Sabrina Annual 2005:

Encyclopedia of African American Actresses in Film and Television Bob McCann, 2022-09-23 The first work of its kind this encyclopedia provides 360 brief biographies of African American film and television actresses from the silent era to 2009 It includes entries on well known and nearly forgotten actresses running the gamut from Academy Award and NAACP Image Award winners to B film and blaxploitation era stars Each entry has a complete filmography of the actress's film TV music video or short film credits The work also features more than 170 photographs some of them rare images from the Schomburg Center for Research in Black Culture

Family, Ties and Care Hans Bertram, Nancy Ehler, 2011-11-29 Families international the new milestone How may care be secured particularly in ageing societies how may families relatives and friends support each other and live together beyond market reasons How can social welfare be secured How do different countries and different cultures solve the problems they may or may not now or in days to come share with other countries and cultures Families as is found in this publication by internationally renowned experts are the base and well of society's fortune in a humane paradigm Furthermore it is the very backbone of lifelong solidarity in inter generational relations and the very place where the readiness of taking on care and responsibility are experienced and learned The publication's underlying idea opens up two perspectives on the one hand differences and similarities in family life forms are chiselled out on the base of an international cooperation Simultaneously the international authors are called upon to express their ideas about their own country's future more distinctly and clearly thus distinctions and similarities of the respective paths of development are rather easily perceived

Hitchcock's Romantic Irony Richard Allen, 2007 Is Hitchcock a superficial though brilliant entertainer or a moralist Do his films celebrate the ideal of romantic love or subvert it In a new interpretation of the director's work Richard Allen argues that Hitchcock orchestrates the narrative and stylistic idioms of popular cinema to at once celebrate and subvert the ideal of romance and to forge a distinctive worldview the amoral outlook of the romantic ironist or aesthete He describes in detail how Hitchcock's characteristic tone is achieved through a titillating combination of suspense and black humor that subverts the moral framework of the romantic thriller and a meticulous approach to visual style that articulates the lure of human perversity even as the ideal of romance is being deliriously affirmed Discussing more than thirty films from the director's English and American periods Allen explores the filmmaker's adoption of the idioms of late romanticism his orchestration of narrative point of view and suspense and his distinctive visual strategies of aestheticism and expressionism and surrealism

Lost and Found Mark D'Souza, MD, 2024-09-03 In the midst of unprecedented material wealth and technological advancement a paradoxical crisis looms large the crisis of meaning Lost and Found by Dr Mark D Souza ventures deep into this quandary addressing the poignant disconnects of our modern era As workplaces remain trapped in a cacophony of disagreements the world witnesses an opioid crisis showing no signs of remission Drawing upon his extensive experience in medical practice and rich insights from philosophy psychology and literature Dr D Souza traces this descent into chaos marking Nietzsche's assertion of the death of God as a pivotal moment in the annals of philosophical and societal thought As the world grapples with the void left behind emergent replacement religions from climate alarmism to victimhood attempt to fill the chasm often adding to the turmoil However Lost and Found is not merely an analysis of our past mistakes and present predicaments It is a guiding light illuminating a path forward With compelling arguments for the embrace of free speech a return to the grounding principles of traditional religions and an appeal for personal responsibility Dr D Souza provides actionable solutions for the individual and society at large For those weary of today's cultural malaise and eager to mend our world this book is an essential compass guiding its readers toward a more cohesive and meaningful tomorrow The Dark Side of European Integration Alina Polyakova, 2015-08-01 Across Europe radical right wing parties are winning increasing

electoral support The Dark Side of European Integration argues that this rising nationalism and the mobilization of the radical right are the consequences of European economic integration The European economic project has produced a cultural backlash in the form of nationalist radical right ideologies This assessment relies on a detailed analysis of the electoral rise of radical right parties in Western and Eastern Europe Contrary to popular belief economic performance and immigration rates are not the only factors that determine the far right s success There are other political and social factors that explain why in post socialist Eastern European countries such parties had historically been weaker than their potential which they have now started to fulfill increasingly Using in depth interviews with radical right activists in Ukraine Alina Polyakova also explores how radical right mobilization works on the ground through social networks allowing new insights into how social movements and political parties interact

Remaking Politics, Markets, and Citizens in Turkey Ebru Kayaalp, 2014-12-18 Remaking Politics Markets and Citizens in Turkey critically analyses the travel of neoliberal ideas policies experts and institutions from the West to Turkey Through an ethnographic investigation of the newly established tobacco market Ebru Kayaalp considers how they are being adopted and transformed in their new settings The February 2001 crisis the most severe economic downturn in the history of Turkey generated an emergency situation in which a series of sweeping neoliberal policies were implemented to prop up the collapsed economy To receive the necessary loans from the international financial institutions the Turkish government hastily enacted a number of neoliberal laws including the notorious tobacco law Remaking Politics Markets and Citizens in Turkey not only explores the repercussions of the new tobacco law such as the establishment of a new regulatory institution the emergence of contract farming and the privatization of the tobacco monopoly thereby making a liberalized market but also the smoking ban governing the bodies and spaces of Muslim citizens Remaking Politics Markets and Citizens in Turkey provides an innovative contribution to Middle Eastern studies filling the gap for anthropological research in Muslim countries on local economic relations and their connections with the global economy
