## **Rutherford B Hayes:**

**Rutherford B. Hayes** Ari Arthur Hoogenboom,1995 Delve into the life and legacy of Rutherford Birchard Hayes the 19th President of the United States in this comprehensive biography This biography explores Hayes's presidency marked by challenges and achievements offering a nuanced understanding of a leader whose impact on executive power and civil service reform left an indelible mark on American history Rutherford B. Hayes Ari Arthur Hoogenboom,1999 As the nineteenth president of the United States Rutherford B Hayes brought an end to Reconstruction and returned order to the White House But it was his service as a volunteer officer in the Union army during the Civil War that provided the most glorious years of his life and made his post war political accomplishments possible Although he spent much of the war on the periphery away from the major centers of activity Hayes performed conspicuously whenever called upon He participated in the repulse of dreaded Confederate raider John Hunt Morgan's Ohio Raid and although only a colonel commanded a division in General Philip Sheridan's devastating Shenandoah Valley Campaign of 1864 No professional soldier Hayes was nonetheless a natural warrior Another future president William McKinley wrote of his fellow Ohioan His whole nature seemed to change when in battle Normally kind and agreeable Hayes grew intense and ferocious during a fight In all he was wounded five times and had four horses shot from under him And while he ended the war as a brevet major general Hayes noted that he never fought a battle as a general He was by his own reckoning simply one of the good colonels in the great army Diary and Letters of Rutherford Birchard Hayes: 1891-1892 Rutherford B. Hayes,1926 **The Presidency of Rutherford B. Hayes** Kenneth E. Davison,1972-10-25 Beyond our world lies a land where darkness reigns the land of the virile sensual Shadowdwellers Yet their mysterious abilities are no match for the power of desire DOUBLE YOUR PLEASURE As Chancellor of the Shadowdwellers Malaya's first duty is to her people Her bodyguard Guin knows this only too well For tradition's sake Malaya must marry and the thought of this lush vibrant woman in a loveless union is impossible for him to bear Guin loves Malaya not as a subject loves his queen but as a man craves a woman And even if he cannot keep her he'll show her everything she stands to lose Discipline Penance Order A Sanctuary priest's life revolves around such things But when Sagan is taken captive and thrust into the Alaskan wilderness he encounters a woman who challenges his faith and his self control Valera is a natural born witch who almost lost herself to the lure of dark magic By rights Sagan should shun her but convention will count for nothing in the face of a passion that could change the world of the Shadowdwellers forever **Diary and Letters of Rutherford Birchard Hayes: 1834-1860** Rutherford B. Hayes,1922 *The Life, Public Services, and Select Speeches of Rutherford B. Hayes* J. Q. Howard,2016-03-14 Rutherford B Hayes is today best remembered for serving his one term as President of the United States 1877 to 1881 But how did he become the person who was elected in 1876 This classic biography first published in late 1876 before the election shows where Rutherford Hayes came from how he grew to be the man he became and how the politician evolved from his school law and military careers to his time in Congress his three

terms as governor of Ohio and then his nomination to the Presidency Historian J Q Howard drew liberally from Hayes public documents and pronouncements and includes many letters and speeches written by Hayes in order to draw this picture of the man who soon after the publication of this book became the 19th President Also included are the complete texts of six important speeches from Hayes non consecutive terms as governor This new edition of the classic biography shows President Hayes from a viewpoint nearly impossible to get today written as it was before Hayes election while he was a current political figure on the rise About the author from the Report of Herbert Putnam the Librarian of Congress for the fiscal year ending June 30 1913 Another death during the past year particularly to be noted was that of James Quay Howard Born in 1836 Mr Howard had had a varied experience before coming to the Library having been successively principal of an academy a lawyer United States consul at St Johns New Brunswick editor of the Ohio State Journal and an official in the Customs Service at New York where in 1880 he became appraiser For two years he served as a special agent of the United States Census Entering the Library in 1894 first in the copyright work he was in 1897 assigned to the charge of the Congressional Reference library which position he held at the time of his death with his headquarters in the Representatives Reading Room Mr Howard was of serious and scholarly mind and his studies were coterminous with his long career His contributions to public journals were numerous and a campaign life of Lincoln which he wrote has been termed the first signed biography of Lincoln ever published Mr Howard also wrote a campaign biography of Rutherford B Hayes and he was the author of a History of the Louisiana Purchase      **Rutherford B. Democratic controlled legislature and antagonized Republican Party bosses This work shows how Hayes overcame these forces to advance his agenda He resisted the hostile congressional effort to keep federal troops in the South reinstated the gold standard instituted civil service reform and ignored the clamor from congressmen beholden to railway magnates to involve the military in the Great Strike of 1877 Hayes triumph over these obstacles laid the foundation for the strong executive branch we know today Presidential Prestige will garner an eager audience of students scholars and members of the general public with an interest in American history By focusing on primary sources such as personal letters congressional records and news media this book adds a new dimension to the overall historiography of the late nineteenth century American political landscape
