The Journal of Sacred Literature and Biblical Record ,1864      **Apocalyptic Patience** Andrew Shanks,2024-07-11

Andrew Shanks brings together a grand narrative of theology and continental philosophy to argue that the shaken is the kingdom of God in secular dress Shanks engages with the philosophy of Jan Patocka specifically his Heretical Essays in the Philosophy of History which culminate in the concept of the solidarity of the shaken Such solidarity is quite simply that which empowers the most radically thoughtful openness to others embattled against even the most repressive closure a solidarity without any other essential qualification Split into three distinct parts Shanks begins by discussing Patocka's philosophico centric grand narrative and drawing wider reference to the pre philosophic origins of Abrahamic religious tradition This is followed by an exploration of mystical theology Christian and Islamic of its decay into mysticism and its influence on Christian and Jewish gnostic traditions The final third presents a discussion on ethical phenomenology Analysing the proponents of a pathos of shakeness such as Kierkegaard Levinas L gstrup he juxtaposes 19th century thinkers such as Arendt and Hegel with Heidegger and Strauss as he moves through the century and eventually to the rise of secular public conscience movement

**Biblical Record**, 1864 **On Corruption in America** Sarah Chayes, 2021-11-16 From the prizewinning journalist and internationally recognized expert on corruption in government networks throughout the world comes a major work that looks homeward to America exploring the insidious dangerous networks of corruption of our past present and precarious future If you want to save America this might just be the most important book to read now Nancy MacLean author of *Democracy in Chains* Sarah Chayes writes in her new book that the United States is showing signs similar to some of the most corrupt countries in the world Corruption she argues is an operating system of sophisticated networks in which government officials key private sector interests and out and out criminals interweave Their main objective not to serve the public but to maximize returns for network members In this unflinching exploration of corruption in America Chayes exposes how corruption has thrived within our borders from the titans of America's Gilded Age Andrew Carnegie John D Rockefeller J P Morgan et al to the collapse of the stock market in 1929 the Great Depression and FDR's New Deal from Joe Kennedy's years of banking bootlegging machine politics and pursuit of infinite wealth to the deregulation of the Reagan Revolution undermining this nation's proud middle class and union members She then brings us up to the present as she shines a light on the Clinton policies of political favors and personal enrichment and documents Trump's hydra headed network of corruption which aimed to systematically undo the Constitution and our laws Ultimately and most importantly Chayes reveals how corrupt systems are organized how they enable bad actors to bend the rules so their crimes are covered legally how they overtly determine the shape of our government and how they affect all levels of society especially when the corruption is overlooked and downplayed by the rich and well educated *Sacred Corruption* David Hughes, 2001 **A Complete Concordance to the**
