Russian Presidency Society And Politics In 2nd Russian Republic

Stephen White

Russian Presidency Society And Politics In 2nd Russian Republic:

The Russian Presidency T. Nichols, 2015-12-22 Why has Russian democracy apparently survived and even strengthened under a presidential system when so many other presidential regimes have decayed into authoritarian rule And what are the origins of presidential power in modern Russia Thomas M Nichols argues that the answer lies in the relationship between political institutions and trust where society and consequently politics is fractious and divided structural safeguards inherent in presidentialism actually serve to strengthen democratic behavior The Russian presidency is not the cause of social turmoil in Russia but rather a successful response to it This book s emphasis on the social origins of Russian politics explains not only the unexpected survival of Russian democracy but encourages a reconsideration of the relationship between institutions social conditions and democracy

The Russian Presidency Thomas M. Nichols, 1999 Why has Russian democracy apparently survived and even strengthened under a presidential system when so many other presidential regimes have decayed into authoritarian rule And what are the origins of presidential power in modern Russia Thomas M Nichols argues that the answer lies in the relationship between political institutions and trust where society and consequently politics is fractious and divided structural safeguards inherent in presidentialism actually serve to strengthen democratic behaviour The Russian presidency is not the cause of social turmoil in Russia but rather a successful response to it This book s emphasis on the social origins of Russian politics explains not only the unexpected survival of Russian democracy but encourages a reconsideration of the relationship between institutions social conditions and democracy

Routledge Handbook of Russian Politics and Society Graeme Gill, James Young, 2013-03 There is an ever burgeoning number of books analyzing the Russian experience or aspects of it This Handbook is the first single volume which gives both a broad survey of the literature as well as highlighting the cutting edge research in the area Through both empirical data and theoretical investigation each chapter in the Routledge Handbook Russian of Politics and Society examines both the Russian experience and the existing literature points to research trends and identifies issues that remain to be resolved Offering focused studies of the key elements of Russian social and political life the book is organized into the following broad themes General introduction Political institutions Political Economy Society Foreign Policy Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook seeks to answer questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption and the creation of a market economy Providing a comprehensive resource for scholars and policy makers alike this book is an important contribution to the study of Russian Studies Eastern European studies and International Relations

Russian Politics and Presidential Power Donald R. Kelley, 2016-10-05 Russian Politics and Presidential Power takes an in depth look at the Russian presidency and uses it as a key to understanding Russian politics Donald R Kelley looks at presidents from Gorbachev to Putin as authoritarian

transformational leaders who set out to build the future while sometimes rejecting and reinterpreting the work of past modernizers Placing the presidency in this context helps readers understand both the disintegration of the Soviet Union and the nature of the Russian Federation that rose in its place And by setting the presidency within a longer historical context Kelley shows how the future of the presidency is dependent on other features of the political system

Russian Politics and Society Richard Sakwa, 2002-09-11 First published in 2002 Routledge is an imprint of Taylor Francis an informa company

Developments in Russian Politics 5 Stephen White, Alex Pravda, Zvi Y. Gitelman, 2001 Russia has a new parliament and a new president and the shape of its future political life remains uncertain Taking the elections of 1999 and 2000 as their starting point the contributors to *Developments in Russian Politics 5* describe the institutional framework of the post Yeltsin system and examine the policy choices that confront the Putin administration This completely revised edition includes new discussions of such topics as media and political communication crime and corruption and Russia's continuing search for a national idea Other sections cover elections and electoral procedures parties and organized interests as well as economic social and foreign policy Written by leading scholars from both sides of the Atlantic *Developments in Russian Politics 5* will replace earlier editions as the leading text for students of Russia and for a wider group of readers seeking a reliable and up to date introduction to the politics of the world's largest country

Television and Presidential Power in Putin's Russia Tina Burrett, 2010-12-14 As a new president takes power in Russia this book provides an analysis of the changing relationship between control of Russian television media and presidential power during the tenure of President Vladimir Putin It argues that the conflicts within Russia's political and economic elites and President Putin's attempts to rebuild the Russian state after its fragmentation during the Yeltsin administration are the most significant causes of changes in Russian media Tina Burrett demonstrates that President Putin sought to increase state control over television as part of a larger programme aimed at strengthening the power of the state and the position of the presidency at its apex and that such control over the media was instrumental to the success of the president's wider systemic changes that have redefined the Russian polity The book also highlights the ways in which oligarchic media owners in Russia used television for their own political purposes and that media manipulation was not the exclusive preserve of the Kremlin but a common pattern of behaviour in elite struggles in the post Soviet era Basing its analysis predominately on interviews with key players in the Moscow media and political elites and on secondary sources drawn from the Russian and Western media the book examines broad themes that have been the subject of constant media interest and have relevance beyond the confines of Russian politics

Russia's Regions and Comparative Subnational Politics William Mark Reisinger, 2013 Subnational political units are growing in influence in national and international affairs drawing increasing scholarly attention to politics beyond national capitals In this book leading Russian and Western political scientists contribute to debates in comparative politics by examining Russia's subnational politics Beginning with a chapter that reviews major debates in theory and method this book

continues to examine Russia's 83 regions exploring a wide range of topics including the nature and stability of authoritarian regimes federal politics political parties ethnic conflict governance and inequality in a comparative perspective Providing both qualitative and quantitative data from 20 years of original research the book draws on elite interaction public opinion and the role of institutions regionally in the post Soviet years The regions vary on a number of theoretically interesting dimensions while their federal membership provides control for other dimensions that are challenging for globally comparative studies The authors demonstrate the utility of subnational analyses and show how regional research can help answer a variety of political questions providing evidence from Russia that can be used by specialists on other large countries or world regions in cross national scholarship Situated within broader theoretical and methodological political science debates this book will be of interest to students and scholars of Russian politics comparative politics regionalism and subnational politics

Private and Civil Law in the Russian Federation William Bradford Simons, 2009 The chapters in this volume are from two Leiden conferences There distinguished scholars and practitioners from Russia and the Far Abroad measured the winds of change in the field of private law in post Soviet Russia enormous differences from the Soviet period crucial in supporting post Soviet changes toward freedom of choice in the marketplaces of goods services ideas and political institutions This volume will enable the reader to further chart the progress made in Russia and the region in the revitalization of private and civil law and its impact upon practice and comparative legal studies and to appreciate the role which the distinction between the public and private sectors is seen as playing in the process

The 1999-2000 Elections in Russia Vicki L. Hesli, William M. Reisinger, 2003-08-18 Sample Text

Russia America and the Islamic World Mike Bowker, 2007 Mike Bowker examines the newly emerging relationship between Russia and the United States and their struggle against the common threat of international terrorism He looks at the difficulties of such a relationship by analyzing the lingering mutual suspicion differing views on the nature of the global terrorist threat and how each side has continued to pursue their own national interests

Russia and Ukraine Maria Popova, Oxana Shevel, 2023-11-08 In February 2022 Russian missiles rained on Ukrainian cities and tanks rolled towards Kyiv to end Ukrainian independent statehood President Zelensky declined a Western evacuation offer and Ukrainians rallied to defend their country What are the roots of this war which has upended the international legal order and brought back the spectre of nuclear escalation How did these supposedly brotherly peoples become each other's worst nightmare In *Russia and Ukraine Entangled Histories Diverging States* Maria Popova and Oxana Shevel explain how since 1991 Russia and Ukraine diverged politically ending up on a collision course Russia slid back into authoritarianism and imperialism while Ukraine consolidated a competitive political system and pro European identity As Ukraine built a democratic nation state Russia refused to accept it and came to see it as an anti Russia project After political and economic pressure proved ineffective and even counterproductive Putin went to war to force Ukraine back into the fold of the Russian world Ukraine resisted determined to pursue European integration as a

sovereign state These irreconcilable goals rather than geopolitical wrangling between Russia and the West over NATO expansion are the authors argue essential to understanding Russia s war on Ukraine *The Statesman's Yearbook 2017* Palgrave Macmillan,2017-02-28 Now in its 153rd edition The Statesman s Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions www.statesmansyearbook.com *Post-Soviet Affairs* ,2004 Understanding Russian Politics Stephen White,2011-03-31 A fresh and compelling interpretation of Russian politics by a leading authority this textbook focuses on political developments in the world s largest country under Putin and Medvedev Using a wealth of primary sources it covers economic social and foreign policy and the system of politics that has developed in recent years Opposing arguments are presented and students are encouraged to reach their own judgements on key events and issues such as privatisation and corruption This textbook tackles timely topics such as gender and inequality issues organised religion the economic krizis and Russia s place in the international community It uses numerous examples to place this powerful and richly endowed country in context with a focus on the place of ordinary people which shows how policy is translated to Russians everyday lives **Russian Minority Politics in Post-Soviet Latvia and Kyrgyzstan** Michele E. Commercio,2011-06-06 The collapse of the Soviet Union suddenly rendered ethnic Russians living in non Russian successor states like Latvia and Kyrgyzstan new minorities subject to dramatic political economic and social upheaval As elites in these new states implemented formal policies and condoned informal practices that privileged non Russians ethnic Russians had to react In Russian Minority Politics in Post Soviet Latvia and Kyrgyzstan Michele E Commercio draws on extensive field research including hundreds of personal interviews to analyze the responses of minority Russians to such policies and practices In particular she focuses on the role played by formal and informal institutions in the crystallization of Russian attitudes preferences and behaviors in these states Commercio asks why there is more out migration and less political mobilization among Russians in Kyrgyzstan a state that adopts policies that placate both Kyrgyz and Russians and less out migration and more political mobilization among Russians in Latvia a state that adopts policies that favor Latvians at the expense of Russians Challenging current thinking she suggests that the answer to this question lies in the power of informal networks After the fall of the Soviet Union the Communist party Komsomol youth organization and KGB networks were transformed into informal networks Russians in Kyrgyzstan were for various reasons isolated from such networks and this isolation restricted their access to the country s private sector making it difficult for them to create effective associations capable of representing their interests This resulted in a high level of Russian exit and the silencing of Russian voices In contrast Russians in Latvia were well connected to such networks which provided them with access to the country s private sector and facilitated the establishment of political parties and nongovernmental organizations that represented their interests This led to a low level of Russian exit and high level of Russian voice Commercio concludes that informal networks

have a stronger influence on minority politics than formal institutions Journal of Soviet and Post-Soviet Politics and Society Julie Makarychev, Andrey Umland, Andreas Fedor, 2020-10-20 Special Sections Russian Foreign Policy Towards the Near Abroad and Russia's Annexation of Crimea II This special section deals with Russia's post-Maidan foreign policy towards the so-called near abroad or the former Soviet states This is an important and timely topic as Russia's policy perspectives have changed dramatically since 2013-2014 as have those of its neighbors The Kremlin today is paradoxically following an aggressive realist agenda that seeks to clearly delineate its sphere of influence in Europe and Eurasia while simultaneously attempting to promote soft power and a historical civilizational justification for its recent actions in Ukraine and elsewhere The result is an often perplexing amalgam of policy positions that are difficult to disentangle The contributors to this special issue are all regional specialists based either in Europe or the United States *National Convention of the American Association for the Advancement of Slavic Studies* American Association for the Advancement of Slavic Studies. National Convention, 1999 **Russian Politics** Zoltan D. Barany, Robert G. Moser, 2001-08-27 What went wrong in Russia's decade-old post-communist transition A group of leading young scholars answer this question by offering assessments of five crucial political arenas during the Yeltsin era: elections, executive-legislative relations, interactions between the central state and the regions, economic reforms, and civil-military relations All of the contributors recognize that adverse historical legacies have complicated Russian democratization They challenge structural explanations that emphasize constraints of the pre-existing system however and concentrate instead on the importance of elite decisions and institution building The authors agree that elites' failure to develop robust political institutions has been a central problem of Russia's post-communist transition The weakness of the state and its institutions has contributed to a number of serious problems threatening democratic consolidation These include the tensions between the executive and the legislature, the frail infrastructure for successful market reform, and the absence of proper civilian control over the armed forces The Republics and Regions of the Russian Federation Robert W. Orttung, Danielle N. Lussier, Anna Paretskaya, 2000 A presentation of political, economic, and demographic data on every territorial unit of the Russian Federation, its local government structure, and electoral history Each entry includes a profile of the president, governor, or prime minister and an overview of local trends

Russian Presidency Society And Politics In 2nd Russian Republic Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russian Presidency Society And Politics In 2nd Russian Republic free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russian Presidency Society And Politics In 2nd Russian Republic free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russian Presidency Society And Politics In 2nd Russian Republic free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russian Presidency Society And Politics In 2nd Russian Republic. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article,

such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russian Presidency Society And Politics In 2nd Russian Republic any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russian Presidency Society And Politics In 2nd Russian Republic Books
