Sacred Writings Part 2 Christian Buddhist Hind:

The Concept of Self in Hinduism, Buddhism, and Christianity and Its Implication for Interfaith Relations Kiseong Shin, 2017-05-05 This is the first comparative study of the self and no self in Hinduism Buddhism and Christianity In spite of doctrinal differences within these three belief systems they agree that human beings are in a predicament from which they need to be liberated Indian religions including Hinduism and Buddhism share the belief that human nature is inherently perfectible while the epistemological and psychological limitation of the human being is integral to Christian belief Regarding the immortality of the human being Hinduism and Christianity traditionally and generally agree that human beings as atman or soul possess intrinsic immortality On the contrary Buddhism teaches the doctrine of no self anatta Further in their quest to analyze the human predicament and attempt a way out of it they employ different concepts such as sin and salvation in Christianity attachment tanka and enlightenment nirvana in Buddhism and ignorance avidya and liberation moksa in Hinduism This volume seeks to show that behind these concepts are deep concerns related to human existence and its relationship with the whole creation These common concerns can be a basis for a greater understanding and dialogue between Christians Hindus and Buddhists *The Sacred Books of China*, 1976 **Everyone Prays** Alexis York

Lumbard, 2014 Christians Jews and Muslims all pray So do Hindus and Buddhists Many others pray too So begins Everyone Prays a bright and colorful concept book celebrating the diverse ways that people pray In a vibrant yet accessible manner young readers are transported on a visual tour across the globe They will discover the Native American sun dance ceremony visit the sacred sites in Jerusalem behold the Shinto shrines in Japan watch Maasai dances in Kenya see pilgrimages to the river Ganges in India and much much more With an appendix to help answer questions children might have Everyone Prays offers young hearts and minds a chance to learn that although people from other places and cultures may seem different we all share the diverse world of faith and prayer And what a bright and beautiful world it is **A Supplementary Catalogue**

Klostermaier, 2014-10-01 The history of the Hindu tradition is captured by Kalus K Klostermaier in this new survey of a rich and ancient religion This study moves swiftly but thoroughly through the ages from early emergence of the Vedic tradition to the developments in contemporary Hinduism Factual information is balanced with discussion of such problematic areas as the true origins of Hinduism and the controversy of the Aryan invasion Other features include full coverage of all the major branches within the religion and their origins the role of philosophical reflection in the development of Hinduism the future of Hinduism a quick reference chronology bibliography and extensive glossary This guide to the development of a major religion should be of interest to those interested in the subject from gradates to the curious general reader and can be used as a companion volume to Hinduism a short introduction Systematic Catalogue of the Public Library of the City of Milwaukee Milwaukee Public Library, 1885 Annual List of New and Important Books Added to the Public Library of the City of Boston, 1898 Man's Religions John Boyer Noss, 1974 This book has been written to meet two specific needs that first for an introduction to the world's religions containing adequate amounts of descriptive or interpretive details from the original source materials and that second for a presentation of man's most noteworthy faiths in a time setting that will do justice to their development as well as to their origins Neighboring Faiths Winfried Corduan, 2024-04-30 In this updated and revised edition of a classic text readers will find informed empathetic insights into world religions like Judaism Islam Hinduism Native American religion and many more Emphasizing both formal teaching and daily practice this text shows Christians how to engage adherents of these faiths in constructive dialogue Dictionary for Theological Interpretation of the Bible Kevin J.
