Sacred Heart Gateway To God:

Sacred Heart Wendy M. Wright, 2002 The hundreds of thousands of Sacred Heart shrines monuments statues prints paintings holy cards medals scapulars and devotional paraphernalia that litter the landscape of Catholicism worldwide reflect the fact that the Sacred Heart was one of the defining symbols of the church through the mid twentieth century In fact whether in scripture prayer iconography or theological reflection the image of the Heart of God has always been present in the Christian story and in Sacred Heart Wendy Wright shows how it can become a window through which we might glimpse something of the divine mystery and through which the divine mystery might gaze upon us This book is both a richly detailed history and analysis of the devotion to the Sacred Heart and a powerful and imaginative description of a spiritual journey

Saving Fear in Christian Spirituality Ann W. Astell, 2019-11-30 Hailed in Sacred Scripture as the beginning of wisdom Ps 111 10 the fear of the Lord is seldom mentioned and little understood today A gift of the Spirit and a moral virtue or disposition the fear of the Lord also frequently entails emotional experiences of differing kinds compunction dread reverence wonderment and awe Starting with the Bible itself this collection of seventeen essays explores the place of holy fear in Christian spirituality from the early church to the present and argues that this fear is paradoxically linked in various ways to fear s seeming opposite love Indeed the charged dynamic of love and fear accounts for different experiences and expressions of Christian life in response to changing historical circumstances and events The writings of the theologians mystics philosophers saints and artists studied here reveal the relationship between the fear and the love of God to be profoundly challenging and mysterious its elements paradoxically conjoined in a creative tension with each other but also tending to oscillate back and forth in the history of Christian spirituality as first one then the other comes to the fore sometimes to correct a perceived imbalance sometimes at the risk of losing its companion altogether Given this historical pattern clearly evident in these chronologically arranged essays the palpable absence of a discourse of holy fear from the mainstream theological landscape should give us pause and invite us to consider if and how under what aspect in which contexts a holy fear inseparable from love might be regained or discovered anew within Christian spirituality as a remedy both for a crippling anxiety and for a presumptive recklessness This book will be of interest to students and scholars

Following Francis Susan Pitchford,2006-05-01 A wonderful resource to guide admirers of the humblest of saints what it means to live out the Christian life with a Franciscan accent In a little town in Italy nearly 800 years ago Francis of Assisi renounced everything he owned to follow Christ with passionate and single minded abandon Even today centuries later this simple saint draws people around the world to his story of living in humility love and joy Here in *Following Francis* Susan Pitchford tells her own story of the Franciscan life as a member of the Third Order founded by Francis himself so that people from all walks of life can follow the saint s ideal without leaving their homes or occupations Pitchford learned that the Franciscan tradition isn t the exclusive possession of monks cloistered in a monastery but a spiritual path for ordinary people living in the 21st century The Ethical Imagination Margaret Somerville,2009 Developing a boundary crossing ethics by paying attention to our stories myths and moral intuition **The Tablet** ,1895 **A Precious Fountain** Mary E. McGann,2015-11-20 A Precious Fountain is a work of liturgical ethnography that probes the rich liturgical life of one worshipping community whose roots and practices are at once Black and Catholic using music as a primary lens through which to explore the community s liturgy and embodied theology Our Lady of Lourdes community in San Francisco is part of a larger event in the American church the emergence of a new paradigm of Catholic worship one that is authentically Black and truly Catholic Mary E McGann RSCJ describes how the music worship of Our Lady of Lourdes in San Francisco not only enriches that community but also is an example of how a theology of music is practiced in that parish She offers this new genre of liturgical literature that brings to light how God s Spirit is working in the churches through the idioms perceptions and insights of specific ethno cultural communities in this time of massive cultural change and globalization *Opposition Gives You an Opportunity* Bobbie Williams,2012-04 This book is based on scriptures from Nehemiah a Jewish servant of a Persian king and an effective leader who organized and guided the rebuilding of the city walls around Jerusalem While on this special assignment he faced great opposition In spite of harassment he along with others persevered and finished the work When faced with opposition allow it to bring us to a place of unity as well as strength **The Publishers Weekly** ,1904
