with Archangel Raphael and the Angels Mary LaSota, Harriet Sternberg, 2007-05. In this book, Hope, Help, Healing with Archangel Raphael and The Angels, many comments and much information is given which is extremely important at this time in terms of very much needed hope both in the present and for the future Planet Earth. The individuals living on it need to know about Angels, Archangels, Spirit Guides, and Ascended Masters in order to avail themselves of all the helpful, hopeful, healing, protecting, and guiding ways they have given in the past and about how all these offerings can be utilized now. The Emerald Joy Healing Ceremonials, the attunements, and the messages are valuable because they come directly from Archangel Raphael himself, his contributions benefiting us all. The authors' intensive and extensive research about past Golden Ages and the predicted Golden Age to come culminates in a last chapter which shows the cosmic role Planet Earth has played in the past and needs to play again. This book has come forth at this time to offer words of hope, help, and healing to a world in its transformational period. **Return to Love** Sylvia Marina, 2013-01-01. **Living Spiritual Praxis** Eric J.

Kyle, 2013-10-24. Christian ministers working in congregations and with nonprofits seek to discern what it is that God has been doing and where it is that the Spirit might be leading them. In *Living Spiritual Praxis*, Eric Kyle looks to address the lack of resources on the work and dynamics of Christian spiritual formation that actually develop a specific process for spiritual formation programs. Kyle strives to provide a guide for spiritual formation by using the praxis-oriented fields of action research and practical theology. He explores a process for understanding the nature and dynamics of a situation, discerning specific formative interventions, assessing various approaches, and continually assessing and modifying these understandings and approaches. *Living Spiritual Praxis* will be an invaluable resource for all Christians, leaders and laity alike who are challenged by the spiritual formation of church members, communities, groups, and individuals. **Working with the Masters**
