## **Sabotage Kisses:**

*Sabotage Kisses* Evelyn Martin, 1986      **Wartime Kiss** Alexander Nemerov, 2013 A deeply personal meditation on the haunting power of American photos and films of the 1940s *Wartime Kiss* is a personal meditation on the haunting power of American photographs and films from World War II and the later 1940s Starting with a stunning reinterpretation of one of the most famous photos of all time Alfred Eisenstaedt's image of a sailor kissing a nurse in Times Square on V J Day Alexander Nemerov goes on to examine an array of mostly forgotten images and movie episodes from a photo of Jimmy Stewart and Olivia de Havilland lying on a picnic blanket in the Santa Barbara hills to scenes from such films as *Twelve O'Clock High* and *Hold Back the Dawn* Erotically charged and bearing traces of trauma even when they seem far removed from the war these photos and scenes seem to hold out the promise of a palpable and emotional connection to those years Through a series of fascinating stories Nemerov reveals the surprising background of these bits of film and discovers unexpected connections between the war and Hollywood from an obsession with aviation to Anne Frank's love of the movies Beautifully written and illustrated *Wartime Kiss* vividly evokes a world in which Margaret Bourke White could follow a heroic assignment photographing a B 17 bombing mission over Tunis with a job in Hollywood documenting the filming of a war movie Ultimately this is a book about history as a sensuous experience a work as mysterious indescribable and affecting as a novel by W G Sebald

**KISS and Philosophy** Courtland Lewis, 2020-10-13 KISS is the most outrageous and yet the most enduring of rock bands with an unparalleled almost religious level of devotion from millions of die hard fans In *KISS and Philosophy* professional

thinkers of diverse outlooks provide much needed insights into the motivating ideas and metaphysical foundations of the KISS take on life According to some the true message of KISS is self actualization through the hard work of following your dreams Others focus on the existential aspect of KISS thinking drawing upon Camus and Sartre to show that KISS is preoccupied with empowering the individual to achieve self greatness By contrast there is a view of KISS which identifies a destroyer attitude leading some listeners to reject KISS outright while encouraging others to become the most dedicated of followers Yet another view sees KISS s letting loose as essentially Dionysian Some chapters gain access to KISS thinking by tracing the band s cultural and historical impact finding meaning in the way generations of fans make sense of KISS s always evolving output the changing line up and the archetypal characters represented by the band s use of make up and presentation Other chapters look at the aesthetic quality of the band s output especially their most controversial album *Music from The Elder* Several chapters examine KISS s orientation to bodily pleasures notably sex extracting the band s philosophy of sex and love from different clues and indications How does KISS s unashamed indulgence relate to various pleasure governed ethical systems throughout history Is getting the most out of pleasure key to living the good life And does a life of gratifying one s body ultimately yield fulfillment What are the limitations and hazards of a pleasure oriented lifestyle The biography of band members also provides material for reflection looking at the nature of forgiveness through the lens of KISS s notorious feuds and determining how to reconcile the apparently conflicting accounts of some famous squabbles The changing line up of the band raises questions about the meaning of KISS and whether KISS could last forever

**WAKE ME WITH A KISS** Emily Dalton, 2011-07-15 Once upon a time they called him the Perfume Prince, but Philip Fairchild had never exactly seen himself as a storybook hero. But that was before he tracked down the three winners of the most fragrant rose contest and met their beautiful goddaughter, Aurora McBride. One look at Rorie's beautiful lips told Philip that he'd give his kingdom for a kiss, even if it meant trying to pass the three tests laid out by her godmothers. After all, if he succeeded, he'd be granted knowledge of the secret to their garden and maybe even the hand of the prickly princess. Once Upon a Kiss: Could they live happily ever after?

**The Art of French Kissing** Brianna R. Shrum, 2018-06-05 Seventeen-year-old Carter Lane has wanted to be a chef since she was old enough to ignore her mom's warnings to stay away from the hot stove. And now she has the chance of a lifetime: a prestigious scholarship competition in Savannah where students compete all summer in Chopped-style challenges for a full ride to one of the best culinary schools in the country. The only impossible challenge: ingredient in her basket. Reid Yamada. After Reid, her cute but unbearably cocky opponent goes out of his way to screw her over, on day one Carter vows revenge, and soon they are involved in a full-fledged culinary war. Just as the tension between them reaches its boiling point, Carter and Reid are forced to work together if they want to win, and Carter begins to wonder if Reid's constant presence in her brain is about more than rivalry. And if maybe her desire to smack his mouth doesn't necessarily cancel out her desire to kiss it.

**Kiss the Boys Goodbye** Monika Jensen-Stevenson, William Stevenson, 2014-11-18 The classic account of the abandonment of American POWs in Vietnam by the US government. For many Americans, the recent conflicts in Iraq and Afghanistan bring back painful memories of one issue in particular: American policy on the rescue of and negotiation for American prisoners. One current American POW of the Taliban, Sergeant Bowe Bergdahl, stands as their symbol. Thousands of Vietnam veteran POW activists worry that Bergdahl will suffer the fate of so many of their POW/MIA comrades: abandonment once the US leaves that theater of war. Kiss the Boys Goodbye convincingly shows that a legacy of shame remains from America's ill-fated involvement in Vietnam. Until US government policy on POW MIAs changes, it remains one of the most crucial issues for any American soldier who fights for home and country, particularly when we are engaged with an enemy that doesn't adhere to the international standards for the treatment of prisoners or any

American hostage as the graphic video of Daniel Pearl's decapitation on various Jihad websites bears out. In this explosive book, Monika Jensen Stevenson and William Stevenson provide startling evidence that American troops were left in captivity in Indochina, victims of their government's abuse of secrecy and power. The book not only delves into the world of official obstruction, missing files, censored testimony, and the pressures brought to bear on witnesses ready to tell the truth, but also reveals the trauma on patriotic families torn apart by a policy that at first seemed unbelievable to them. First published in 1990, *Kiss the Boys Goodbye* has become a classic on the subject. This new edition features an afterword which fills in the news on the latest verifiable scandal produced by the Senate Select Committee on POWs. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history, books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

**A Kiss in the Dark** Jenna Mills, 2010-11-15 Found with blood on her hands, ice princess Bethany St Croix became the prime suspect in her ex-husband's murder. But her chilly silence didn't fool one man. P. I. Dylan St Croix had once been seared by the passion that blazed beneath Bethany's cool facade. And though they'd parted bitterly before she'd married his cousin, he couldn't desert her now. Tragedy and silence had torn them apart. Yet after one dark forbidden night of love, Bethany carried Dylan's baby. Nothing could douse the fire of possession that burned through Dylan that made him want to lay claim to mother and child. But though he would risk his reputation to prove her innocence, would he risk his heart to win back her love?

**Kissing Fish** Roger Wolsey, 2011-01-10 Christianity gets plenty of media attention, but often for all the wrong reasons. If you've ever felt disillusioned by the loudest, most rigid voices in modern Christianity, *Kissing Fish: Christianity for People Who Don't Like Christianity* offers a refreshing alternative. Roger Wolsey presents an accessible and engaging introduction to progressive Christianity, a growing movement that reclaims the radical love, inclusivity, and transformative message at the heart of the Gospel. Part postmodern systematic theology and part personal spiritual journey, this book speaks directly to those who have left the church, never felt welcome in it, or are simply searching for a faith that makes sense in today's world. Wolsey weaves together personal stories and deep theological reflection, offering a candid and hopeful invitation to rediscover Christianity beyond dogma and exclusion. His voice brings together the thoughtfulness of Brian McLaren and Diana Butler Bass, the pastoral warmth and openness of Rob Bell, and the prophetic call to social justice found in the work of Jim Wallis and Shane Claiborne. Like Walter Wink, Wolsey explores the powers and principalities with clarity and courage, and like Wes Howard Brook, he calls readers to return to the radical roots of the Christian tradition. There's also an authenticity and down-to-earth narrative style reminiscent of Donald Miller. *Kissing Fish* challenges harmful stereotypes while presenting a faith that is intellectually honest, emotionally satisfying, and spiritually

fulfilling Whether you re spiritual but not religious a progressive believer or someone standing at the edges of faith this book offers a way forward If you like Jesus but struggle with Christianity Kissing Fish invites you to explore a path that embraces mystery fosters compassion and empowers you to love boldly and live authentically in today s complex world **Kiss River** Diane Chamberlain,2011-12-01 Separated by a continent from her child Gina Higgins comes to Kiss River with little more than a desperate plan Now saving her daughter depends on whether she can uncover a message buried deep below the ocean s surface Kiss River s historic nineteenth century lighthouse has all but fallen into the sea taking with it the huge Fresnel lens that once served as its beacon Gina is desperate to find a way to raise the lens the glass holds the key to her future her fortune and her only chance to save the one person who matters to her Clay O Neill lives in the old light keeper s house a home he shares with his sister Lacey When Lacey invites her to stay with them Gina eagerly accepts As Gina begins her quest to raise the lens Clay finds himself drawn to her struggle and to Gina herself But the answers lie deep below the ocean And the lighthouse holds secrets that neither Clay nor Gina can anticipate **KISS FAQ** Dale Sherman,2012-07-01 Since 1973 KISS has recorded over 20 studio albums been recognized as an innovator in rock presentations witnessed a firestorm of rumors and controversies remained a thorn in critics sides and continues to surprise its massive fan following the KISS Army with various career twists and turns Moreover many television shows movies toys and even comics have kept KISS a bigger than life name in entertainment for decades Yet with all that has been written over the years there are subjects that fans have never put to rest when it comes to the hottest band in the land What were the most significant concerts Why did Phantom of the Park turn out that way What were the best and worst album covers How did the comics come about And what the heck is a deuce These subjects and more appear in KISS FAQ showcasing the good bad and the weird that has made KISS the legendary ultimate rock and roll party band still going strong after 40 years Accompanying this entertaining work of solid rock scholarship are dozens of rare images from posters to live shots and beyond Also included is a foreword by Bill Starkey the creator of the original KISS Army **Wicked Kiss** Michelle Rowen,2013-02-26 Now after one dark kiss from a dangerous boy I can steal someone s soul or their life If I give in to the constant hunger inside me I hurt anyone I kiss If I don t I hurt myself P 4 of cover **Dark Kiss** Michelle Rowen,2012-05-22 Samantha has just been kissed by the man of her dreams but he is a demon who eats souls when she meets Bishop an angel he promises to get her soul back **Winter's Kiss** Marin Thomas,2017-12-12 After being banned from celebrating the holidays with his stepfamily San Diego businessman Lucas Kendrick arrives in Marietta Montana in time to attend the New Year s Eve celebration at the Graff Hotel The rodeo theme party isn t his style but he s drawn to the pretty cowgirl running the dice table When the clock strikes midnight and they ring in the New Year with a kiss Lucas almost forgets he s in Marietta on business and not pleasure He believes he s found the perfect property for his prized client There s just one problem the pretty cowgirl has her sights set on the same piece of real estate Now that single mom Ava Moore has earned a business degree she wants to help other struggling women
