Rosina Ehmann

Sacred Tradition And Present Need:

Sacred Tradition and Present Need Jacob Needleman, Dennis Lewis, 1975 *The True Significance of Sacred Tradition and Its Great Worth*, by St. Raphael M. Hawaweeny St. Raphael M. Hawaweeny, 2017-01-17 Never before published the theological thesis of St Raphael Hawaweeny 1860 1915 is a fascinating work that shows the intersection of Roman Catholicism Protestantism and Eastern Orthodoxy in the late nineteenth century Canonized by the Orthodox Church in 2000 St Raphael was the first Orthodox bishop consecrated in the western hemisphere His thesis reflects the life of the Orthodox community under Ottoman rule and is an apologia for Orthodox tradition acting as a response to arguments advanced by Roman Catholic and Protestant missionaries in the Middle East Patrick Viscuso s introduction explains the complex historical and theological forces at work in St Raphael s world Since the sixteenth century the Roman Catholic Church had launched major proselytization efforts toward Orthodox Christians in the Ottoman Empire with the support of the great Western powers In the late nineteenth century the United States dominated Protestant efforts in the region The powerful language in St Raphael s thesis and his refutation of Roman Catholic and Protestant positions reflect an active dialogue with Western Christianity The thesis dated May 1 1886 was written as part of the requirements for graduation from the Theological School of the Great Church of Christ an institution of the Ecumenical Patriarchate located on the island of Halki in the Sea of Marmara near present day Istanbul Patrick Viscuso s translation is based on his transcription of the handwritten Greek text Viscuso provides this transcription along with translations of the 1874 Regulations of the Theological School and a contemporary account of life at the school This important volume will appeal to historians of the Ottoman Empire and Christianity specialists interested in religious pluralism in America and general readers interested in religion and Christian dialogue **The Only Tradition** William W. Quinn, 1997-02-06 Examines the first principles of the perennial philosophy or ancient wisdom tradition as expressed in the writings of its great exponents Rene Guenon and Ananda K Coomaraswamy and offers a critique of the West from the standpoint of traditional principles **Sufism** Jean-Louis Michon, Roger Gaetani, 2006-03-24 For hundreds of years the inner spiritual core of Islam has been the focus of Sufi thinkers These essays allow the reader to understand the wisdom and history of Sufism **Lost Christianity** Jacob Needleman, 2003-08-25 Unavailable for several years Lost Christianity is a profound reexamination of the essence of Christian thought and faith Philosopher and bestselling author Jacob Needleman has sought out the ancient texts and modern practitioners of essential Christianity whose message speaks directly to contemporary seekers **The Living Church** , 1959 **The Blessed Virgin Mary in England Vol. 1** Brother Anthony Josemaria Fti, 2008-11 O Blessed Confidence O Safe Refuge Mother of God and Our Mother St Anselm of Canterbury 1033 1109 Doctor of the Church What is not generally known and only infrequently studied is the role of Our Lady over the centuries as a catechist teacher of the faith in a very real sense primary teacher because she is Mother of God and Mother of the Church and faithful If any one factor might be singled out for the very high

level of faith and religious practice in medieval merry England merry because Mary s dowry because consecrated to Mary as her possession and property it is this Marian catechesis Only when England deliberately rejected Mary did it cease to be the happy place it once was Unfortunately English colonization of other peoples took place only after the repudiation of Mary by England That is why this catechetical work is especially valuable for the faithful and those who are seeking faith in America and other English speaking cultures It will bring to their attention precisely what is central to catechetics and so often missing the presence of Mary Mother and Teacher It will make perfectly clear why we need not fewer Marian sanctuaries but many many more in all parts of the country where this quiet but so real and profound influence of the Marian principle of the Church will be felt at every level It is my prayer and hope that those who read and study this work will find the same inspiration and stimulus that I found in having the privilege to read the manuscript before publication We are much indebted to Brother Anthony Josemaria Pasquale a Franciscan Tertiary of the Immaculate and gifted scholar for the effort he has expended to find qualified contributors and to offer so well edited a book to the general public From the Foreword by Father Peter M Fehlner FI theologian sponsor of the International Symposium on Marian Coredemption

The Theology of Paul the Apostle James D. G. Dunn, 2006-05-17 Using Paul s letter to the Romans as the foundation for his monumental study of Paul s theology James D G Dunn describes Paul s teaching on God sin humankind Christology salvation the church and the nature of the Christian life

Jesus and Israel's Traditions of Judgement and Restoration Steven M. Bryan, 2002-05-02 Jesus and Israel s Traditions of Judgement and Restoration examines the eschatology of Jesus by evaluating his appropriation of sacred traditions related to Israel s restoration It addresses the way in which Jesus future expectations impinged upon his understanding of key features of Jewish society Scholars have long debated the degree to which Jesus eschatology can be said to have been realized This 2002 book considers Jesus expectations regarding key constitutional features of the eschaton the shape of the people of God purity Land and Temple Bryan shows that Jesus anticipation of coming national judgement led him to use Israel s sacred traditions in ways that differed significantly from their use by his contemporaries This did not lead Jesus to the conviction that Israel s restoration had been delayed Instead he employed Israel s traditions to support a different understanding of restoration and a belief that the time of restoration had arrived

Truth Is a Synthesis: Catholic Dogmatic Theology Mauro Gagliardi, 2020-08-06 In everyday parlance synthesis is synonymous with short Here Mauro Gagliardi uses synthesis as it has been applied to the Hypostatic Union in Christ the Synthetic Union of the two natures in one Person All of dogmatic theology is presented from this et et both and Christocentric approach in Truth is a Synthesis Catholic Dogmatic Theology The volume presents for beginners a comprehensive organic view of the Catholic faith Truth is a Synthesis spotlights in a respectful yet clear way the different views about Christian Dogmatics held by our separated brethren both Protestant and Orthodox As he explores the implications of the et et nature of theology Gagliardi reveals the underlying unity of both Fundamental and Dogmatic theology Professor Gagliardi s book is in every way a magnum opus both

The Faith Explained Today Joe Babendreier,2017-03-31 Written in the same style and spirit as the classic best seller *The Faith Explained* by Leo Trese *The Faith Explained Today* by Joe Babendreier offers an explanation of the faith that is easily accessible to modern readers especially students and young adults The book is in six parts and covers the full spectrum of Church teaching over the last 2 000 years These parts include What Christians Believe How God Reveals Morality The Way Christians Worship The Human Person Prayer Complete with review questions at the end of each chapter and frequent use of writings from Sacred Scripture the saints spiritual writers and the Magisterium this book will help you understand what God revealed through Jesus Christ as the Church has believed it preserved it and treasured it from the beginning

Mother of the Lamb Matthew J. Milliner,2022-10-04 *Mother of the Lamb* tells the remarkable story of a Byzantine image that emerged from the losing side of the Crusades Called the Virgin of the Passion in the East and Our Lady of Perpetual Help in the West the icon has expanded beyond its Byzantine origins to become one of the most pervasive images of our time It boasts multiple major shrines on nearly every continent and is reflected in every epoch of art history since its origin even making an appearance at the Olympics in 2012 Matthew Milliner first chronicles the story of the icon s creation and emergence in the immediate aftermath of the Third Crusade whereupon the icon became a surprising emblem of defeat its own fame expanding in inverse proportion to Christendom s political contraction Originally born as a Christian response to the Christian violence of the Crusades it marked the moment when Mary s ministry of suffering love truly began Having traced the icon s origin and ubiquity Milliner teases out the painting s theological depth and continues the story of the icon s evolution and significance from its origins to the present day As the story of the icon moves well beyond Byzantine art history both temporally and thematically it engages religion politics contemporary art and feminist concerns at once Always though the icon exemplifies dignity in suffering a lesson that through this image Byzantium bequeathed to the wider world Encapsulating eleven centuries of development of the mourning Mary in Byzantium the Virgin of the Passion emerges as a commendable icon of humility a perennial watchword signaling the perils of imagined political glory The Virgin of the Passion emblemizing political humility the powerful agency of women and the value of inter Christian and extra Christian concord is an exemplary Marian image for the fledgling twenty first century

Arabic Poetry Muhsin J. al-Musawi,2006-09-27 Since the late 1940s Arabic poetry has spoken for an Arab conscience as much as it has debated positions and ideologies nationally and worldwide This book tackles issues of modernity and tradition in Arabic poetry as manifested in poetic texts and criticism by poets as participants in transformation and change It studies the poetic in its

complexity relating to issues of selfhood individuality community religion ideology nation class and gender Al Musawi also explores in context issues that have been cursorily noticed or neglected like Shi i poetics Sufism women s poetry and expressions of exilic consciousness Arabic Poetry employs current literary theory and provides comprehensive coverage of modern and post modern poetry from the 1950s onwards making it essential reading for those with interests in Arabic culture and literature and Middle East studies

René Daumal Kathleen Ferrick Rosenblatt,1999-02-25 Based on twenty years of research and personal interviews Kathleen Rosenblatt s book is the first to comprehensively cover all aspects of the life and work of Ren Daumal seminal writer of the metaphysical avant garde As an individual Daumal was seen by those who knew him as a modern proto saint with a blazing intellect and wit as a writer he was the first to forge a mystical link between classical Hindu poetics and the revolutionary views of Gurdjieff synthesized in surrealist style Originally published in French this revised English edition shows why many feel that Daumal s literary group Le Grand Jeu was a brief but more authentic voice of the French avant garde circa 1930 than the more established Surrealist movement While still in his teens he placed himself at the crossroads of powerful converging influences Hinduism Surrealism Marxism Freudianism and parapsychology but the strongest influence was the fiery internal cauldron of his own lifelong spiritual struggle At sixteen Daumal began to teach himself Sanskrit and to decipher the essence of Hindu philosophy and poetics but it was the teaching of Gurdjieff that truly changed his life giving him an intimate knowledge of the inner workings of the human being and of the entire cosmos Rosenblatt traces all these influences and experiences as they reveal the depths of Daumal s being and as they surface in his poetry *Le Contre ciel* and in his two short novels *A Night of Serious Drinking* and *Mount Analogue* Today Daumal s personal vision of the Infinite and the story of his quest are more timely and essential than ever

Joel's Use of Scripture and the Scripture's Use of Joel John Strazicich,2007-04-30 The methodological approach employed in this research utilizes the hermeneutics of comparative midrash combined with aspects of Bakhtinian dialogism and intertextuality The purpose of this enterprise is to discern the function of scripture in Joel and its New Testament *Nachleben* The terms appropriation and resignification are descriptive of the process through which an antecedent text is transformed by its displacement condensation and recontextualization These methodologies assist in giving an account of the intertextual dialogism involved in a text s unrecorded hermeneutics The scope of the work looks at the use of scriptural traditions within the book of Joel during the Second Temple period There is an introduction to the hermeneutical methods employed followed by a general introduction to the book of Joel in chapter one Chapters two and three concern the function of scripture in Joel Finally the last chapter deals with Joel s New Testament *Nachleben* Each chapter has an introduction and conclusion This work does not eschew the importance of diachronic issues The diachronic method pays attention to the context of an antecedent s voice while the synchronic methodological approach pays attention to the function and purpose in which the receptor text resignifies the appropriated motifs and allusions The diachronic becomes fused with the synchronic in the process of an

allusion's recontextualization This study in a heuristic manner focuses on the way that each allusion is appropriated and resignified for the needs of both Joel's community and those of the later NT in order to understand the function of canonical hermeneutics

What Is God? Jacob Needleman, 2009-12-24 In his most deeply personal work religious scholar Needleman cuts a clear path through today's clamorous debates over the existence of God illuminating an entirely new way of approaching the question of how to understand a higher power In this new book philosopher Jacob Needleman whose voice and ideas have done so much to open the West to esoteric and Eastern religious ideas in the twentieth and twenty first centuries intimately considers humanity's most vital question What is God Needleman begins by taking us more than a half century into the past to his own experience as a brilliant promising Ivy-educated student of philosophy atheistic existential and unwilling to blindly accept childish religiosity But an unsettling meeting with the venerated Zen teacher D T Suzuki combined with the sudden need to accept a dreary position teaching the philosophy of religion forced the young academician to look more closely at the religious ideas he had once thought dead Within traditional religious texts the scholar discovered a core of esoteric and philosophical ideas more mature and challenging than anything he had ever associated with Judaism Christianity and the religions of the East At the same time Needleman came to realize as he shares with the reader that ideas and words are not enough Ideas and words no matter how profound cannot prevent hatred arrogance and ultimate despair and cannot prevent our individual lives from descending into violence and illusion And with this insight Needleman begins to open the reader to a new kind of understanding The inner realization that in order to lead the lives we were intended for the very nature of human experience must change including the very structure of our perception and indeed the very structure of our minds In *What Is God* Needleman draws us closer to the meaning and nature of this needed change and shows how our present confusion about the purpose of religion and the concept of God reflects a widespread psychological starvation for this specific quality of thought and experience In rich and varied detail the book describes this inner experience and how almost all of us atheists and believers alike actually have been visited by it but without understanding what it means and why the intentional cultivation of this quality of experience is necessary for the fullness of our existence

About the Religion of Senators Kennedy and Kerry John Schroeder, 2004 Senators Kennedy and Kerry not only hail from the same state not only serve in the same capacity the two lawmakers also share the same religion To many this makes them mystery men sort of because so little is known about the Roman Catholic Church To others these men represent what is perceived in some quarters as a very real danger verbalized as the fear that their decisions as lawmakers are influenced by the Roman Catholic Pope A third group simply wants to know What do these men believe This book is for all three groups cited above It is not an endorsement of either Senator Kennedy or Senator Kerry Nor is it a polemic opposing them Politically it is as neutral as neutral can be What then is this book's purpose Simply to present both objectively and honestly what the Roman Catholic Church teaches what its followers including Senators Kennedy and Kerry are required to believe its history and structure

and how it relates to the Holy Bible held in highest esteem by evangelical Christians The reader is not likely to find in these pages reasons to cast a vote for or against either of these men Their political views their voting records their private lives are subjects for others to deal with and such information will not be found between these pages What will be found is a new and comprehensive understanding of the religion to which they belong and the doctrines they must accept and believe in order to be practicing Roman Catholics Also contained in these pages is the answer to the key spiritual question of our time namely in their religious beliefs are these famous men and their fellow Roman Catholics under Grace or under the law **Sacred Words and Worlds** ,2011-10-14 This book examines the scholarly genre of geographia sacra in early modern Europe tracing its contours the outlooks and concerns of its practitioners as well as the intersections of religion and geography in an age that saw dramatic revolutions in both fields *The Celestial and Ecclesiastical Hierarchy of Dionysius the Areopagite* Pseudo-Dionysius (the Areopagite.),1894
