Sacred Path Of Midwifery:

Sacred Path of Midwifery Karen Melody Shatar,2003-04-01 Karen Melody Shatar explores both the actual and metaphorical roles of midwifery as fertile ground for spiritual emotional and psychological growth The Sacred Path of Midwifery is an interweaving of stories from perspectives of the midwife and the birthing woman **The Art of Spiritual Midwifery** Stephen Faller,2015-09-24 What comes after reflective listening What comes after the ministry of presence Spiritual midwifery is a powerful framework for offering pastoral care in today s fast paced environment Midwifery offers ways of thinking about those who are served the work itself and what it means to be a clinical caregiver within the tradition of the care of souls Spiritual midwifery has philosophical and spiritual roots that stem from the earliest seeds of Western thought even back to Jesus and Socrates Readers will find an inductive approach toward a conceptual model that offers insight for richer assessments and outcome oriented goals of care Part One sets out the metaphors of the midwife and the dialogue Part Two unpacks the methodology behindthe mechanics Part Three looks at creative applications of midwifery and is followed by a Symposium patterned after Plato s own Symposium A rigorous theory remains at the centre of the work but the tone is poetically balanced enough to invite the transformation of the spiritual caregiver From the philosophy of Heraclitus to the theology of Kierkegaard and the spiritual direction of Guenther The Art of Spiritual Midwifery brings forth a comprehensive conception of pastoral care and its delivery Fundamentals of Nursing & Midwifery Helen Hall,Paul Glew,Johanna Rhodes,2022-01-03 A trusted person centred resource to start you on the path to professional success Fundamentals of Nursing and Midwifery is a popular foundational nursing text specifically developed for Australian and New Zealand students This comprehensive resource provides a detailed overview of key information with person centred care highlighted throughout to focus on the individualistic interactive and holistic nature of nursing and midwifery practice It uses accessible language that introduces students to the why as well as the how of nursing and midwifery It focuses not only on a person s physical healthcare needs but also on the intellectual emotional sociocultural and spiritual aspects of care In this way students learn to be holistic health care professionals while acquiring the foundational knowledge procedures and skills required for successful nursing or midwifery practice Imagery, Ritual, and Birth Anna M. Hennessey,2018-12-11 Every human being is born and has gone through a process of birth Yet the topic of birth remains deeply underrepresented in the humanities overshadowed by a scholarly focus on death This book explores how imagery is used ritualistically in religious secular and nonreligious ways during birth through analysis of a wide variety of art iconography poetry and material culture Objects central to the book s study include religious figurines paintings about birth and other items representative of pregnancy crowning or giving birth that have an historical or original meaning connected to religion Contemporaryartists are also creating new art in which they represent birth and mothering as nonreligious events that are sacred or divine Framed through the concept of social ontology which examines the nature of the social world and studies how people create meaning

out of the various objects images and processes that make up human social life the book theorizes a social ontology of birth focusing on how the meaning of imagery undergoes metamorphosis between the spheres of religion secularity nonreligion and the sacred when used during birth as a rite of passage Included in the study are more than thirty images of birth some of which have never been written about before *Engendering Mayan History* David Carey Jr.,2013-01-11 Presenting Mayan history from the perspective of Mayan women whose voices until now have not been documented David Carey allows these women to present their worldviews in their native language adding a rich layer to recent Latin American historiography and increasing our comprehension of indigenous perspectives of the past Drawing on years of research among the Maya that specifically documents women s oral histories Carey gives Mayan women a platform to discuss their views on education migrant labor work in the home female leadership and globalization These oral histories present an ideal opportunity to understand indigenous women s approach to history the apparent contradictions in gender roles in Mayan communities and provide a distinct conceptual framework for analyzing Guatemalan Mayan and Latin American history *Rituals of Sacrifice* Vincent James Stanzione,Angelika Bauer,2003 Living and working among the Tz utujil Maya people of Santiago Atitl n in highland Guatemala for some fifteen years Vincent Stanzione has observed photographed and participated in their ritual and ceremonial life which he describes with unique authority in this account of the continuities in Mayan culture from pre Columbian times to the present This book represents both a confirmation and an innovation in the scholarship and field work about the religious imagination and rites of passage of Maya peoples I know of no book that is as able to a link the pre Hispanic colonial and contemporary religious practices of these peoples into a coherent narrative b combine anthropological religious studies theory with linguistics and ongoing field work as creatively and c illuminate the debate between models of syncretism and transculturation about a contemporary ritual cycle as Stanzione s beautifully illustrated work David Carrasco Harvard University *Mesoamerican Healers* Brad R. Huber,Alan R. Sandstrom,2010-01-01 Healing practices in Mesoamerica span a wide range from traditional folk medicine with roots reaching back into the prehispanic era to westernized biomedicine These sometimes cooperating sometimes competing practices have attracted attention from researchers and the public alike as interest in alternative medicine and holistic healing continues to grow Responding to this interest the essays in this book offer a comprehensive state of the art survey of Mesoamerican healers and medical practices in Mexico and Guatemala The first two essays describe the work of prehispanic and colonial healers and show how their roles changed over time The remaining essays look at contemporary healers including bonesetters curers midwives nurses physicians social workers and spiritualists Using a variety of theoretical approaches the authors examine such topics as the intersection of gender and curing the recruitment of healers and their training healers compensation and workload types of illnesses treated and recommended treatments conceptual models used in diagnosis and treatment and the relationships among healers and between indigenous healers and medical and political authorities *Life's Miracle: A Journey Through*

Midwifery Pasquale De Marco, 2025-05-21 In the realm of childbirth where life's greatest miracle unfolds there lies a profession dedicated to nurturing and empowering women midwifery This book a profound exploration of the world of midwifery unveils the extraordinary stories of midwives and the transformative care they provide Through the eyes of these dedicated caregivers we witness the beauty and power of natural birth the challenges and triumphs of high risk pregnancies and the profound impact of postpartum support on the well being of mothers and families We delve into the history of midwifery uncovering a rich tapestry of traditions beliefs and practices that have shaped the profession over centuries Furthermore we examine the contemporary midwifery landscape exploring the ongoing debates surrounding the scope of practice collaboration with other healthcare providers and the integration of midwifery care into healthcare systems worldwide We highlight the challenges and opportunities faced by midwives in diverse settings from rural communities to urban centers and celebrate their unwavering commitment to providing high quality woman centered care This book is a testament to the enduring legacy of midwifery a profession that has stood the test of time gently shepherding countless lives into the world It is an invitation to honor the invaluable contributions of midwives to maternal and child health and to envision a future where midwifery is fully recognized respected and integrated into healthcare systems around the globe Join us on this captivating journey as we explore the world of midwifery celebrating the extraordinary work of these dedicated professionals and shedding light on the transformative power of their care May this book inspire educate and empower readers to recognize the vital role of midwives in ensuring the health and well being of women families and communities If you like this book write a review on google books

The Sacred Nature of Birth: Natural Wisdom for Conscious Birthing Kara Maria Ananda, 2012-02-29 An inspirational book on conscious birthing and parenting for parents of the new millennium This book is a rich collection of wisdom for pregnancy birth and postpartum by a Conscious Birth Emissary and Mother Learn about natural healing and sacred birthing for the optimal health of your family children and self Read about simple practices for connecting with your unborn baby healing arts for mothers and families and preparing consciously for your best birth Cover p 4

Alba Reborn Frew, 2011-10 Alba Reborn is the story of a Celtic girl and boy Soillse and Firinn in first century Scotland or Alba He is destined to become high king of the Isle of Skye and she a renown healer Book One is the tale of their growing years both drawn to the druid Coillore and his teachings about the realms of light of the Otherworld On a hidden path of love Coillore shows them how ancient fears from their fall from heaven are creating the sufferings in their lives how to heal these and achieve their highest dreams Every reader can do the same Contained in Coillore's lessons are the planes of the cosmic Diamond Core the seventh heaven and its consciousness of enlightenment The regents of the Celtic pantheon and the hidden streams of Celtic cosmology are explained in rich detail the result of twenty five years of painstaking meditation and research by the author This book is a call to the people of Alba to raise the standard of love and renew their ancient spiritual traditions But it is equally a call to all people on earth to move through the transformation

process illustrated in the lives of Firinn and Soillse to heal all inner fear and thus create heaven on earth Dr Frew is a clinical psychologist and energy healer whose love of Alba and Celtic tradition has taken her on a lifelong journey of discovery Through inner druid guides and years of meditation she has unearthed information she was unable to find in an exhaustive search for answers in the outside world She believes these teachings to be accurate and they have radically opened her awareness to the constant love of God Goddess and the spirit world In the future Dr Frew envisions building a spiritual community in Alba that embodies these teachings and she hopes every person on earth comes to know the exquisite tenderness of the One Beloveds

Against All Odds: Triumph and Tribulations of a Midwife in Appalachia Pasquale De Marco, 2025-03-17 In the heart of Appalachia where mountains touch the sky and rivers carve their paths through rugged landscapes lies a story of resilience compassion and unwavering dedication Against All Odds: Triumph and Tribulations of a Midwife in Appalachia is a poignant and inspiring memoir that chronicles the extraordinary journey of a nurse midwife who selflessly serves her community amidst unimaginable challenges With a profound sense of calling our protagonist embarks on a mission to bring life and hope to the people of this underserved region Navigating treacherous roads battling limited resources and overcoming cultural barriers she becomes a beacon of hope for families in need Her unwavering commitment to providing holistic and compassionate care transforms lives one birth at a time Through her eyes we witness the raw beauty and harsh realities of life in Appalachia We celebrate the joy of new beginnings the resilience of mothers and the strength of families overcoming adversity But we also confront the challenges of poverty isolation and the struggle for healthcare access As our protagonist navigates the complexities of her profession she grapples with ethical dilemmas questions her own limits and finds solace in the unwavering support of her community Her journey is a testament to the power of human connection the resilience of the human spirit and the transformative impact of compassionate care In the tapestry of her experiences we learn about the history and cultural significance of midwifery in Appalachia We gain insights into the unique challenges faced by rural healthcare providers and the critical role they play in ensuring the well being of their communities Against All Odds is a love letter to the unsung heroes of healthcare a celebration of the extraordinary work done by midwives and a clarion call for action to address the disparities in healthcare access that persist in many parts of the world It is a story that will inspire uplift and challenge readers to reflect on the true meaning of service and the power of human compassion If you like this book write a review

The Quest, 1992 **In the Spirit of Homebirth** Bronwyn Preece, 2015-04-14 The collection gives voice to those often overlooked in birthing books including stories from indigenous families and families from diverse socioeconomic classes religions and urban and rural lifestyles Also unique are the additional stories from witnesses to birth partners describe their awe children write sweetly of siblings arrivals and midwives and doulas recount their experiences aiding women in their journeys Included as landmarks amongst the stories are testaments to birth traditions such as blessingways and umbilical cord and placenta practices From days of labor to babies born so quickly support did not make it in time from waterbirths at home to transfers to the hospital from planned pregnancies to unexpected ones from tales of tears to tales of euphoria the eclectic stories brought together here share one theme they capture an intent to birth at home that comes out of a deep love for and belief in the human body and spirit These amazing voices rise to a clarion call women of all descents reclaiming a birthright to give birth and to be birthed as they choose It is an ancient choice made now by modern women These stories delightful and empowering find the new within the old

The Call to the Far Shore Nancy MacMillan, 2025-04-08 Explores how to carry our loved ones through death how to honor their bodies and spirits and how to

awaken to the ever present help of our ancestors Reveals the healing and closure that can be brought about through the process of washing and preparing a body for a home vigil or funeral Offers guidance on advance care planning grieving and forgiveness as well as green burial Having become disconnected from the natural cycles of life we have lost the fundamental knowing of what death looks like and fear fills the void How can we transform our fears surrounding death and be with the dying more fully and more consciously Through her work with the dying Nancy MacMillan reveals the very real imaginal world where nature myth dreams ancestors and those yet to be born whisper from the far shore a place beyond our last breath She reminds us that caring for our dying consciously is a transformative act radical even in restoring meaning to our place and purpose in the universe She explores how to carry our loved ones through death how to honor their bodies and spirits and how to awaken to the ever present help of our ancestors She shows how the practice of caring for the dead can help both those grieving and the newly dead and she reveals how healing and closure can be brought about through the process of washing and preparing a body for a home vigil or funeral a ritual she provided for her own mother Sharing personal stories Nancy offers guidance on advance care planning grieving and forgiveness as well as green burial Through her own close encounters with the specter of death the author shows how to follow the ancient wisdom of learning to die before you die and find a seaworthy passage to the far shore

Leadership in a Challenging World Barbara Shipka, 1997

Leadership in a Challenging World is about a journey to wholeness The whole self is sacred and required in order to lead well in the complex world of today and tomorrow Business leaders have enormous opportunity and responsibility to lead consciously coming from the depths of conscience and spirit given the influential stage for global change and transformation business offers with its powerful infrastructure financial resources and cornucopia of human talent
