I never believed that dirty work
meant that when people of
regular intelligence, I would
say, that Synanon really was not
what you know Synanon to be
because it is really enough to
get it out of me.

It has been a long time since I
have seen, and now when I look
back on it, I feel a great sense of
relief for the years that I spent
there and now see. You'll want
to see it all of the
time of your life.

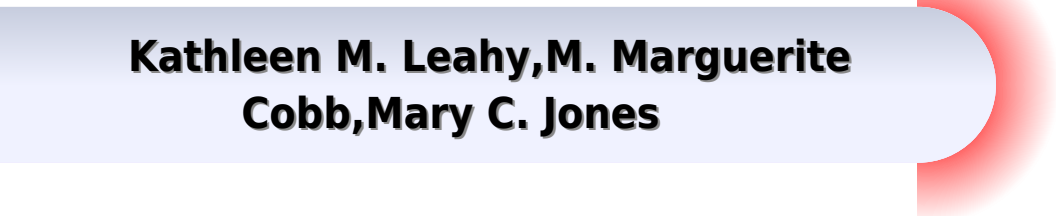

Nobody told me the fatigue.
Nobody told me the temptations
when I took off my clothing that
night that day, there were no
temptations. All I possessed were my
experiences and my beliefs. The
feeling of fear and pain hadn't yet
reached to my heart.

Synanon has a phrase for people
who see things only through their
own perceptions: those who go
through life listening to the sound of
one hand clapping. I left Synanon
to work with them, as it did seem
and they'd been eyes in their hands.
