## **Russian Medicine:**

The Russian Medical Humanities Melissa L. Miller, Konstantin Starikov, 2021-09-20 For the first time in English The Russian Medical Humanities Past and Present argues that the medical humanities is a vibrant and emerging field in Post Soviet Russia In a unique collaboration that brings together diverse experts from both Russia and America this volume showcases the Russian medical humanities as an interdisciplinary project that combines insights from philosophy bioethics anthropology history and literature in order to provide more compassionate medical care to patients in the twenty first century The chapters in this volume explore past and present humanistic trends in Russian medical training as well as examine how Russian authors and cultural figures some physician writers some without professional background in medicine of any kind have positioned healthy and ailing bodies in their creative work This volume s contributors who range from literary scholars educators translators and poets to medical historians librarians museum curators and social workers provide empathetic insight into the experience of medical encounters which all cultures grapple with Their work will prove useful not only to current and future health practitioners but also to a broader audience of readers who are seeking to make compassionate and informed decisions about healthcare for their loved ones and for themselves SCIENCE AND MEDICINE IN IMPERIAL RUSSIA Anatoly Bezkorovainy, 2018-05-30 The author s intention to write Science and Medicine in Imperial Russia was to acquaint the American medical and scientific professionals and hopefully the general public with the accomplishments of Russian scientists and physicians in the areas of their professions The authors has limited his story to medicine chemistry and biology the areas of his extended experience American public s thinking due to a number of reasons is that Imperial Russia was a swamp to use President Trump s expression in which nothing of medical or scientific importance has ever been discovered or developed This author of course thinks otherwise and presents in this volume an ample amount of evidence to show that in the fields listed above the accomplishments of the Russians were surprisingly numerous As an example one can cite the discoveries of Russian organic chemists especially at the Kazan University which arguably were exceeded only by the Germans **American Medical and Sanitary Relief in the Russian Famine, 1921-1923** Henry Beeuwkes, 1926 **Guide to Russian Medical Literature** Scott Adams, 1958 *A Russian Herbal* Igor Vilevich Zevin, 1997-02 Blessed with a wide variety of climates geography and flora Russia has a rich folk tradition of herbal healing that is among the most sophisticated in the world A Russian Herbal explains the folkways properties and uses of the best known Russian herbs all widely available in North America Europe and Australia *Report on the Russian Medical and Sanitary Features of the Russian-Japanese War to the Surgeon-general, U.S. Navy* United States.
