Sabotaging the World Church Jack Van Impe, 1991      *The Mirror of Christianity, Cults, and the Catholic Church* Richard Bennett, 2021-05-13 Are we on the brink of a theological war between Conservative Protestant Christianity and the new Charismatic Protestant Christian movement known as the New Apostolic Reformation NAR Are they as demonic as some well known pastors say A very debated question This is a book that must be read by every ex Catholic that perhaps has second thoughts Reading this book is assurance the decision was right And let us not forget those Prosperity preachers who constantly ask for money This book exposes them even to their very core beliefs which are shocking and unbelievable

**Sabotage** Trinity Jordan, 2013-04-02 Without proper respect for ourselves we don't really live connected with God and others the way God has designed During fourteen years of pastoral ministry Trinity Jordan has walked with a lot of people through their struggles What he has noticed is that THIS is really about THAT in their lives The THAT is almost always rooted in insecurity Our unlove lack of confidence and acceptance of ourselves have alienated us from God and others When Jesus says the greatest commandment is to love God and love others as we love ourselves the key in that verse is us loving ourselves Insecurity sabotages the abundant life God has for us here on earth Sabotage deals with the root issues behind our insecurities including comparing ourselves with others lies we tell ourselves discontent and more Addressing these issues will result in healthy relationships across the board coworkers church members spouses children strangers friends family and GOD

*Sabotage* Kevin A. Johnson, 2012-03-27 In his book sabotage Kevin A Johnson reveals how he has seen up close the deceitfulness of this spirit at work and details the depth and pervasive nature of its long reaching tentacles into the everyday situations of countless lives Though he implores us to view this life through spiritual lenses his objective is not that we be mired down by what we see but that we be emboldened to fight that spirit of darkness with the power of the spirit of light Johnson wishes for us to know that we are purposed to live victorious and rewarding lives and he encourages us to do just that

*Sabotage?* Jack T. Chick, 1979 For thousands of years Satan has tried to discredit God's Word Bible schools are now teaching the Bible does not contain God's word When the Crusaders help a former Bible student whose life had been shattered by this lie they take him to meet a man who will introduce him to Bible History 101 See the struggle through the ages to keep God's Word pure and learn which Bible can be trusted and why

*The Divine Sabotage* Dan Lioy, 2008-08-18 The concept of the divine sabotage is the starting point for this expositional journey through Ecclesiastes Dan Lioy notes that on the one hand God has set eternity in the human heart Eccl 3 11a Yet on the other hand no one can fathom what God has done from beginning to end Eccl 3 11b God has imposed limitations on the human race that undermine human efforts to look beyond the present especially to understand the past or probe into the future Expressed differently because people are creatures of time their heavenly imposed finitude subverts their ability to fathom the eternal plan of God The preceding observations help pinpoint why existence often seems vague incongruous and antithetical People are left feeling confused

powerless and frustrated And somewhere along the way they begin to ask what life is really all about Solomon who was Israel's wisest and most powerful king also wrestled with these issues and he recorded his observations and conclusions in the book of Ecclesiastes Lioy's objective balanced and affirming examination of Solomon's treatise indicates that the fundamental quality of life is defined by revering God and heeding His commandments Eccl 12 13 He notes that if human existence is likened to a cord made of three strands an analogy based on Ecclesiastes 4 12 it remains coherent and interconnected when God is at the center of one's inner world at the core of one's understanding of the external world and the basis for the significance one derives from life This volume is appropriate for personal study and is also suitable as a college and seminary textbook
