Russias Politics Of Uncertainty

**Olga Zvonareva, Evgeniya
Popova, Klasien Horstman**

Russias Politics Of Uncertainty:

Russia's Politics of Uncertainty Mary McAuley, 1997-08-28 Explores the political reactions of elites and society in the Russian Federation after the collapse of communist party rule and the break up of the USSR *Russia's Politics of Uncertainty* Mary McAuley, 1997-08-28 In this book Mary McAuley explores the political reactions of elites and society in the Russian Federation in the years following the collapse of Communist party rule and the breakup of the USSR Spanning two republics and four regions the book offers the first in depth study of the impact of change in the regions as well as at the center Using first hand research it provides a unique study of the response of a society to the breakdown of the established political order and will appeal to students of comparative politics generally as well as to all those interested in transition in Russia **Russia's Decline and Uncertain Recovery** Thomas E. Graham, 2002 From the John Holmes Library collection

Party Politics in Post-communist Russia John Lowenhardt, 2013-01-11 Political parties are the fabric of democratic politics In 1991 a new Russia emerged after seven decades of one party dictatorship claiming to be on the road towards democracy In this volume the authors analyse the many contradictions dilemmas and paradoxes of reconstituting free party politics and democratic rule in a severely traumatized country Frequently from a comparative perspective they deal with a range of topics from the behaviour of the new parties in parliament the role of ideology in cementing party organizations to the character and prospects of the transient Russian party system **Post-Imperial Democracies** Stephen E. Hanson, 2010-07-05 This book examines the causal impact of ideology through a comparative historical analysis of three cases of post imperial democracy the early Third Republic in France 1870 86 the Weimar Republic in Germany 1918 34 and post Soviet Russia 1992 2008 Hanson argues that political ideologies are typically necessary for the mobilization of enduring independent national party organizations in uncertain democracies By presenting an explicit and desirable picture of the political future successful ideologues induce individuals to embrace a long run strategy of cooperation with other converts When enough new converts cooperate in this way it enables sustained collective action to defend and extend party power Successful party ideologies thus have the character of self fulfilling prophecies by portraying the future polity as one organized to serve the interests of those loyal to specific ideological principles they help to bring political organizations centered on these principles into being

Between Dictatorship and Democracy Michael McFaul, Nikolay Petrov, Andrei Ryabov, 2010-04 For hundreds of years dictators have ruled Russia Do they still In the late 1980s Soviet President Mikhail Gorbachev launched a series of political reforms that eventually allowed for competitive elections the emergence of an independent press the formation of political parties and the sprouting of civil society After the collapse of the Soviet Union in 1991 these proto democratic institutions endured in an independent Russia But did the processes unleashed by Gorbachev and continued under Russian President Boris Yeltsin lead eventually to liberal democracy in Russia If not what kind of political regime did take hold in post Soviet Russia And how has Vladimir Putin s rise to power influenced the course of democratic consolidation

or the lack thereof *Between Dictatorship and Democracy* seeks to give a comprehensive answer to these fundamental questions about the nature of Russian politics **Making and Breaking Democratic Transitions** Vladimir Gel'man, Sergei Ryzhenkov, Michael Brie, 2005-01-12 Focusing on the vastly different outcomes of post Soviet regime transitions this study explores why some societies have become more democratic and some have not Based on in depth comparative analyses the book assesses political developments in six of Russia's regions Saratov Nizhnii Novgorod Volgograd Ryazan Ul'yanovsk and Tver oblasts since 1988 The authors consider the influence of Soviet governance systems on the emergence of cleavages and new actors in the post Soviet period They also analyze the impact of institutional changes on regional regimes and the success or failure of formal institutions as a framework for political competitiveness Placing their detailed field data within the larger comparative and theoretical context of political transitions the authors are able to explain the mixed outcomes of post communist regime change in Russia and other post Soviet nations With its innovative model of path contingent democratization and its new typology of political regimes and regime transitions this book will be essential reading for all scholars of democracy **Russia's Changing Economic and Political Regimes** Andrey Makarychev, Andre Mommen, 2013-07-18 The book reveals the interconnection between social cultural and political protest movements and social and economic changes in a post communist country like Russia still dominated by bureaucratic rulers and oligarchs controlling all basic industries and mining activities Those interests are also dominating Russia's foreign policy and explain why Russia did not succeed in becoming an integral part of Europe The latter is at least wished by many Russian citizens

The Legacy Structure of Russia's One Hundred Year Transformation David Foley, 2018-11-16 Research and analysis of the post Soviet Russian experience of political economic and social change have generally focused attention on the complications and influences of the Soviet legacy on the transition process with most early main stream studies emphasizing the difficulties of the adoption of the institutions of democracy and a free market economy to the centralized command and control legacy structures carried over from that adjacent system to the more recent analyses that have attempted to explain why the Putinist hybrid authoritarian democracy emerged to take control of the Russian state The complex nature of the Russian experience of political social and economic change had yet to be explained as a long term legacy analysis until now with the linkages presented in this study of the legacies and structures that have defied attempts at reform by the Bolsheviks the Soviets and the modern Republicans The political geography of Russia represents a districting system that defines the people and places and represents an influential legacy structure that has had a long reach from the Russia of Imperialism to the Russia of Putinism and the twenty first century A clearer understanding of the influences the Imperial legacy brings to the Russian transformation enables the student of post Soviet Russian transition an opportunity to contextualize the strong linkages of historical governance structures with the one hundred years of Bolshevik and Soviet system capture and the struggles of transformation faced by the government and people of Russia today **Russia's**

Economy in an Epoch of Turbulence Vladimir Mau, 2017-11-27 Over the course of the last thirty years post communist Russia has either been struggling with crises discussing the lessons learned from past crises or attempting to trace the contours of future crises Based on the author's own experiences and his research over this long period this book traces the logic of the development of the crises and the anti crisis policies and shows the continuity or discontinuity in determining particular solutions It demonstrates how perceptions of the priorities for economic policy and the problems of economic growth and the formation of a new model and its alternatives were formed and how they changed It also outlines the evolution of ideas about the role of social politics and human capital sectors in addressing anti crisis and modernization issues and discusses the changing views on the institutional and structural priorities for Russia's development This is an important book on an economic subject of crucial global significance by a leading participant

Political Developments in Contemporary Russia Ian Jeffries, 2011-03-07 This book provides a comprehensive overview of political developments in Russia since late 2000 following on from where the author's previous publication *The New Russia* left off It covers all aspects of politics including the following the highly centralized nature of power in Russia central government and presidential elections regional government and developments in the republics including unrest in Chechnya and the other Caucasian republics and human rights Taking a chronological approach it shows how politics overall has changed over the period including how the relationship between Prime Minister formerly President Vladimir Putin and President Dmitri Medvedev has worked out The book continues and adds to the overview of developments in the author's *The New Russia 2002* and is the companion volume to *Economic Developments in Contemporary Russia 2011* both published by Routledge

Focus on Politics and Economics of Russia and Eastern Europe Ulric R. Nichol, 2007 The area of Russia Central and Eastern Europe remains an area of massive economic and political upheaval Russia has transformed itself into a rich energy producing country with no republics or satellites to provide free energy for The former republics and satellites are saddled buying energy at market prices with emigration problems elections EU membership drives and a wide variety of other activities

Disinformation, Narratives and Memory Politics in Russia and Belarus Agnieszka Legucka, Robert Kupiecki, 2022-07-05 This book examines the ways in which Russia and Belarus use disinformation weaponised historical narratives and the politics of memory for domestic and foreign policy purposes utilising these factors to justify aggressive foreign policy in defensive terms and domestically for legitimating local ruling elites consolidating the states propaganda machines and mobilising both societies around national power centres Besides analysing Russian and Belarusian disinformation geopolitical narratives and policies the book also assesses the effectiveness of these measures and discusses how the West can counteract the geopolitical narratives disseminated by Russia and Belarus that attempt to undermine Western democracies and weaken the resilience of its societies

Politics and the Ruling Group in Putin's Russia S. White, 2008-06-11 There is little consensus about the nature of the political system that has emerged during the Putin

presidency This collection considers the issues arising in this connection focusing more closely on institutions such as the presidency and the security police and on the socioeconomic dimensions of political power *Russia's Coercive Diplomacy*

R. Maness, B. Valeriano, 2015-07-13 Russia's place in the world as a powerful regional actor can no longer be denied the question that remains concerns what this means in terms of foreign policy and domestic stability for the actors involved in the situation as Russia comes to grips with its newfound sources of might **Reexamining Economic and Political**

Reforms in Russia, 1985-2000 Vladimir Gel'man, Dmitry Travin, Otar Marganiya, 2014-06-25 Reexamining Economic and Political Reforms in Russia 1985-2000 *Generations Ideas and Changes* analyzes the impact of generational changes and ideational changes on major political and economic reforms conducted in Russia during the late twentieth century This book examines how the policy agenda was shaped by the ideas of the generations representatives for the sixties and seventies Representatives of the generation of sixties conducted reforms from 1985 to 1991 and invested major efforts in political liberalization but did not pay enough attention to economic reforms On the other hand the reformers from the generation of seventies who were in charge of policy making from 1991 to 1998 were genuinely oriented toward market building but rather insensitive to the democratization of the political regime This book explores how these differences in ideational agendas produced inconsistent and controversial outcomes from both stages of reforms **Health, Technologies, and**

Politics in Post-Soviet Settings Olga Zvonareva, Evgeniya Popova, Klasien Horstman, 2017-10-10 This book uses a variety of empirical cases on topics including drug development egg donation and governance of healthcare facilities to investigate how actors navigate the uncertainties that permeate the interfaces of health technologies and politics in post Soviet settings and what the implications of their chosen navigation routes are Contemporary societies are imbued with uncertainties but the authors focus on settings where uncertainties multiply making decisions practises and relations in everyday life precarious Two worlds are brought into dialogue throughout the chapters of this book with the aim of facilitating mutual learning from one another the world of science and technology studies STS and the high income liberal democracies of the West on one hand and studies of post socialism on the other In so doing this book encourages critical learning on ensuring the resilience of individual and societal health in situations of profound uncertainties This timely collection will be of great interest to scholars practitioners and policy makers in the fields of sociology biomedicine political science and public and global health

Tattered Banners Walter Connor, 2018-05-04 In post Soviet Russia's transition to new political and economic systems few issues are as important as labor Although the worker's paradise may have been largely imaginary the loss of job security and benefits that has accompanied marketization could well become a catalyst for yet another political upheaval In this timely book Walter Connor explores how the Yeltsin government attempted to avoid this pitfall of system change Connor examines Russia's emergent labor politics in the critical first years of the post Soviet period focusing on the problems Yeltsin encountered in attempting to adopt a corporatist solution to the conflicts of interest that have arisen between labor

employers and the state With many employers still heavily dependent on the state while others are already beyond state control the corporatist effort has been sabotaged Connor contends by the lack of distinct interest groups found in more mature market economies He concludes with an analysis of what these recent developments may portend for Russian politics and government in the future

Russia's Agro-Food Sector Peter Wehrheim, Klaus Frohberg, Eugenia Serova, Joachim von Braun, 2012-12-06 This book analyzes the transition of Russia's agro food sector from a centrally planned system to a market oriented one The chapters set out to explain the initial conditions of transition describe the measures undertaken survey the current situation and offer perspectives on how best to continue with the reform Hence the book not only provides insights into Russia's food economy it also gives very valuable information about the process of transition and the question What next Within the Russian context the food economy is of special importance due to the relatively high share it represents in the economy and its importance for employment Furthermore the privatization and the restructuring of the country's agro food sector is one of the most controversial issues in the ongoing domestic political debate about the reform process Russia is also important in that its reintegration into the world economy is at stake *Russia's Agro Food Sector Towards Truly Functioning Markets* should increase the understanding of the issues causing the cumbersome implementation of reform measures and in so doing might provide scholars and policymakers with advice on how to improve the transition process In fact one of the most important lessons from the book is that markets will continue to malfunction as long as institutions are not functioning properly

Institutions and Political Change in Russia N. Robinson, 2000-01-27 For a decade Russia has been building a new political order This collection of essays offers a progress report on this effort recording the projects for institutional reform their successes and their many failures Institutions covered include the presidency the State Duma regional government the judiciary the power ministries the foreign policy and economic policy making establishments Other chapters examine popular attitudes towards institutions and the crises of state society relations in Russia

Russias Politics Of Uncertainty Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russias Politics Of Uncertainty free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russias Politics Of Uncertainty free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from

dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russias Politics Of Uncertainty free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russias Politics Of Uncertainty. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russias Politics Of Uncertainty any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russias Politics Of Uncertainty Books

1. Where can I buy Russias Politics Of Uncertainty books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
