewish studies specialists *Some of Them* Jan Van Rij, 2012-01-01 Leaving behind an impoverished and threatened existence in 19th century anti semitic tsarist Russia a Jewish family make a new life and a fortune in Japan and China in a region dominated by the struggle between the great powers as chandlers and trusted partners of the Imperial Russian Navy prior to and during the Russo Japanese war of 1904 Upon their return to Russia they become honoured citizens of Saint Petersburg until Bolshevism drives them out again to new uncertainties in the West **Jewish Russians** Sascha L. Goluboff, 2012-03-06 The prevalence of anti-Semitism in Russia is well known but the issue of race within the Jewish community has rarely been discussed explicitly Combining ethnography with archival research *Jewish Russians Upheavals in a Moscow Synagogue* documents the changing face of the historically dominant Russian Jewish community in the mid 1990s Sascha Goluboff focuses on a Moscow synagogue now comprising individuals from radically different cultures and backgrounds as a nexus from which to explore issues of identity creation and negotiation Following the rapid rise of this transnational congregation headed by a Western rabbi and consisting of Jews from Georgia and the mountains of Azerbaijan and Dagestan along with Bukharan Jews from Central Asia she evaluates the process that created this diverse gathering and offers an intimate sense of individual interactions in the context of the synagogue's congregation Challenging earlier research claims that Russian and Jewish identities are mutually exclusive Goluboff illustrates how post Soviet Jews use Russian and Jewish ethnic labels and racial categories to describe themselves Jews at the synagogue were constantly engaged in often contradictory but always culturally meaningful processes of identity formation Ambivalent about emerging class distinctions Georgian Russian Mountain and Bukharan Jews evaluated one another based on each group's supposed success or failure in the new market economy Goluboff argues that post Soviet Jewry is based on perceived racial class and ethnic differences as they emerge within discourses of belonging to the Jewish people and the new Russian nation Russian Jewish Family Jane Mersky Leder, 1996-01-01 This account compares the living conditions experienced by a Jewish family in Russia and in their new American home *Journey Between Two Worlds*

Russian Jews Between the Reds and the Whites, 1917-1920 Oleg Budnitskii, 2012-07-24 In the years following the Russian Revolution a bitter civil war was waged between the Bolsheviks with their Red Army of Workers and Peasants on the one side and the various groups that constituted the anti Bolshevik movement on the other The major anti Bolshevik force was the White Army whose leadership consisted of former officers of the Russian imperial army In the received and simplified version of this history those Jews who were drawn into the political and military conflict were overwhelmingly affiliated with the Reds while from the start the Whites orchestrated campaigns of anti Jewish violence leading to the deaths of thousands of Jews in pogroms in the Ukraine and elsewhere In *Russian Jews Between the Reds and the Whites 1917 1920* Oleg Budnitskii provides the first comprehensive historical account of the role of Jews in the Russian Civil War According to Budnitskii Jews were both victims and executioners and while they were among the founders of the Soviet state they also played an important role in the establishment of the anti Bolshevik factions He offers a far more nuanced picture of the policies of the White leadership toward the Jews than has been previously available exploring such issues as the role of prominent Jewish politicians in the establishment of the White movement of southern Russia the Jewish Question in the White ideology and its international aspects and the attempts of the Russian Orthodox Church and White diplomacy to forestall the establishment of a Jewish state in Palestine The relationship between the Jews and the Reds was no less complicated Nearly all of the Jewish political parties severely disapproved of the Bolshevik coup and the Red Army was hardly without sin when it came to pogroms against the Jews Budnitskii offers a fresh assessment of the part played by Jews in the establishment of the Soviet state of the turn in the policies of Jewish socialist parties after the first wave of mass pogroms and their efforts to attract Jews to the Red Army of Bolshevik policies concerning the Jewish population and of how these stances changed radically over the course of the Civil War
