Sacraments Of Initiation:

Understanding the Sacraments of Initiation Randy Stice, 2017-04-03 Guiding readers through the rites of Baptism Confirmation and Eucharist Understanding the Sacraments of Initiation explores the way in which the sacraments of Initiation affect and influence one's daily Christian life

Sacraments of Initiation, Second Edition Liam G. Walsh OP, 2022-01-07 This title is no longer available The original edition of this book presented a theology of sacraments that emerged out of a Church stirred into new life by the Second Vatican Council It is a theology that can claim to have been continuously received in the Catholic Church since then It is the theology that has been widely practiced and preached in pastoral life has been given catechetical shape in the Catechism of the Catholic Church However during the past 23 years some trends developed in pastoral theology and practice that were taking directions that seemed hard to reconcile with the decisions of the Council This new edition examines the way some theological counter currents have developed over those years both in theory and in practice The sacramental theology contained in this study maintains the broad ongoing agreement between what it proposes and mainstream Church teaching and practice The book examines the tradition of sacramental practice and teaching Biblical and historical studies continue to uncover new riches of the tradition and recent findings are discussed A careful listening to the tradition of rite and word is truly indispensable for sacramental theology It was out of such listening that Vatican II teaching on sacraments emerged and provision was made for recovering the full richness of the tradition Not all of the recent theological speculations and pastoral strategies given an equally serious acknowledgement to the tradition The liturgies that are studied in this book have been given to the Church in the wake of Vatican II The historical chapters will show the liturgies to be a contemporary expression of fidelity to core values of the Apostolic Tradition The chapters on the rite of each sacrament are mainly descriptive and historical but also include anthropological reflections that unveil the human significances of the various rites The chapters on the word examine the biblical and traditional word spoken in the churches about each sacrament and conclude with what is called a systematic essay The bibliography has updated to reflect the development in the field

The Christian Sacraments of Initiation Kenan B. Osborne, 1987 A contemporary theology of these three sacraments surveying their historical development their theology today and liturgical and pastoral implications

Sacraments of Initiation: Intimacy This Side of Heaven Nicholas H. Kovacs, O.F.S., 2015-09-28 This book discusses the sacraments of initiation in the Catholic Church and how they are vehicles into entering an intimate relationship with God The book highlights the sacraments of Baptism Confirmation and the Eucharist

Walking in Newness of Life Robert Sargent (STD.), 2007 Walking in Newness of Life offers an insightful combination of the theology and spirituality of the Sacraments of Initiation in a most accessible way The book explores the history and development of each of the three sacraments of Initiation Baptism Confirmation and Eucharist and draws upon the biblical foundations of each It also finds a firm basis in the teaching of the Church mindful of the contemporary reader

and the issues that confront the church today in practicing these three Rites of Initiation Throughout the book are reflection questions useful for individual readers and discussion study groups Unique in its combination of theology with biblical background and spirituality this book has been time tested in parish and college groups who learned much and encouraged the author to turn it into a book *Sacraments of Initiation* William J.
