Agony Of The City Kay Kwon,2020-06-13 On the way home Wilfred finally looked the phone again and there were only messages from Julia Wilfred waited the messages from Sabrina but he never received anything Wilfred replied to Julia meaninglessly and realized that he changed Futility was the temperature of the city and the realistic released him from the weight that he was hanging On the side of the road he smelt the cigarette stench and he felt disgusted and dizzy He ran to his home and once he went into his apartment he found the breakfast that he made was still on the table The memo he left was at the same place and he realized where the futility came from He didn't miss Sabrina at all just like how he spent meaningless night after the breakup Wilfred saw the ash of the photo under the bed and he swept it away with the bloom Wilfred cleaned his home and he realized that his house was empty There was only one couch and small coffee table one small dining table in the kitchen 2 chairs for the dining table one bed in his den and one shelf for the rubbish like decorations The empty spots were expecting for someone's existence but it was never filled School of Music Programs University of

Ramet,2023-03-23 The communists of East Central Europe came to power promising to bring about genuine equality paying special attention to achieving gender equality to build up industry and create prosperous societies and to use music art and literature to promote socialist ideals Instead they never succeeded in filling more than a third of their legislatures with women and were unable to make significant headway against entrenched patriarchal views they considered it necessary with the sole exception of Albania to rely heavily on credits to build up their economies eventually driving them into bankruptcy and the effort to instrumentalize the arts ran aground in most of the region already by 1956 and in Yugoslavia by 1949 Communism was all about planning control and politicization Except for Yugoslavia after 1949 the communists sought to plan and control not only politics and the economy but also the media and information religious organizations culture and the promotion of women which they understood in the first place as involving putting women to work Inspired by the groundbreaking work of Robert K Merton on functionalist theory this book shows how communist policies were repeatedly undermined by unintended consequences and outright dysfunctions **New York Magazine** ,1985-05-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
