Britton, 2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn't ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It's not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I'm hoping that like me you'll discover something that you didn't know you wanted or needed and something now you wouldn't give up at any price *A Spirituality for Brokenness* Terry Taylor, 2012-04-12 A gentle clear guide to finding hope and help in troubled days When you begin to understand what brokenness means you will be armed with information that empowers you to take the steps that can turn your leaden feelings into opportunities for health and happiness When you can accept and perhaps even celebrate your brokenness you can cease your endless search for healing and get on with your life scars and all from Chapter 1 We each have broken areas of our lives Whether from things that happen to us or as consequences of our own choices there are times and situations where our very souls feel fractured With wisdom and profound personal experience Terry Taylor guides you through a compassionate yet highly practical process of facing accepting and finally integrating your brokenness into your life a process that can ultimately bring mending He offers a clear eyed kindhearted method based on teachings and practices from many religious traditions including Ancient Christian practice of Lectio Divina to face our brokenness Tibetan practice of tonglen to generate compassion for ourselves Jewish tradition of Sabbath keeping to give us the space we need to mend Muslim practice of hajj pilgrimage to bring the journey full circle No matter your faith tradition you will find lovingkindness and wise counsel in this useful step by step guide to transforming these moments of supreme vulnerability into opportunities for reflection and spiritual growth Understanding Friendship Gary Chartier, 2022 Understanding Friendship illustrates friendship as an expression of Christian love that can enrich one's life and be socially culturally and politically significant The book examines what friendship is how its distinctive moral status can be supported by multiple approaches to Christian ethics and its part in Christian spirituality *The Analogy of Love* Gary Chartier, 2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love The book covers the traditional theological topics as well as basic questions of theological method It seeks to integrate a focus on love throughout While love is regularly canvassed as a

dominant theme in Christian thought it has rarely been the focus of Christian theological construction or a constraint on theological formulation The book seeks to suggest chapter by chapter how a given topic relates to the broad theme of love The book is written in a way designed to make it accessible to university students and educated laypersons At the same time it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians
