Hinson-Hasty,2021-08-17 Elizabeth L Hinson Hasty pursues places where care for people with serious mental illness and their families is unraveled in the United States She picks up threads of empowerment from the Christian tradition to address the distinctive circumstances of individuals and families affected by mental illness and draws upon her own experiences as the sibling of someone with serious mental illness SMI As a scholar of theology and Christian ethics the author challenges the traditional theological explanations of disability and madness and the public policies that try to fit people with SMI into boxes and checklists made for those with minds and bodies society values as ideal Dutiful Love explores the distinctive relationship between self sacrificial love and caregiving when that duty to care extends over the course of an entire lifetime because of social limitations placed upon people with mental illness Hinson Hasty investigates how the Christian theological tradition shapes our Western understanding of normal and abnormal minds and bodies This approach to mental and physical impairment associates healing with curing but neglects the empowerment thread that is part of the gospel narrative The author encourages caregivers whether professionals friends or families to think about the concept of self giving as an alternative to self sacrifice In the context of families impacted by mental illness or degenerative disease healing is more synonymous with presence Intentional presence involves self giving listening contemplation prophetic truth telling and walking with another so that isolation stigma and shame no longer define the social realities of people with mental illness their siblings or their larger families The book includes discussion questions making it an ideal resource for individual reflection church study groups and college seminary and university classrooms **Real Love** Andy Thompson,2013-04 The greatest thing you ll ever learn is just to love and be loved in return Love something every human shares the desire to love and be loved And in the 21st century a loving relationship is even more valued We see love movies watching teenage vampires find a love that will last more than one lifetime Doctors lawyers even secret agents with double O status all susceptible to Cupid s arrow There are dating websites chat rooms bars and places to speed date As we have used

Jamie Ferreira,2001-06-07 Soren Kierkegaard's Works of Love 1847 a series of deliberations on the commandment to love one's neighbor has often been condemned by critics Here Ferreira seeks to rehabilitate Works of Love as one of Kierkegaard's most important works He shows that Kierkegaard's deliberations on love are highly relevant to some important themes in contemporary ethics including impartiality duty equality mutuality reciprocity self love sympathy and sacrifice Ferreira also argues that Works of Love bears on issues peculiar to a religious ethic such as the role of God as middle term and the possibility of preserving the aesthetic dimensions of love in a religious ethic of relation
