Adamec, 2003-12-02 A comprehensive A-Z study of the history of conflict in Afghanistan from 1747 to the present This authoritative clearly written volume covers all aspects of the conflicts that have taken place in Afghanistan from 1747 to the present Conflict in Afghanistan provides the reader with a historical overview of hostilities in Afghanistan and discusses their causes history and impact on Afghan society and on regional and international relations A single A-Z section covers the three main eras in Afghanistan's history the period from 1747 when Afghanistan first emerged as a unified state the Soviet era 1979-1989 which saw the overthrow of the monarchy the declaration of the Republic and the rise of the Mujahideen and the post-Soviet period which brought civil war the rise of the Taliban and finally

the events of September 11 and the War on Terrorism both of which receive special attention *Afghanistan Revisited* Cary Gladstone, 2001 *CJ International*, 1989 *Historical Dictionary of Afghanistan* Thomas H. Johnson, Ludwig W. Adamec, 2021-05-15 Afghanistan is an extremely complex and nuanced country that has been one of the centers of imperial conflict at least for 150 years From the Czarist Russia's march south in the 19th Century threatening British India three Anglo Afghan Wars the Soviet Invasion and occupation of Afghanistan starting in December 1979 and the resulting anti Soviet Jihad by the Afghan Mujahideen to Kabul's and their allies U S and NATO conflict with the Taliban Afghanistan has been one of the centers of important international and regional conflicts and events Historical Dictionary of Afghanistan Fifth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 000 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Afghanistan *Infantry*, 1991 *Historical Dictionary of Afghanistan* Ludwig W. Adamec, 2012 This new fourth edition has been substantially expanded because so much has taken place in such a short period of time The most important changes however have been made to the dictionary section with hundreds of added or substantially revised entries on important people places events institutions practices ethnic and religious groups political parties and Islamist movements as well as significant aspects of Afghanistan's politics economy society and culture *The Bleeding Wound* Yaacov Ro'i, 2022-03-15 By the mid 1980s public opinion in the USSR had begun to turn against Soviet involvement in Afghanistan the Soviet Afghan War 1979 1989 had become a long painful and unwinnable conflict one that Mikhail Gorbachev referred to as a bleeding wound in a 1986 speech The eventual decision to withdraw Soviet troops from Afghanistan created a devastating ripple effect within Soviet society that this book argues became a major factor in the collapse of the Soviet Union In this comprehensive survey of the effects of the war on Soviet society and politics Yaacov Ro'i analyzes the opinions of Soviet citizens on a host of issues connected with the war and documents the systemic change that would occur when Soviet leadership took public opinion into account The war and the difficulties that the returning veterans faced undermined the self esteem and prestige of the Soviet armed forces and provided ample ammunition for media correspondents who sought to challenge the norms of the Soviet system Through extensive analysis of Soviet newspapers and interviews conducted with Soviet war veterans and regular citizens in the early 1990s Ro'i argues that the effects of the war precipitated processes that would reveal the inbuilt limitations of the Soviet body politic and contribute to the dissolution of the USSR by 1991 *Afgantsy* Rodric Braithwaite, 2011-09-06 First published in Great Britain in 2011 by Profile Books T p verso
